Au nom du Comité du Conseil de sécurité créé par la résolution 1718 (2006), j'ai l'honneur de me référer à votre lettre datée du 17 juillet 2019, dans laquelle vous avez informé le Comité, comme le prévoit la Notice d'aide à l'application n° 7, d'un changement à apporter à la liste visée par la dérogation accordée le 21 janvier 2019 à l'UNICEF conformément au paragraphe 25 de la résolution 2397 (2017) afin de permettre à l'UNICEF de mener des activités humanitaires en République populaire démocratique de Corée, le changement concernant en particulier la partie devant intervenir dans la transaction relative à l'achat de neuf ambulances en raison des difficultés rencontrées lors de la première procédure d'achat.

Je vous informe qu'après avoir dûment examiné les renseignements fournis, le Comité a décidé d'approuver le changement de fournisseur et d'accorder à l'UNICEF un délai supplémentaire, jusqu'au 5 février 2020, pour mener à terme l'achat et l'expédition de neuf ambulances (voir pièce jointe pour les détails), conformément au paragraphe 25 de la résolution 2397 (2017).

Le Comité tient à remercier l'UNICEF de sa diligence.

Le 21 janvier 2019

Cher Monsieur,

Au nom du Comité du Conseil de sécurité créé par la résolution 1718 (2006), j'ai l'honneur de me référer à vos lettres datées du 27 août 2018 et du 30 novembre 2018, dans lesquelles vous avez demandé au Comité, conformément au paragraphe 8 de la résolution 2270 (2016) et au paragraphe 25 de la résolution 2397 (2017), d'accorder à l'UNICEF une dérogation pour lui permettre d'exercer des activités humanitaires en République populaire démocratique de Corée, plus précisément d'envoyer dans le pays des articles indispensables à l'exécution de ses programmes, notamment les programmes de vaccination et de lutte contre la tuberculose et le paludisme. Vous avez également indiqué dans vos lettres que ces activités et objectifs étaient conformes aux résolutions du Conseil.

Je vous informe qu'après avoir dûment examiné votre demande, le Comité a décidé, conformément au paragraphe 25 de la résolution 2397 (2017) du Conseil, d'autoriser l'envoi, dans un délai de six mois, des derniers articles figurant sur la liste jointe à votre demande dans la lettre susmentionnée. La liste révisée des biens et services est jointe à la présente lettre. Les articles devront être expédiés en un seul chargement ou par envoi groupé, afin de simplifier autant que possible leur transport et leur dédouanement.

Le Comité rappelle que les sanctions imposées à la République populaire démocratique de Corée par le Conseil dans ses résolutions n'ont pas pour objet de porter préjudice à la population civile. On trouve dans la note verbale que le Comité a adressée à tous les États Membres et dans son communiqué de presse SC/13113 daté du 8 décembre 2017 des précisions concernant l'aide humanitaire en République populaire démocratique de Corée. Il est également rappelé dans la note verbale que les États Membres doivent appliquer pleinement les mesures imposées par le Conseil, tout en rappelant aux entités publiques et privées relevant de leur juridiction que l'application des sanctions ne doit pas entraver l'aide humanitaire.

Le Comité autorise et encourage l'UNICEF à mener les opérations commerciales et financières strictement nécessaires à l'achat des biens et services faisant l'objet de la dérogation et figurant en pièce jointe, sans préjudice des décisions qui seront prises à cet égard.

Monsieur Omar Abdi
Directeur général adjoint
chargé des programmes
UNICEF

Le Comité demande également aux organisations qui fournissent une aide humanitaire en République populaire démocratique de Corée de respecter la durée de la dérogation qui leur est accordée et de se conformer pleinement aux lois, règlementations et autorisations nationales qui régissent les opérations financières et commerciales, le transport de marchandises et les activités de dédouanement sur le territoire des États Membres concernés.

Je vous informe que cette lettre et son annexe seront publiées sur le site du Comité 1718 et mises à disposition du public, notamment des autorités nationales qui participent au contrôle des transferts vers la République populaire démocratique de Corée faisant l'objet d'une dérogation, et ce, pour une durée de six mois.

Le Comité tient à remercier l'UNICEF pour sa diligence.

Cordialement,

Le Président du Comité du Conseil de sécurité
créé par la résolution 1718 (2006)
