29 November 2018

Dear Mr. Linton,

On behalf of the Security Council Committee established pursuant to resolution 1718 (2006), I have the honour to refer to the letter dated 17 September 2018 from the Counsel to the Eugene Bell Foundation (EBF), by which EBF re-submitted its request for an exemption, originally dated 19 February 2018, to engage in humanitarian activities in the Democratic People's Republic of Korea (DPRK), pursuant to paragraph 25 of resolution 2397 (2017), to authorize the purchase and shipment of medicine and related equipment required for its multi-drug resistant tuberculosis treatment program in the DPRK, in response to my letter dated 23 August 2018 requesting EBF to re-submit its exemption request in accordance with the guidelines provided in Implementation Assistance Notice No. 7: "Guidelines for Obtaining Exemptions to Deliver Humanitarian Assistance to the Democratic People's Republic of Korea".

I have the further honour to inform you that, following due consideration, the Committee has decided to partially approve the requested exemption in the abovementioned letter, in accordance with paragraph 25 of Security Council resolution 2397 (2017), to transfer within the next six months, a revised list of items and services which is enclosed in this letter as an attachment. The items are requested to be shipped once together or in a consolidated manner, with a view to increasing efficiency of shipping and custom clearance.

The Committee reiterates that the sanctions measures imposed by the Security Council through its resolutions with respect to the DPRK are not intended to bear a negative impact on the people of the DPRK, and the note verbale it issued to all Member States, as well as its press release SC/13113 of 8 December 2017, offer clarifications as regards humanitarian aid to the DPRK. The note verbale further recalls that each Member State must fully implement relevant Security Council measures, while keeping in mind the need to clarify to public and private sector entities in their jurisdiction that, while properly implementing United Nations sanctions, humanitarian activities should not be unduly restricted.

The Committee further supports and approves EBF engaging in necessary business and financial transactions only for the purchase of goods and services exempted by the Committee and found in the attachment without prejudice to the relevant commercial decisions.

Mr. Stephen W. Linton  
Chairman  
Eugene Bell Foundation (EBF)

At the same time, the Committee requests relevant organizations delivering humanitarian assistance to the DPRK to adhere to the exemption time limit approved by the Committee and fully respect and abide by relevant national laws, regulations, and licensing requirements governing financial and commercial transactions, and shipping and custom clearance conducted in the jurisdictions of affected Member States.

I wish to inform you that this letter and its annex will be published on the 1718 Committee website for the public, including relevant national authorities involved in reviewing the exempted transfers to the DPRK, for a period of six months.

The Committee would like to thank EBF for its diligence.

Yours sincerely,

*(Signed)*

Karel J.G. van Oosterom  
Chair  
Security Council Committee established  
pursuant to resolution 1718 (2006)
