I have the further honour to inform you that, following due consideration, the Committee has decided to approve the requested exemption in the abovementioned letter, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer the items outlined in your letter within the next nine months, which is enclosed in this letter as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

The Committee further supports and approves Ignis Community engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.

At the same time, the Committee requests relevant organizations delivering humanitarian assistance to the DPRK to adhere to the exemption time limit approved by the Committee and fully respect and abide by relevant national laws, regulations, and licensing requirements governing financial and commercial transactions, and shipping and custom clearance conducted in the jurisdictions of affected Member States.

- List of Items for Transfer to the DPRK

4 de mayo de 2023

Estimado Sr. Sang Hyuk Yoon:

En nombre del Comité del Consejo de Seguridad establecido en virtud de la resolución 1718 (2006), tengo el honor de referirme a su carta de fecha 12 de abril de 2023, en la que solicitó al Comité que se ajustara el plazo de la exención concedida el 12 de agosto de 2022, de conformidad con el párrafo 25 de la resolución 2397 (2017) del Consejo de Seguridad, para la realización de actividades humanitarias en la República Popular Democrática de Corea (RPDC), en particular el segundo envío del equipo médico y de rehabilitación necesario para el Centro de la Columna y de Rehabilitación de Pyongyang, a causa de los retrasos debidos a las restricciones relacionadas con la enfermedad por coronavirus (COVID-19) y el cierre de las fronteras de la RPDC.

Tengo el honor de comunicarle que, tras el oportuno examen por el Comité, este ha decidido prorrogar el plazo de la exención hasta el 4 de febrero de 2024, para finalizar el envío de los artículos correspondientes, con arreglo al párrafo 25 de la resolución 2397 (2017).

Deseo informarlo de que la presente carta y su anexo se publicarán por un período de nueve meses en el sitio web del Comité del Consejo de Seguridad establecido en virtud de la resolución 1718 (2006) para ponerlos a disposición del público, incluidas las autoridades nacionales encargadas de examinar las transferencias a la RPDC que son objeto de exención.

El Comité desea dar las gracias a Ignis Community por su diligencia.

Documento adjunto: Lista de artículos que se transferirán a la RPDC

12 de agosto de 2022

Estimado Sr. Sang Hyuk Yoon:

En nombre del Comité del Consejo de Seguridad establecido en virtud de la resolución [1718 \(2006\)](#), tengo el honor de referirme a su carta de fecha 21 de julio de 2022, por la que solicitó al Comité una exención, de conformidad con el párrafo 25 de la resolución [2397 \(2017\)](#) del Consejo de Seguridad, para la realización de actividades humanitarias en la República Popular Democrática de Corea (RPDC), en particular el segundo envío del equipo médico y de rehabilitación necesario para el Centro de la Columna y de Rehabilitación de Pyongyang, de conformidad con la nota orientativa núm. 7 para la aplicación de resoluciones.

Tengo también el honor de informarlo de que, tras la debida consideración, el Comité ha decidido aprobar la solicitud de exención que figura en la citada carta, de conformidad con el párrafo 25 de la resolución [2397 \(2017\)](#) del Consejo de Seguridad, para la transferencia, en los próximos seis meses, de los artículos que se indican en ella, una lista de los cuales se adjunta como anexo a la presente carta. Los artículos deberán enviarse en una sola remesa o de forma consolidada, a fin de aumentar la eficiencia del transporte y el despacho de aduanas.

El Comité reitera que las sanciones impuestas por el Consejo de Seguridad en sus resoluciones relativas a la RPDC no pretenden tener un efecto negativo en la población de la RPDC; la nota verbal que remitió a todos los Estados Miembros, así como su comunicado de prensa SC/13113, de 8 de diciembre de 2017, ofrece aclaraciones en lo que respecta a la prestación de asistencia humanitaria a la RPDC. Además, en la nota verbal se recuerda que cada Estado Miembro debe aplicar plenamente las medidas pertinentes del Consejo de Seguridad, teniendo presente la necesidad de explicar a las entidades públicas y privadas bajo su jurisdicción que, si bien las sanciones de las Naciones Unidas deben aplicarse de forma adecuada, no deben restringirse indebidamente las actividades humanitarias.

El Comité también apoya y aprueba la realización por Ignis Community de las operaciones comerciales y las transacciones financieras que sean necesarias únicamente a efectos de adquirir los bienes y servicios objeto de la exención del Comité e indicados en el archivo adjunto, sin perjuicio de las decisiones comerciales que resulten pertinentes.

Sr. Sang Hyuk Yoon  
Director del Centro de la Columna y de Rehabilitación de Pyongyang  
Ignis Community  
Dallas, Texas

Al mismo tiempo, el Comité pide a las organizaciones que prestan asistencia humanitaria a la RPDC que se atengan al plazo de excepción aprobado por el Comité y respeten y cumplan plenamente las disposiciones legales y reglamentarias nacionales y los requisitos sobre licencias que regulan las transacciones financieras y comerciales en el plano nacional y el transporte y el despacho de aduanas realizados en las jurisdicciones de los Estados Miembros afectados.

Deseo informarlo de que la presente carta y su anexo se publicarán en el sitio web del Comité 1718 por un período de nueve meses para ponerlos a disposición del público, incluidas las autoridades nacionales encargadas de examinar las transferencias a la RPDC que son objeto de exención.

El Comité desea dar las gracias a Ignis Community por su diligencia.

Atentamente,
