Estimado Sr. Adelakin:

En nombre del Comité del Consejo de Seguridad establecido en virtud de la resolución 1718 (2006), tengo el honor de referirme a su carta de fecha 15 de enero de 2024, en que solicitó al Comité, en nombre de la organización no gubernamental Yoido Full Gospel Missions Foundation (YGMF), una nueva prórroga al plazo de la exención concedida el 28 de octubre de 2021 y prorrogada hasta el 31 de octubre de 2023, con arreglo al párrafo 25 de la resolución 2397 (2017) y de conformidad con la nota orientativa núm. 7 para la aplicación de resoluciones, por la que se autorizaban las actividades humanitarias en la República Popular Democrática de Corea (RPDC) de la organización no gubernamental Yoido Full Gospel Missions Foundation (YGMF), en particular para un proyecto dedicado al tratamiento, a través del Hospital de Cardiología de Pyongyang, de las enfermedades graves que padecen los grupos vulnerables en la República Popular Democrática de Corea, debido a los problemas relacionados con el envío aprobado de equipo y suministros médicos como resultado del cierre de fronteras de la RPDC desde 2020.

Deseo comunicarle que, tras el debido examen de la información facilitada, el Comité ha decidido otorgar una nueva prórroga al plazo de la exención hasta el 19 de enero de 2025, para posibilitar el envío a la RPDC del equipo mencionado, de conformidad con el párrafo 25 de la resolución 2397 (2017) del Consejo de Seguridad.

El Comité desea dar las gracias a la Oficina del Coordinador Residente interino de las Naciones Unidas en la República Popular Democrática de Corea por su diligencia.

Excelencia:

En nombre del Comité del Consejo de Seguridad establecido en virtud de la resolución [1718 \(2006\)](#), tengo el honor de referirme a su carta de fecha 19 de octubre de 2022, en la que solicitó al Comité que prorrogara, por un período excepcional de 12 meses, el plazo de la exención concedida a la organización no gubernamental Yoido Full Gospel Missions Foundation (YGMF) el 28 de octubre de 2021, de conformidad con el párrafo 25 de la resolución [2397 \(2017\)](#) del Consejo de Seguridad y la nota orientativa núm. 7, en particular para un proyecto para el tratamiento, a través del Hospital de Cardiología de Pyongyang, de las enfermedades graves que padecen los grupos vulnerables en la República Popular Democrática de Corea, debido a los retrasos causados por la pandemia de COVID-19 en la adquisición y la transferencia a la República Popular Democrática de Corea de los bienes aprobados.

Quisiera comunicarle que, tras examinar debidamente la solicitud, el Comité ha decidido prorrogar nuevamente, hasta el 27 de octubre de 2023, el plazo de la exención, para finalizar la adquisición y el envío de los artículos correspondientes, que se detallan en el documento adjunto a la presente, de conformidad con el párrafo 25 de la resolución [2397 \(2017\)](#).

Aprovecho esta oportunidad para reiterarle las seguridades de mi consideración más distinguida.

Excelencia:

En nombre del Comité del Consejo de Seguridad establecido en virtud de la resolución [1718 \(2006\)](#), tengo el honor de referirme a su carta de fecha 18 de octubre de 2021, en la que se transmitió al Comité una solicitud de exención de conformidad con el párrafo 25 de la resolución [2397 \(2017\)](#) del Consejo de Seguridad, con arreglo a la nota orientativa núm. 7 para la aplicación de resoluciones, en nombre de la Yoido Full Gospel Missions Foundation (YGMF), para realizar en la República Popular Democrática de Corea (RPDC) actividades humanitarias, en particular para un proyecto para el tratamiento, a través del Hospital de Cardiología de Pyongyang, de las enfermedades graves que padecen los grupos vulnerables en la RPDC. También señalo su solicitud de que se conceda un plazo de exención más amplio, habida cuenta de las dificultades relacionadas con la pandemia de COVID-19.

Tengo también el honor de informarle de que, tras la debida consideración, el Comité ha decidido aprobar la solicitud de exención que figura en la citada carta, de conformidad con el párrafo 25 de la resolución [2397 \(2017\)](#) del Consejo de Seguridad, para la transferencia, en los próximos doce meses, de los artículos y servicios que se indican en ella, que se detallan en el documento adjunto a la presente. El Comité recomienda que, en la mayor medida posible, los artículos se envíen en tres remesas como máximo, a fin de aumentar la eficiencia del transporte y el despacho de aduanas.

El Comité reitera que las sanciones impuestas por el Consejo de Seguridad en sus resoluciones relativas a la RPDC no pretenden tener un efecto negativo en la población del país; la nota verbal que remitió a todos los Estados Miembros, así como su comunicado de prensa SC/13113, de 8 de diciembre de 2017, ofrece aclaraciones en lo que respecta a la prestación de asistencia humanitaria a la RPDC. Además, en la nota verbal se recuerda que cada Estado Miembro debe aplicar plenamente las medidas pertinentes del Consejo de Seguridad, teniendo presente la necesidad de explicar a las entidades públicas y privadas bajo su jurisdicción que, si bien las sanciones de las Naciones Unidas deben aplicarse de forma adecuada, no deben restringirse indebidamente las actividades humanitarias.

Excmo. Sr. Cho Hyun
Representante Permanente de la República de Corea
ante las Naciones Unidas
Nueva York

El Comité también apoya y aprueba la realización por la República de Corea de las operaciones comerciales y las transacciones financieras que sean necesarias únicamente a efectos de adquirir los bienes y servicios objeto de la exención del Comité y que figuran en el documento adjunto, sin perjuicio de las decisiones comerciales que resulten pertinentes.

Al mismo tiempo, el Comité pide a las organizaciones que prestan asistencia humanitaria a la RPDC que se atengan al plazo aprobado por el Comité y respeten y cumplan plenamente las disposiciones legales y reglamentarias nacionales y los requisitos sobre licencias que regulan las transacciones financieras y comerciales en el plano nacional y el transporte y el despacho de aduanas realizados en las jurisdicciones de los Estados Miembros afectados.

Deseo informarle de que la presente carta y su anexo se publicarán en el sitio web del Comité 1718 por un período de doce meses para ponerlos a disposición del público, incluidas las autoridades nacionales encargadas de examinar las transferencias exentas a la RPDC.

El Comité desea dar las gracias a la República de Corea por su diligencia.

Aprovecho esta oportunidad para reiterar a Vuestra Excelencia las seguridades de mi consideración más distinguida.
