INTRODUCTION

The Economic and Social Council, under the authority of the General Assembly, is the United Nations organ which coordinates the economic and social work of the United Nations and its system of organizations. The Council has 54 members and generally holds the following sessions each year: a short organizational session in New York in January, the first regular session in New York in May, the second regular session in Geneva in July. Throughout the year there are meetings of the Council's committees, commissions and other subsidiary bodies.

The *Index to Proceedings of the Economic and Social Council* is an annual bibliographic guide to the proceedings and documentation of the Economic and Social Council. This issue covers the year 1991, which includes the documentation of the organizational, first regular and second regular sessions and of the sessional or ad hoc committees or other bodies that met during these sessions. The *Index* is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

The *Index* consists of three sections.

The first section contains information relating to organizational matters:

Sessional information, listing member States and their terms of office as well as the officers of the Council and providing information on rules of procedure and resolutions and decisions;

Subsidiary bodies and organs and programmes related to the Economic and Social Council to which members were elected or appointed during the 1991 sessions of the Council, listing the members and terms of office.

The second section consists of three parts, one for each session which met during the year. Each part is subdivided as follows:

Check-list of meetings, listing the meetings of the Economic and Social Council and its sessional committees;

Agenda, listing matters considered by and brought before the Council and the subject headings under which these items appear in the Subject index;

Subject index, providing topical access to Economic and Social Council documentation arranged alphabetically by subject and listing documents considered under each item, meetings at which the items were considered and the action taken by the Council;

Index to speeches, providing access to speeches that were made before the Council. The Index is divided into three sections: corporate names/countries, speakers and subjects.

The third section contains consolidated information relating to resolutions, documents and reports:

List of resolutions, listing resolutions adopted by the Council and indicating for each session the resolution number, the subject and the meeting and date when the resolution was adopted;

List of documents, listing documents issued for the year 1991 and providing information on the republication of provisional documents in printed *Official Records*;

Reports of the sessional committees, listing, by subject, the reports on the items discussed in the committees.

SERIES SYMBOLS

In 1978 certain modifications were introduced in the citation and series symbols of the documents of the Economic and Social Council and its sessional committees. They are as follows:

(a) The sessions of the Council are formally identified as the organizational, first regular and second regular sessions of a particular calendar year, as prescribed in rule 1 of the rules of procedure of the Council;

(b) Special sessions, including subject-oriented sessions, are numbered consecutively within each year, and are identified as the first special session (year), second special session (year), etc;

(c) The sessional committees of the Council are designated as First Committee (formerly Economic Committee), Second Committee (formerly Social Committee) and Third Committee (formerly Policy and Programme Coordination Committee);

(d) Ad hoc sessional committees may be established as required and are described as ad hoc sessional committees on particular subjects;

(e) Resolutions and decisions are numbered on a yearly basis. Resolutions begin each year with 1, decisions start with 100. They are identified as resolution 1991/1, decision 1991/101, etc.;

(f) *Supplements* to the *Official Records* are numbered consecutively, with Supplements No. 1 and 1A containing the resolutions and decisions adopted during the year.

Symbols of documents of the Council and its sessional and ad hoc committees or other bodies consist of combinations as appropriate, of the following elements:

(a) The parent body (i.e. the Economic and Social Council): E/- ;

(b) The year of consideration;

(c) Sessional and ad hoc committees or other bodies: C.1, C.2, AC.1, AC.2, WG.1, WG.2, etc.

DOCUMENTATION OF THE ECONOMIC AND SOCIAL COUNCIL

Summary records of plenary meetings of the Economic and Social Council are first issued in provisional form for limited distribution. They are later combined in corrected form in a single printed volume of *Official Records* for the year.

In accordance with decision 1989/174, the Council decided, for a period of two years, to discontinue the issuing of summary records for its sessional committees: First (Economic) Committee, Second (Social) Committee and Third (Programme and Coordination) Committee. Meeting records are, however, provided for the Committee on Economic, Social and Cultural Rights (E/C.12/1990/SR.27-50). These summary records are issued for general distribution, with any corrections consolidated in a single corrigendum.

All summary records may be identified by their symbol, which consists of the series symbol followed by SR. and then a number which corresponds to the number of the meeting. The 5th plenary meeting, for example, is cited as E/1991/SR.5 while the records of the 50th meeting of the Committee on Economic, Social and Cultural Rights is cited as E/C.12/1990/SR.50.

Some documents may later be printed as *Supplements* to the *Official Records* (and are so indicated in this index); others are issued only in provisional form.

Discussion in plenary

E/1991/SR.32 (26 July 1991).

At the 32nd meeting, draft
resolution I in E/1991/133 (originally
E/1991/C.3/L.6) was adopted without
vote: resolution 1991/66.

Resolutions

[E/RES/]1991/66 (E/1991/INF/10)

Prevention and control of acquired
immunodeficiency syndrome (AIDS).

Urges Governments to intensify their
commitment and efforts for the
prevention and control of AIDS within
their countries, including mechanisms
for multisectoral responses and
concomitant plans; urges Governments
and intergovernmental and
non-governmental organizations to
intensify their efforts to mobilize
the human, financial and moral
resources required to address the
multiple effects of the AIDS pandemic;
calls upon organizations of the UN
system, Governments and
intergovernmental and non-governmental
organizations to coordinate their
efforts with WHO in implementing the
global strategy for the prevention and
control of AIDS; requests the
Secretary-General, in view of the
adverse impact of HIV infection and
AIDS on the health and social
well-being of men, women, children and
families, to intensify his efforts to
mobilize moral, technical and
financial resources and to increase
and sustain national multisectoral
efforts for AIDS prevention and
control; requests the
Secretary-General, in the light of the
growing evidence that the AIDS
pandemic's demographic, health,
social, economic and political
consequences will have a very
substantial impact on all sectors of
society and countries, to assess the
adequacy of existing and projected
programmes of work responding to the
pandemic for the purpose of developing
relevant activities to support
national programmes for the prevention
and control of the pandemic (adopted
without vote, 32nd meeting, 26 July
1991).
