

SECURITY COUNCIL COMMITTEE ESTABLISHED
PURSUANT TO RESOLUTION 1988 (2011)

GUIDELINES OF THE COMMITTEE FOR THE CONDUCT OF ITS WORK

(Adopted on 30 November 2011, as amended on 15 April 2013 and 29 July 2013)

1. The 1988 Sanctions Committee

- (a) The Committee of the Security Council established by paragraph 30 of Security Council resolution 1988 (2011) of 17 June 2011 is known as the 1988 Sanctions Committee. For the purposes of these guidelines, the 1988 Sanctions Committee shall hereinafter be referred to as “the Committee.”
- (b) The Committee is a subsidiary organ of the Security Council and will consist of all Members of the Council.
- (c) The Chair of the Committee will be appointed by the Security Council to serve in his/her personal capacity. The Chair will be assisted by two delegations who will act as Vice-Chairs, and who will also be appointed by the Security Council.
- (d) The Chair will chair meetings of the Committee. When the Chair is unable to chair a meeting, the Chair will nominate one of the Vice-Chairs or another representative of his/her Permanent Mission to act on his/her behalf.
- (e) The Secretariat of the Committee will be provided by the Secretariat of the United Nations.

2. Mandate of the Committee

The mandate of the Committee shall be, on the basis of the measures imposed by paragraph 1 of resolution 1988 (2011) and paragraph 1 of resolution 2082 (2012), to undertake the tasks assigned to it by Security Council resolutions 2082 (2012) and 1988 (2011).

3. Meetings of the Committee

- (a) Meetings of the Committee, both formal and informal, will be convened at any time the Chair deems necessary, or at the request of a Member of the Committee. To the extent possible, four working days notice will be given for any meeting of the Committee, although shorter notice may be given in urgent situations.
- (b) The Committee will meet in closed sessions, unless it decides otherwise. The Committee may invite any Member of the United Nations to participate in the discussion of any question brought before the Committee in which interests of that Member are specifically affected. The Committee will consider requests from Member States and relevant international organizations to send representatives to meet with the Committee as described in section 14 paragraph (f). The Committee may invite members of the Secretariat or other persons to provide the Committee with appropriate expertise or information or to give it other assistance in examining matters within its competence.

- (c) The Committee may invite the members of the Monitoring Team established pursuant to paragraph 7 of resolution 1526 (2004) and representatives of the United Nations Assistance Mission in Afghanistan (“UNAMA”) to attend meetings as appropriate.

4. Decision-making

- (a) The Committee shall make decisions by consensus of its Members. If consensus cannot be reached on a particular issue, including listing and delisting, the Chair should undertake such further consultations as may facilitate agreement. If after these consultations consensus still cannot be reached the matter may be submitted to the Security Council by the member concerned.
- (b) Decisions will be taken by a written procedure. In such cases the Chair will circulate to all Members of the Committee the proposed decision of the Committee, and will request Members of the Committee to indicate any objection they may have to the proposed decision within five full working days (or in urgent situations, such shorter period as the Chair shall determine). Listing and delisting requests, together with all relevant information in accordance with the guidelines, as assessed by the Chair, shall be considered in accordance with section 7 paragraph (l) and section 8 paragraph (q) respectively. If no objection is received by the end of the specified period, the decision will be deemed adopted. Communications submitted to the Committee pursuant to paragraph 1 of resolution 1452 (2002) shall be considered in accordance with the procedure determined by that resolution, as revised by resolution 1735 (2006).
- (c) Subject to paragraph 4 (f), and in the absence of any objection being indicated within the specified period for the decision provided for in paragraph 4 (b), a Committee Member may request more time to consider a proposal by placing a hold on the decision. For the duration of the validity of any hold placed on a matter, the decision on that matter will be considered “pending”. The Secretariat shall notify the Committee as soon as a decision becomes pending, include the matter in the list of pending issues and inform the State(s) submitting the request that the matter is still under the Committee’s consideration. For so long as a matter is included on the list of pending issues, any Committee Member may place its own hold on that matter. The Secretariat shall notify the Committee as soon as a hold is placed on a pending matter. If a holding Committee Member requires additional information to resolve the pending matter, it may ask the Committee to request additional information on that specific matter from the State(s) concerned.
- (d) Subject to paragraph 4 (f), a matter will remain on the list of pending issues until either:
 - i. one Committee Member with a hold on the matter indicates that they object to the proposed decision; or
 - ii. all Committee Members with holds placed on the matter lift those holds without indicating an objection to the proposed decision.
- (e) If all holds placed on a matter are lifted before 12:00 (noon, EST) on any given working day within the timeframe set out in paragraph 4 (f), the Secretariat shall immediately take the necessary steps, including updating the 1988 Sanctions List that same day, and inform the State(s) concerned about the Committee’s decision. If all holds placed on a matter are lifted after 12:00 (noon EST) on any given working day within the timeframes set out in

paragraph 4 (f), the Secretariat shall take the necessary steps, including updating the 1988 Sanctions List the following working day, and inform the State(s) concerned about the Committee's decision.

- (f) The Committee shall ensure that no matter is left pending for a period longer than is provided for by a relevant resolution, or, where no time for a decision is provided for by a resolution, then six months from the end of the original no-objection period. The holding Committee Members are urged to respond within three months on the pending matter. At the end of the relevant period, and without prejudice to the provisions set out in paragraph 4 (a) above, a matter still pending shall be deemed approved.
- (g) The Committee will review once a month, as necessary, the status of pending issues as updated by the Secretariat, including updates provided by Committee Members.
- (h) A hold placed on a matter by a Member of the Committee will cease to have effect at the time its membership of the Committee ends. New Members shall be informed of all pending matters one month before their membership of the Committee begins.

5. Cooperation with the Government of Afghanistan

- (a) The Committee will engage in continued cooperation with the Government of Afghanistan on issues related to its mandate.
- (b) The Committee will invite representatives of the Government of Afghanistan to provide periodic briefings on the content of the 1988 Sanctions List as well as on the impact of the targeted sanctions on deterring threats to the peace, stability and security of Afghanistan and supporting Afghan-led reconciliation.
- (c) The Chair, with support of the Secretariat and the Monitoring Team shall facilitate contacts between the Government of Afghanistan and State(s) considering the proposal of listing or delisting requests, as appropriate.
- (d) For consultations and coordination on listing and delisting requests, the Government of Afghanistan national contact point details are:

nationalcontactpoint@nsc.gov.af

6. The 1988 Sanctions List

- (a) The Committee will maintain one List for individuals, groups, undertakings, and entities designated pursuant to the criteria set out in paragraphs 2 and 3 of resolution 2082 (2012), known as the "1988 Sanctions List".
- (b) The Secretariat will update regularly the 1988 Sanctions List when the Committee has agreed to include or delete relevant information in accordance with the procedures set out in these guidelines.

- (c) The updated 1988 Sanctions List will be made available on the website of the Committee on the day following the Committee's approval. At the same time, any modification to the 1988 Sanctions List will be communicated to Member States immediately through Notes Verbales, including an electronic advance copy, and United Nations Press Releases.
- (d) Once the updated 1988 Sanctions List is communicated to Member States, States are encouraged to circulate it widely, such as to banks and other financial institutions, border points, airports, seaports, consulates, customs agents, intelligence agencies, alternative remittance systems and charities.

7. Listing

- (a) The Committee will consider designations of individuals, groups, undertakings, and entities associated with the Taliban in constituting a threat to the peace, stability and security of Afghanistan on the basis of the criteria contained in paragraphs 2 and 3 of resolution 2082 (2012).
- (b) The Committee shall consider including new names based on submissions received from Member States in line with paragraph 12 of resolution 2082 (2012).
- (c) When considering the proposal of a new designation, Member States are strongly urged to consult with the Government of Afghanistan on the designation prior to submission to the Committee through the national contact point identified by the Government of Afghanistan as described in section 5 paragraph (d).
- (d) When considering the proposal of a new designation, Member States are also encouraged to seek advice from UNAMA, where appropriate, and may seek advice from the Monitoring Team as well.
- (e) Before a Member State proposes a name for inclusion on the 1988 Sanctions List, it is encouraged, to the extent possible, to approach the State(s) of residence and/or nationality of the individual or entity concerned to seek additional information.
- (f) States are advised to submit names as soon as they gather the supporting evidence for designations of individuals/entities associated with the Taliban in constituting a threat to the peace, stability and security of Afghanistan.
- (g) When submitting names of groups, undertakings and/or entities, States are encouraged, if they deem it appropriate, to propose for listing at the same time the names of the individuals responsible for the decisions of the group, undertaking and/or entity concerned.
- (h) When proposing names for inclusion on the 1988 Sanctions List, Member States should use the standard forms for listing available on the Committee's website, provide information on any consultations with the Government of Afghanistan and shall include as much relevant and specific information as possible on a proposed name, in particular sufficient identifying information to allow for the accurate and positive identification of the individual, group, undertaking or entity concerned by competent authorities, and to the extent possible, information required by INTERPOL to issue a Special Notice, including:

- For individuals: family name/surname, given names, other relevant names, date of birth, place of birth, nationality/citizenship, gender, aliases, employment/occupation, State(s) of residence, passport or travel document and national identification number, current and previous addresses, current status before law enforcement authorities (e.g. wanted, detained, convicted), location.

The Monitoring Team shall be prepared to assist Member States in this regard. It shall report to the Committee on further steps that could be taken to improve identifying information, as well as steps to ensure that INTERPOL-UN Special Notices exist for all listed individuals, groups, undertakings, and entities.

- (i) Member States shall provide a detailed statement of case in support of the proposed listing that forms the basis or justification for the listing in accordance with the relevant resolutions. The statement of case should provide as much detail as possible on the basis(es) for listing, including but not limited to: (1) specific information demonstrating that the individual/entity meets the criteria for listing set out in paragraphs 2 and 3 of resolution 2082 (2012); (2) details of any connection with a currently listed individual or entity; (3) information about any other relevant acts or activities of the individual/entity; (4) the nature of the supporting evidence (e.g. intelligence, law enforcement, judicial, open source information, admissions by subject, etc.); (5) additional information or documents supporting the submission as well as information about relevant court cases and proceedings. The statement of case shall be releasable, upon request, except for the parts the designating State identifies as being confidential to the Committee, and may be used to develop the narrative summary of reasons for listing described in section 10 below.
- (j) Member States proposing a new designation, as well as Member States that have prior to the adoption of resolution 1988 (2011) proposed names for inclusion in sections A (“individuals associated with the Taliban”) and section B (“entities and other groups and undertakings associated with the Taliban”) of the Consolidated List previously maintained by the Security Council Committee established pursuant to resolution 1267 (1999) concerning Al-Qaida and the Taliban and associated individuals and entities, should specify whether the Committee, or the Secretariat on its behalf, may make known, upon request from another Member State, their status as designating State(s).
- (k) Member States may co-sponsor a new designation as long as the listing request is within the Committee’s decision making period. These States will also be considered designating States and should also specify whether the Committee may make known, upon request from another Member State, their status as designating State(s).
- (l) The Committee will consider listing requests within a period of ten full working days, which may be shortened, if requested by a member State, at the Chair’s discretion, for emergency and time-sensitive listings. If a proposal for listing is not approved within the decision-making period, the Committee, or the Secretariat on its behalf, will notify the submitting State on the status of the request. The Secretariat shall inform the Committee

Members the same working day of holds or objections received before 5:30 p.m.. Holds or objections received after 5:30 p.m. shall be communicated to the Committee Members the following working day. If no objection is received by the end of the no-objection period, the decision will be deemed adopted. The Secretariat shall take all the necessary steps to update the 1988 Sanctions List the following day and inform the State(s) concerned about the Committee's decision.

- (m) Committee Members and the Monitoring Team are called upon to share with the Committee any information available regarding a listing request to help inform the Committee's decision and provide additional material for the narrative summary of reasons for listing.
- (n) Upon request of a Committee Member, listing requests may be placed on the Committee's agenda for more detailed consideration. If deemed necessary, the Committee may request additional background information from the Monitoring Team and/or the designating State(s). Following consideration by the Committee, the Chair shall circulate the listing request under the written decision-making procedure as described in section 4 paragraph (b) and section 7 paragraph (l).
- (o) Where appropriate, the Committee will decide to invite a representative of the Government of Afghanistan to appear before the Committee to discuss the merits of listing certain individuals groups, undertakings and entities, including when a listing request by the Government of Afghanistan had been put on hold or rejected by the Committee.
- (p) On the same day that a name is added to the 1988 Sanctions List, the Committee shall, with the assistance of the Monitoring Team and in coordination with the relevant designating State(s), make accessible on the Committee's website a narrative summary of reasons for listing for the corresponding entry or entries. In addition to the narrative summary, the Secretariat shall, promptly after a name is added to the 1988 Sanctions List, publish on the Committee's website all relevant publicly releasable information, where available.
- (q) In its communication informing Member States of new entries to the 1988 Sanctions List, the Secretariat shall include the narrative summary of reasons for listing.
- (r) Unless the Committee decides otherwise, the Secretariat shall request INTERPOL to issue, where feasible, an INTERPOL-United Nations Security Council Special Notice for each name added to the list.
- (s) As soon as a name is added to the 1988 Sanctions List, the Committee requests the Secretariat to communicate the decision in writing to the Government of Afghanistan, through the national contact point and the Permanent Mission of Afghanistan to the United Nations; and the Permanent Mission of the State(s) in which the individual or entity is believed to be located; and, in the case of individuals, the State(s) of which the person is believed to be a national (to the extent this information is known).
- (t) The Secretariat shall include with this communication a copy of the narrative summary of reasons for listing, a description of the effects of designation, as set forth in the relevant resolutions, the Committee's procedures for considering delisting requests, including the possibility of submitting delisting requests to the Focal Point mechanism established in resolution 1730 (2006), and the provisions for available exemptions.

- (u) The letter shall remind States receiving such notification of listings that they should take, in accordance with their domestic laws and practices, all possible measures to notify or inform in a timely manner the newly listed individuals and entities on the 1988 Sanctions List of the measures imposed on them, any information on reasons for listing available on the Committee's website as well as all the information provided by the Secretariat in the above-mentioned communication.
- (v) In addition, in its communication, the Secretariat shall invite States to provide in accordance with national law details on measures taken to implement the sanctions.

8. Delisting

- (a) The Committee will decide on requests to delist an individual, group, undertaking or entity in accordance with the criteria set out in paragraph 20 of resolution 2082 (2012) and in accordance with the principles set out in paragraph 22 of the same resolution, where relevant.
- (b) Member States may at any time submit to the Committee requests for delisting of individuals, groups, undertakings, and/or entities inscribed on the 1988 Sanctions List.
- (c) Member States are strongly urged to consult with the Government of Afghanistan on their delisting request prior to submission to the Committee through the Government of Afghanistan's national contact point as described in section 5 paragraph (d).
- (d) Member States are encouraged to bilaterally consult with the designating State(s), the State(s) of nationality, residence or incorporation, where applicable.
- (e) A petitioner (individual, group, undertaking, and/or entity on the 1988 Sanctions List) can submit a request for delisting either directly to the Focal Point as outlined in paragraph (n) below or through his/her State of residence or nationality as outlined in paragraph (b) above.
- (f) A State can decide that as a rule, its nationals or residents should address their delisting requests directly to the Focal Point. The State will do so by a declaration addressed to the Chair that will be published on the Committee's website.
- (g) When submitting a delisting request, the standard form for delisting, available on the Committee's website, should be used.
- (h) The delisting request should describe any coordination efforts with the Government of Afghanistan regarding the delisting request, and should explain why the individual, group, undertaking or entity concerned no longer meets the criteria described in paragraphs 2 and 3 of resolution 2082 (2012). Any documentation supporting the request can be referred to and/or attached together with the explanation of its relevance, where appropriate. The information supporting the delisting request should be provided when the request is submitted.
- (i) Delisting requests concerning reconciled individuals should, if possible, include a communication from the High Peace Council through the Government of Afghanistan confirming the reconciled status of the individual according to the reconciliation guidelines

in line with paragraph 20 of resolution 2082 (2012), or, in the case of individuals reconciled under the Strengthening Peace Program, documentation attesting to their reconciliation under the previous program; as well as current address and contact information.

- (j) Delisting requests concerning individuals who formerly held positions in the Taliban regime prior to 2002 who no longer meet the listing criteria outlined in paragraphs 2 and 3 resolution 2082 (2012) should, if possible, include a communication from the Government of Afghanistan confirming that the individual is not an active supporter of, or participant in, acts that threaten the peace, stability and security of Afghanistan, as well as current address and contact information.
- (k) For a deceased individual, the delisting request should be submitted either directly to the Committee by a State, or to the Focal Point by the deceased individual's legal beneficiary, together with official documentation certifying death. The delisting request shall include an official statement of death from the state of nationality, residence, or other relevant state. The official statement of death should include, to the extent possible, the full name, permanent reference number, date of birth, and the date and place of death of the individual, as well as any further information about the circumstances of the death. The submitting State or the petitioner should also ascertain and inform the Committee whether or not any legal beneficiary of the deceased's estate or any joint owner of his/her assets is on the 1988 Sanctions List, and to the extent possible, inform the Committee about the names of any individuals or entities who would be in a position to receive any unfrozen assets of a deceased individual or defunct entity. In cases where individuals have no frozen assets, the Committee will accept as sufficient for delisting an official communication from the State(s) of nationality and residence declaring the financial status of the individuals in question, without prejudice to the final decision of the Committee.
- (l) The Chair, with the support of the Secretariat, shall facilitate contacts between the State requesting the delisting and the designating State(s), as well as the State(s) of nationality, residence or incorporation, where applicable. The Chair shall circulate the request, including, as appropriate, additional information provided by the Monitoring Team, under the written procedure as described in section 4 paragraph (b) above and section 8 paragraphs (o) and (p) below. Upon request of a Member of the Committee, the delisting request shall be placed on the Committee's agenda for more detailed consideration. If deemed necessary, the Committee may request additional background information from the Monitoring Team and/or the State(s) concerned and may invite these States to submit their views within a period of one month. Following consideration by the Committee, the Chair shall circulate the delisting request under the written procedure as described in section 4 paragraph (b) above and section 8 paragraphs (o) and (p) below.
- (m) Where appropriate, the Committee will decide to invite a representative of the Government of Afghanistan to appear before the Committee to discuss the merits of de-listing certain individuals groups, undertakings and entities, including when a delisting request by the Government of Afghanistan had been put on hold or rejected by the Committee.
- (n) If a petitioner chooses to submit a petition to the Focal Point, the Focal Point will perform the following tasks:
 - i. Receive delisting requests from a petitioner (individual, group, undertaking and/or entity on the 1988 Sanctions List);

- ii. Verify if the request is new or is a repeated request;
- iii. If it is a repeated request and if it does not contain any additional information, return it to the petitioner;
- iv. Acknowledge receipt of the request to the petitioner and inform the petitioner on the general procedure for processing that request;
- v. Forward the request, for their information and possible comments to the designating State(s) and to the State(s) of nationality and residence. These States are urged to review delisting petitions in a timely manner and indicate whether they support or oppose the request in order to facilitate the Committee's review. The State(s) of nationality and residence are encouraged to consult with the designating State(s) before recommending delisting. To this end, they may approach the Focal Point, which, if the designating State(s) so agree(s), will put them in contact with the designating State(s);
- vi.
 - a. If, after these consultations, any of these States recommend delisting, that State will forward its recommendation, either through the Focal Point or directly to the Chair, accompanied by that State's explanation. The Chair will then place the delisting request on the Committee's agenda;
 - b. If any of the States which were consulted on the delisting request under subparagraph v. above oppose the request, the Focal Point will so inform the Committee and provide copies of the delisting request. Any member of the Committee, which possesses information in support of the delisting request, is encouraged to share such information with the States that reviewed the delisting request under subparagraph v. above;
 - c. If, after a reasonable time (three months), none of the States which reviewed the delisting request under subparagraph v. above comment, or indicate that they are working on the delisting request to the Committee and require an additional definite period of time, the Focal Point will so notify all members of the Committee and provide copies of the delisting request. Any member of the Committee may, after consultation with the designating State(s), recommend delisting by forwarding the request to the Chair, accompanied by an explanation. (Only one member of the Committee needs to recommend delisting in order to place the issue on the Committee's agenda.) If after one month, no Committee member recommends delisting, then it shall be deemed rejected and the Chair shall inform the Focal Point accordingly;
- vii. The Focal Point shall convey all communications, which it receives from Member States, to the Committee for its information;
- viii. Inform the petitioner of the decision of the Committee to grant the delisting petition; or that the process of consideration of the delisting request within the Committee has been completed and that the petitioner remains on the 1988 Sanctions List of the Committee.

- (o) When considering delisting requests, the Committee shall give due consideration to the opinions of designating State(s), State(s) of residence, nationality or incorporation.
- (p) When considering delisting requests, the Committee shall give due regard to requests for removal of individuals that meet the reconciliation conditions agreed to by the Government of Afghanistan and the international community, which include the renunciation of violence, no links to international terrorist organizations, including Al-Qaida, or any cell, affiliate, splinter group, or derivative thereof, and respect for the Afghan Constitution, including the rights of women and persons belonging to minorities.
- (q) The Committee shall decide delisting requests within a period of ten full working days, which may be shortened as appropriate, if requested by a member State and in exceptional circumstances, at the Chair's discretion, for emergency and time-sensitive delistings after previously informing the Members of the Committee. The Secretariat shall inform the Committee Members the same working day of holds or objections received before 5:30 p.m.. Holds or objections received after 5:30 p.m. shall be communicated to the Committee Members the following working day. If no objection is received by the end of the no-objection period, the decision will be deemed adopted. The Secretariat shall take all the necessary steps to update the 1988 Sanctions List the following day and inform the State(s) concerned about the Committee's decision.
- (r) Committee Members are called on to provide reasons for objecting to delisting requests. The Chair shall request Committee members that have objected to delisting requests to provide their reasons for objecting to such requests. If the Committee decides to reject a delisting request, the Committee shall convey to the petitioner, through the Focal Point or the State(s) concerned, its decision following the respective procedures outlined in section 8 paragraph (v) below.
- (s) The Chair will inform the Government of Afghanistan immediately after the Committee has made a decision to remove a name from the 1988 Sanctions List. As soon as the Committee has made a decision to remove a name from the 1988 Sanctions List, the Secretariat shall communicate the decision in writing to: the Government of Afghanistan through the national contact point and the Permanent Mission of Afghanistan to the United Nations; the Permanent Mission of the State(s) in which the individual or entity is believed to be located; and, in the case of individuals, the State(s) of which the person is believed to be a national (to the extent this information is known).
- (t) The written communication shall remind States receiving notification of delistings that they are required pursuant to resolution 2082 (2012) paragraph 27 to take measures, in accordance with their domestic laws and practices, to notify or inform the concerned individual or entity of the delisting in a timely manner.
- (u) The Secretariat will also concurrently request INTERPOL to cancel the INTERPOL-UNSC Special Notice for the relevant name and to provide confirmation when the Special Notice has been cancelled.
- (v) If a delisting request submitted by a Member State is rejected, the Secretariat shall communicate this information in writing to the Government of Afghanistan through the national contact point and the Permanent Mission of Afghanistan to the United Nations; the Permanent Mission of the State submitting the request; and the Permanent Mission of the State(s) where the individual or entity is believed to be located; and, in the case of

individuals, the State(s) of which the person is believed to be a national (to the extent this information is known). The Chair shall request Committee members that have objected to the request to provide their reasons for objecting to the delisting request.

- (w) The communication shall include the Committee's decision to retain the listing and, where available, an updated narrative summary of reasons for listing, any other publicly releasable information about the Committee's decision, as well as other relevant information described in section 7 paragraph (s) above.
- (x) The communication shall remind States receiving such notification of continued listing that they should take measures, in accordance with their domestic laws and practices, to notify or inform the concerned individual or entity in a timely manner of the continued listing and to provide copies of all the information conveyed by the Secretariat in the above-mentioned communication.
- (y) All Member States are requested to inform the Committee if they become aware of any information indicating that an individual, group, undertaking or entity that has been delisted should be considered for designation under paragraph 1 of resolution 2082 (2012).
- (z) The Government of Afghanistan is requested to provide to the Committee an annual report of the status of reportedly reconciled individuals who have been delisted by the Committee in the previous calendar year.
- (aa) The Committee will consider expeditiously any information indicating that a delisted individual or entity has returned to activities set forth in paragraph 2 of resolution 2082 (2012), including by engaging in acts inconsistent with the reconciliation conditions outlined in paragraph 20 of resolution 2082 (2012).
- (bb) The Government of Afghanistan or other Member States are requested, where appropriate, to submit a request to add that individual's name back on the 1988 Sanctions List.

9. Updating the Existing Information on the 1988 Sanctions List

- (a) The Committee shall consider expeditiously, in accordance with the following procedures, any information supplied by Member States, regional or international organizations, UNAMA, or the Monitoring Team, in particular additional identifying information and other information, along with supporting documentation, including updates on the operating status of listed individuals, groups, entities and undertakings, the movement, incarceration or death of listed individuals and other significant events as well as any relevant court decisions and proceedings, as such information becomes available, and shall decide which information would improve the existing information on the 1988 Sanctions List.
- (b) The Committee will consider any additional information on listed individuals or entities submitted to it by Member States, regional or international organizations, UNAMA, or the Monitoring Team. The Committee or the Monitoring Team, at the Committee's request, may approach the original designating State(s) and consult with it on the relevance of the submitted additional information. The Committee may also encourage Member States or regional or international organizations providing such additional information to consult with the original designating State(s). The Secretariat will, subject to the designating State's consent, assist in establishing the appropriate contacts.

- (c) The Monitoring Team will, as appropriate, review any and all information received by the Committee in order to clarify or confirm such information. In this connection, the Monitoring Team will use all sources available to it, including other sources than those provided by the original designating State(s).
- (d) The Monitoring Team will subsequently advise the Committee, within four weeks, if such information could be included in the 1988 Sanctions List, or if further clarification is recommended in order to ascertain that the information received can be incorporated in the 1988 Sanctions List. The Committee shall decide whether and how such clarification should be obtained and may again call upon the expertise of the Monitoring Team.
- (e) The Monitoring Team may also submit to the Committee any information on listed individuals and entities it has obtained from publicly available official sources, or with the help of United Nations agencies, such as UNAMA, with their agreement. In such cases, the Monitoring Team shall identify the source of each piece of new information when presenting it for the Committee's consideration.
- (f) Upon the decision of the Committee to incorporate additional information into the 1988 Sanctions List, the Committee will inform the Member State or regional or international organization that submitted the additional information accordingly.
- (g) Any additional relevant information submitted to the Committee that is not incorporated into the 1988 Sanctions List or the narrative summary of reasons for listing will be stored by the Monitoring Team in a database for the use of the Committee and the Monitoring Team in carrying out their respective mandates. Upon request, the Committee shall share any such additional information with Member States whose nationals, residents or entities have been included on the 1988 Sanctions List provided that the information is publicly releasable or the provider of the information has agreed to its release. The Committee may also call on the Monitoring Team to assist in conveying such additional relevant information to the requesting State(s). On a case-by-case basis the Committee may decide to release the information to other parties, with the prior consent of the provider of the information.

10. Narrative Summaries of Reasons for Listing

- (a) For all entries on the 1988 Sanctions List, the Committee, with the assistance of the Monitoring Team and in coordination with the relevant designating State(s), shall continue to make accessible on its website narrative summaries of reasons for listing.
- (b) When a new name is proposed for listing, the Monitoring Team shall immediately prepare, in coordination with the relevant designating State(s), a draft narrative summary for the Committee's consideration which shall be circulated together with the corresponding listing request. The narrative summary shall be made accessible on the Committee's website on the same day a name is added to the 1988 Sanctions List.
- (c) Draft narrative summaries should be based on information provided by the designating State(s), Committee members or the Monitoring Team, including the statement of case, the standard form for listing, any other official information provided to the Committee or any other relevant information publicly available from official sources.
