FORTY-FOURTH SESSION 1989/1990

PART I

This page intentionally left blank

INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations and may discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets each year in regular session and holds special and emergency sessions as the need arises.

The Index to Proceedings of the General Assembly is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the forty-fourth session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

This issue of the Index includes documents received through 30 June 1990. All other documents relating to the session will be included in the next issue of the Index to Proceedings of the General Assembly.

ARRANGEMENT OF THE INDEX

Part I consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

Principal organs and subsidiary bodies to which members were elected or appointed during the forty-fourth session of the General Assembly, listing members and their term of office;

Agenda, listing items considered by and brought before the General Assembly together with the agenda item headings under which they appear in the Subject Index;

Subject Index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed Supplements to Official Records;

Reports of the Main and procedural committees, providing a listing by subject of the reports on the items discussed in the committees;

Resolutions adopted during the forty-fourth session, indicating the number and title of each resolution, the meeting number and date of the vote, the agenda item number, and the vote where appropriate;

Voting chart of resolutions adopted by recorded or roll-call vote, indicating the vote of each Member State.

Part II (Index to speeches) is subdivided into three sections: corporate names/countries, speakers and subjects.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/44/62 is the sixty-second in the series of main documents of the forty-fourth session; A/INF/44/3 is the third in the Information series; A/C.5/44/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's forty-fourth session, the symbols A/44/1 to A/44/49 are the Supplements to the Official Records of the General Assembly for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the forty-fourth session of the General Assembly bears the symbol A/44/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/44/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings are issued initially in provisional form for limited distribution and later for general distribution in corrected printed form as Official Records.

The verbatim records of First Committee and the summary records of the other Main Committees of the General Assembly are issued in only one form (as Official Records of the General Assembly), and cover all discussions, whether substantive or procedural. Corrections to these meeting records are included in one Sessional Fascicle for each of the Main Committees, covering all meetings.

Of the other documents, a few appear as printed Supplements to the Official Records (this is noted in the index). Some of the remaining documents, such as the reports of committees on various agenda items, are subsequently printed in Annexes to the Official Records.

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed Supplement to the Official Records of each session. After their republication in the Official Records, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the Supplements to the Official Records of the Security Council.

CHEMICAL WEAPONS (AGENDA ITEM 62) (cont.)

A/RES/44/115[A] Chemical and bacteriological (biological) weapons.

Urges the Conference on Disarmament to intensify, during its 1990 session, the negotiations on a convention on the prohibition of the development, production, stockpiling and use of chemical weapons and on their destruction, and to re-establish its Ad Hoc Committee on Chemical Weapons for that purpose with the mandate to be agreed upon by the Conference at the beginning of its 1990 session; requests the Conference on Disarmament to use the political momentum generated by the Conference of States Parties to the 1925 Geneva Protocol and other Interested States and the recognition by that Conference that a global ban on chemical weapons is of universal concern and interest, to achieve the conclusion at the earliest possible date of such a convention (adopted without vote, 81st meeting, 15 Dec. 1989).

A/RES/44/115[B] Chemical and bacteriological (biological) weapons: measures to uphold the authority of the 1925 Geneva Protocol and to support the Conclusion of a chemical weapons convention.

Calls upon all States to accede to the 1925 Geneva Protocol; urges the Conference on Disarmament to pursue as a matter of continuing urgency its negotiations on a convention on the prohibition of the development, production, stockpiling and use of all chemical weapons and on their destruction; requests the Secretary-General to carry out promptly investigations in response to reports that may be brought to his attention by any Member State concerning the possible use of chemical and bacteriological (biological) or toxin weapons that may constitute a violation of the 1925 Geneva Protocol; urges all States to exercise restraint and to act responsibly in accordance with the need for the early conclusion and entry into force of a convention on the prohibition of the development, production, stockpiling and use of all chemical weapons and on their destruction (adopted without vote, 81st meeting, 15 Dec. 1989).

A/RES/44/115[C] Chemical and bacteriological (biological) weapons: implementation of the recommendations of the 2nd Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and their Destruction.

Notes with appreciation that, in accordance with the Final Declaration of the 2nd Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and their Destruction, an Ad Hoc Meeting of Scientific and Technical Experts from States parties to the Convention was held at Geneva from 31 Mar. to 15 Apr. 1987, which adopted by consensus a report finalizing the modalities for the exchange of information and data agreed to in the Final Declaration, thus enabling States parties to follow a standardized procedure; calls upon States parties to the Convention to provide such information and data to the Secretary-General on an annual basis and not later than 15 Apr.; notes that the 2nd Review Conference decided, in its Final Declaration, that a 3rd Review Conference should be held at Geneva at the request of a majority of States parties not later than 1991 (adopted without vote, 81st meeting, 15 Dec. 1989).

Resolutions

- A/RES/44/146 Enhancing the effectiveness of the principle of periodic and genuine elections.
Declares that determining the will of the people requires an electoral process that provides an equal opportunity for all citizens to become candidates and put forward their political views, individually and in co-operation with others within the constitution and national legislation; reaffirms that apartheid must be abolished, that the systematic denial or abridgement of the right to vote on the grounds of race or colour is a gross violation of human rights and an affront to the conscience and dignity of mankind, and that the right to participate in a political system based on common and equal citizenship and universal franchise is essential for the exercise of the principle of periodic and genuine elections; rejects the tricameral parliament established under the system of apartheid as an abhorrent expression of a fundamentally oppressive and flagrantly inhuman political system; calls upon the Commission on Human Rights, at its 46th session, to continue its consideration of appropriate ways and means of enhancing the effectiveness of the principle of periodic and genuine elections, in the context of full respect for the sovereignty of Member States, and to report to the General Assembly at its 45th session, through the Economic and Social Council (adopted without vote, 82nd meeting, 15 Dec. 1989).

ELECTIONS (AGENDA ITEM 114) (cont.)

A/RES/44/147 Respect for the principles of national sovereignty and non-interference in the internal affairs of States in their electoral processes.

Reiterates that all peoples have the right, freely and without external interference, to determine their political status and to pursue their economic, social and cultural development, and that every State has the duty to respect that right in accordance with the provisions of the Charter; appeals to all States to abstain from financing or providing, directly or indirectly, any other form of overt or covert support for political parties or groups and from taking actions to undermine the electoral processes in any country; condemns any act of armed aggression or threat or use of force against peoples, their elected Governments or their legitimate leaders; declares that only the total eradication of apartheid and the establishment of a non-racial, democratic society based on majority rule, through the full and free exercise of adult suffrage by all the people in a united and non-fragmented South Africa, can lead to a just and lasting solution to the explosive situation in South Africa; calls upon the Commission on Human Rights, at its 46th session, to give priority to the review of the fundamental factors that negatively affect the observance of the principle of national sovereignty and non-interference in the internal affairs of States in their electoral processes, and to report to the General Assembly at its 45th session, through the Economic and Social Council (adopted 113-23-11, 82nd meeting, 15 Dec. 1989).

Reaffirms the role of UNCTAD as set out in resolutions of the General Assembly and UNCTAD and in the Final Act of the 7th session of the Conference; invites the Member States of UNCTAD to enhance their political support for that organization and to make it a more effective and responsive instrument of international co-operation for trade, growth and development, particularly of developing countries (adopted without vote, 54th meeting, 14 Nov. 1989).

INTERNATIONAL TRADE (AGENDA ITEM 82B) (cont.)

A/RES/44/214 Specific action related to the particular needs and problems of land-locked developing countries.

Agrees that measures to deal with the transit problems of land-locked developing countries require effective co-operation and collaboration between those countries and the neighbouring transit States; urges the international community, in particular donor countries and multilateral financial and development organizations, to provide land-locked and transit developing countries with appropriate financial and technical assistance in the form of grants or concessional loans for the construction, maintenance and improvement of their transport, storage and transit infrastructures and facilities, including alternative routes; invites land-locked and transit developing countries to promote bilateral, subregional and regional arrangements, as appropriate and in their mutual interest, designed to facilitate transit traffic; urges the international development bodies, in particular UNDP, UNCTAD and the regional commissions, to expand further their support to the land-locked developing countries, including technical assistance programmes in the transport and communications sectors of those countries (adopted 144-0-5, 85th meeting, 22 Dec. 1989).

A/RES/44/215 Economic measures as a means of political and economic coercion against developing countries.

Calls upon the international community to adopt urgent and effective measures in order to eliminate the use of coercive measures against developing countries, which have been increasing and have taken new forms; reaffirms that developed countries should refrain from threatening or applying trade and financial restrictions, blockades, embargoes and other economic sanctions, incompatible with the provisions of the Charter of the UN and in violation of undertakings contracted multilaterally and bilaterally, against developing countries as a form of political and economic coercion that affects their political, economic and social development; requests the Secretary-General to designate an identifiable unit within the Office of the Director-General for Development and International Economic Co-operation to collect pertinent information on economic measures taken by developed countries as a means of coercion against developing countries (adopted 118-23-2, 85th meeting, 22 Dec. 1989).

A/RES/44/216 International code of conduct on the transfer of technology.

Invites the Secretary-General of UNCTAD to submit to the General Assembly at its 45th session a complete report, based on the outcome of consultations, so as to enable the Assembly to take appropriate action on the negotiations on the draft code of conduct (adopted without vote, 85th meeting, 22 Dec. 1989).

A/RES/44/217 Trade embargo against Nicaragua.

Deplores the continuation of the trade embargo contrary to its resolutions 40/188, 41/164, 42/176 and 43/185 and to the Judgment of the ICJ of 27 June 1986, and once again requests that those measures be immediately revoked (adopted 82-2-47, 85th meeting, 22 Dec. 1989).

A/RES/44/218 Commodities.

Notes with concern that a further decline in commodity prices and commodity export earnings, as well as the long-term deterioration in the terms of trade of developing countries, in particular the least developed and the commodity-dependent among them, would hinder any prospect of sustained growth and development for those countries; expresses its conviction that more stable market conditions for commodities would be conducive to the social and economic development of developing countries and could, inter alia, contribute to the international campaign against illicit production of, trafficking in and abuse of narcotic drugs; recognizes the need for a better functioning of commodity markets as well as the desirability of achieving stable and more predictable conditions in commodity trade and of avoiding excessive fluctuations of prices, and urges co-operation between producers and consumers; urges all parties involved to meet agreed commitments and work for a balanced approach to the multilateral trade negotiations within the Uruguay Round of multilateral trade negotiations; calls upon those countries which have ratified the Agreement Establishing the Common Fund for Commodities to contribute to making both accounts of the Common Fund fully operational as soon as possible; invites all countries, particularly major exporters and consumers of commodities that have not yet ratified the Agreement, to do so as soon as possible (adopted 146-0-2, 85th meeting, 22 Dec. 1989).

INTERNATIONAL TRADE (AGENDA ITEM 82B) (cont.)

A/RES/44/219 Report of the Trade and Development Board.

Welcomes the significant contribution made by UNCTAD to the search for durable solutions to the problem of external indebtedness of developing countries, and also welcomes Board resolution 375 (XXXVI) of 13 Oct. 1989 on debt and development problems of developing countries; welcomes Board decision 367 (XXXV) of 17 Mar. 1989 on protectionism and structural adjustment, and urges the Governments concerned to fulfil their commitments to halt and reverse protectionism; also Board decision 368 (XXXV) of 17 Mar. 1989 on trade relations among countries having different economic and social systems and all trade flows resulting therefrom and invites the Board to develop a programme for further promotion of trade and economic co-operation among those countries; notes that the Agreement Establishing the Common Fund for Commodities has entered into force and that the Common Fund has started operations, welcomes the decisions taken by the Governing Council of the Common Fund at its 1st annual meeting and invites States members of the Common Fund to provide full support for its operations (adopted without vote, 85th meeting, 22 Dec. 1989).

A/RES/44/220 2nd UN Conference on the Least Developed Countries.

Calls upon all Governments, intergovernmental and multilateral institutions and others concerned to take appropriate steps to ensure that adequate preparations are made for the Conference and to participate effectively in the forthcoming session of the Intergovernmental Group on the Least Developed Countries, as well as in the Conference itself; reiterates its request to all concerned organs, organizations and bodies of the UN system to submit reports containing a review of the implementation of the Substantial New Programme of Action for the 1980s for the Least Developed Countries within their fields of competence and proposals for further action, as input to the preparations for the Conference; requests the Secretary-General to obtain additional extrabudgetary resources to provide for travel expenses and subsistence allowances for a 3rd representative from each least developed country to the Conference; requests the Secretary-General to take the necessary measures to intensify public information efforts and other relevant initiatives to enhance public awareness in favour of the Conference, its objectives and its significance (adopted without vote, 85th meeting, 22 Dec. 1989).

Resolutions

A/RES/44/40 The situation in the Middle East.

The resolution is divided into separate parts, A/RES/44/40 A-C.

A/RES/44/40A

Declares that peace in the Middle East is indivisible and must be based on a comprehensive, just and lasting solution of the Middle East problem, under the auspices of the UN and on the basis of its relevant resolutions; strongly condemns the imposition by Israel of its laws, jurisdiction and administration on the occupied Syrian Arab Golan, its annexationist policies and practices, the establishment of settlements, the confiscation of lands, the diversion of water resources and the imposition of Israeli citizenship on Syrian nationals, and declares that all these measures are null and void; considers that the agreements on strategic co-operation between the United States and Israel, signed on 30 Nov. 1981, and the continued supply of modern arms and materiel to Israel, augmented by substantial economic aid, including the Agreement on the Establishment of a Free Trade Area between the 2 Governments, have encouraged Israel to pursue its aggressive and expansionist policies and practices in the Palestinian territory occupied since 1967; reaffirms its call for convening the International Peace Conference on the Middle East, under the auspices of the UN, with the participation of the 5 permanent members of the Security Council and all parties to the conflict, including the PLO; endorses the call for setting up a preparatory committee, within the framework of the Security Council, with the participation of the permanent members of the Council, to take the necessary action to convene the Conference (adopted 109-18-31, 73rd meeting, 4 Dec. 1989).

MIDDLE EAST SITUATION (AGENDA ITEM 37)
(cont.)

A/RES/44/40B

Determines once more that all actions taken by Israel to give effect to its decision relating to the occupied Syrian Arab Golan are illegal and invalid and shall not be recognized; reaffirms its determination that all relevant provisions of the Regulations annexed to the Hague Convention IV of 1907, and the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 Aug. 1949, continue to apply to the Syrian territory occupied by Israel; calls all Member States to apply the following measures: (a) to refrain from supplying Israel with any weapons and related equipment and to suspend any military assistance that Israel receives from them; (b) to refrain from acquiring any weapons or military equipment from Israel; (c) to suspend economic, financial and technological assistance to and co-operation with Israel; (d) to sever diplomatic, trade and cultural relations with Israel; calls upon the specialized agencies and other international organizations to conform their relations with Israel to the terms of the present resolution (adopted 84-22-49, 73rd meeting, 4 Dec. 1989).

A/RES/44/40C

Determines that Israel's decision to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void and has no validity whatsoever; deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 478 (1980), and their refusal to comply with the provisions of that resolution; calls once more upon those States to abide by the provisions of the relevant UN resolution, in conformity with the Charter of the UN (adopted 147-2-8, 73rd meeting, 4 Dec. 1989).
