INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations and may discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets each year in regular session and holds special and emergency sessions as the need arises.

The *Index to Proceedings of the General Assembly* is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the forty-sixth session of the Assembly including its Main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

ARRANGEMENT OF THE INDEX

Part I consists of the following sections:

Sessional information, listing officers, and providing information on the rules of procedure and on the republication of the resolutions and decisions;

Check-list of meetings, listing the plenary meetings of the Assembly and the meetings of the Main Committees;

Principal organs and subsidiary bodies to which members were elected or appointed during the forty-sixth session of the General Assembly, listing members and their term of office;

Agenda, listing items considered by and brought before the General Assembly together with the subject headings under which they appear in the Subject index;

Subject index, providing topical access to General Assembly documentation arranged alphabetically by agenda subjects and listing documents submitted under each agenda item, the meetings at which the items were considered and the action taken on each item;

List of documents, listing documents issued in connection with the session and providing information on the republication of provisional documents in the printed *Supplements to Official Records*;

Reports of the Main and procedural committees, providing a listing by subject of the reports on the items discussed in the committees;

Resolutions adopted during the forty-sixth session, indicating the number and title of each resolution, the meeting number and date of the vote, the agenda item number, and the vote where appropriate;

Voting chart of resolutions adopted by recorded or roll-call vote, indicating the vote of each Member State.

Part II (*Index to speeches*) is subdivided into three sections: corporate names/countries, speakers and subjects.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or Main Committee to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/46/62 is the sixty-second in the series of main documents of the forty-sixth session; A/INF/46/3 is the third in the information series; A/C.5/46/L.20 is the twentieth in the series of limited distribution documents of the Fifth Committee.

In the series of main documents of the General Assembly's forty-sixth session, the symbols A/46/1 to A/46/49 are the *Supplements to the Official Records of the General Assembly* for that session.

Meeting records are numbered in a similar way. Thus the verbatim record of the first plenary meeting of the forty-sixth session of the General Assembly bears the symbol A/46/PV.1, while the summary record of the fifteenth meeting of the Third Committee bears the symbol A/C.3/46/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the plenary meetings are issued initially in provisional form for limited distribution and later for general distribution in corrected printed form as *Official Records*.

The verbatim records of the First Committee and the summary records of the other Main Committees of the General Assembly are issued in only one form (as *Official Records of the General Assembly*), and cover all discussions, whether substantive or procedural. Corrections to these meeting records are included in one *Sessional Fascicle* for each of the Main Committees, covering all meetings.

Of the other documents, a few appear as printed *Supplements to the Official Records* (this is noted in the index). Some of the remaining documents, such as the reports of committees on various agenda items, are subsequently printed in *Annexes* to the *Official Records*.

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session. After their republication in the *Official Records*, these provisional documents are no longer available.

Some double-symbol documents (issued with both A/- and S/- symbols) are republished only in the *Supplements* to the *Official Records of the Security Council*.

Resolutions

A/RES/46/82 The situation in the Middle East.

The resolution is divided into separate parts: A/RES/46/82 A-B.

A/RES/46/82[A]

Declares once more that peace in the Middle East is indivisible and must be based on a comprehensive, just and lasting solution of the Middle East problem under the auspices of UN and on the basis of its relevant resolutions, which ensures the complete and unconditional withdrawal of Israel from the Palestinian territory occupied since 1967, including Jerusalem, and the other occupied Arab territories, and which enables the Palestinian people, under the leadership of the PLO, to exercise its inalienable rights; deplores Israel's failure to comply with Security Council resolutions 476 (1980) of 30 June 1980 and 478 (1980) of Aug. 1980 and General Assembly resolutions 35/207 of 16 Dec. 1980 and 36/226 A and B; strongly condemns the imposition by Israel of its laws, jurisdiction and administration on the occupied Syrian Golan, its annexationist policies and practices, the establishment of settlements, the confiscation of lands, the diversion of water resources and the imposition of Israeli citizenship on Syrian nationals, and declares that all these measures are null and void and constitute a violation of the rules and principles of international law relative to belligerent occupation; calls upon all States not to provide Israel with any assistance to be used specifically in connection with settlements in the occupied territories; strongly deplores the continuing and increasing collaboration between Israel and South Africa, especially in the economic, military and nuclear fields, which constitutes a hostile act against the African and Arab States and enables Israel to enhance its nuclear capabilities (adopted 93-27-37, 73rd meeting, 16 Dec. 1991).

A/RES/46/82[B]

Determines that Israel's decision to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void and has no validity whatsoever; deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 478 (1980), and their refusal to comply with the provisions of that resolution; calls once more upon those States to abide by the provisions of the relevant UN resolutions (adopted 152-1-4, 73rd meeting, 16 Dec. 1991).

Resolutions

A/RES/46/46 UNRWA.

The resolution is divided into separate parts A/RES/46/46 A-K.

A/RES/46/46[A] Assistance to Palestine refugees.

Reiterates its request that the headquarters of the Agency should be relocated to its former site within its area of operations as soon as practicable; notes with profound concern that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions, this increased level of income to the Agency is still insufficient to cover essential budget requirements in the present year and that, at currently foreseen levels of giving, deficits will recur each year; calls upon all Governments, as a matter of urgency, to make the most generous efforts possible to meet the anticipated needs of the Agency, particularly in the light of the budgetary deficit projected in the report of the Commissioner-General, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions (adopted 137-0-1, 66th meeting, 9 Dec. 1991).

UNRWA--ACTIVITIES (AGENDA ITEM 72) (cont.)

A/RES/46/46[B] Working Group on the Financing of UNRWA.

Commends the Working Group on the Financing of UNRWA for its efforts to assist in ensuring the financial security of the Agency; requests the Working Group to continue its efforts, in cooperation with the Secretary-General and the Commissioner-General, for the financing of the Agency for a further period of 1 year (adopted without vote, 66th meeting, 9 Dec. 1991).

A/RES/46/46[C] Assistance to persons displaced as a result of the June 1967 and subsequent hostilities.

Endorses the efforts of the Commissioner-General of UNRWA to continue to provide humanitarian assistance as far as practicable, on an emergency basis and as a temporary measure, to other persons in the area who are at present displaced and in serious need of continued assistance as a result of the June 1967 and subsequent hostilities; strongly appeals to all Governments and to organizations and individuals to contribute generously for the above purposes to UNRWA and to the other intergovernmental and non-governmental organizations concerned (adopted without vote, 66th meeting, 9 Dec. 1991).

A/RES/46/46[D] Offers by Member States of grants and scholarships for higher education, including vocational training, for Palestine refugees.

Strongly appeals to all States, specialized agencies and non-governmental organizations to augment the special allocations for grants and scholarships to Palestine refugees, in addition to their contributions to the UNRWA regular budget; appeals to all States, specialized agencies and the UN University to contribute generously to the Palestinian universities in the Palestinian territory occupied by Israel since 1967, including, in due course, the proposed University of Jerusalem "Al-Quds" for Palestine refugees; requests the Agency to act as the recipient and trustee for the special allocations for grants and scholarships and to award them to qualified Palestine refugee candidates (adopted 147-0-1, 66th meeting, 9 Dec 1991).

A/RES/46/46[E] Palestine refugees in the Palestinian territory occupied by Israel since 1967.

Strongly reiterates its demand that Israel desist from the removal and resettlement of Palestine refugees in the Palestinian territory occupied by Israel since 1967 and from the destruction of their shelters; requests the Commissioner-General of UNRWA to address the acute situation of the Palestine refugees in the Palestinian territory occupied by Israel since 1967 and accordingly to extend all the services of the Agency to those refugees; requests the Secretary-General, in cooperation with the Commissioner-General to resume issuing identification cards to all Palestine refugees and their descendants in the occupied Palestinian territory, irrespective of whether or not they are recipients of rations and services of the Agency (adopted 143-2-0, 66th meeting, 9 Dec. 1991).

A/RES/46/46[F] Resumption of the ration distribution to Palestine refugees.

Calls once again upon all Governments, as a matter of urgency to make the most generous efforts possible and to offer the necessary resources to meet the needs of UNRWA, particularly in the light of the interruption by the Agency of the general ration distribution to Palestine refugees in all fields, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions (adopted 115-21-13, 66th meeting, 9 Dec. 1991).

A/RES/46/46[G] Return of population and refugees displaced since 1967.

Considers any and all agreements embodying any restriction on, or condition for the return of the displaced inhabitants as null and void; calls once more upon Israel: (a) to take immediate steps for the return of all displaced inhabitants; (b) to desist from all measures that obstruct the return of the displaced inhabitants including measures affecting the physical and demographic structure of the occupied territories (adopted 115-2-32, 66th meeting, 9 Dec. 1991).

A/RES/46/46[H] Revenues derived from Palestine refugees' properties. Requests the Secretary-General to take all appropriate steps for the protection and administration of Arab property, assets and property rights in Israel and to establish a fund for the receipt of income derived therefrom, on behalf of the rightful owners; calls once more upon Israel to render all facilities and assistance to the Secretary-General in the implementation of the present resolution; calls upon the Governments of all the other Member States concerned to provide the Secretary-General with any pertinent information in their possession concerning Arab property, assets and property rights in Israel, which would assist the Secretary-General in the implementation of the present resolution (adopted 114-2-33, 66th meeting, 9 Dec. 1991).

A/RES/46/46[I] Protection of Palestine refugees.

Holds Israel responsible for the security of the Palestine refugees in the occupied Palestinian territory, including Jerusalem, and other Arab territories occupied by Israel since 1967, and calls upon it to fulfil its obligations as the occupying Power in this regard; strongly urges the Secretary-General to consider the current situation in the occupied Palestinian territory; calls once again upon Israel to desist forthwith from acts of aggression against the Lebanese and Palestinian population in Lebanon; demands that Israel, the occupying Power, release forthwith all arbitrarily detained Palestine refugees including the employees of UNRWA; calls once again upon Israel to compensate the Agency for damages to its property and facilities resulting from the invasion of Lebanon by Israel in 1982 without prejudice to the responsibility of the latter for all damages resulting from that invasion, as well as for other damages resulting from the policies and practices of Israel, the occupying Power, in the occupied Palestinian territory (adopted 147-2-2, 66th meeting, 9 Dec. 1991).

A/RES/46/46[J] University of Jerusalem "Al-Quds" for Palestine refugees.

Emphasizes the need for strengthening the educational system in the Palestinian territory occupied by Israel since 5 June 1967, including Jerusalem, and specifically the need for the establishment of the proposed university; requests the Secretary-General to continue to take all necessary measures for establishing the University of Jerusalem "Al-Quds"; calls once more upon Israel, the occupying Power, to cooperate in the implementation of the present resolution and to remove the hindrances that it has put in the way of establishing the University of Jerusalem "Al-Quds" (adopted 146-2-2, 66th meeting, 9 Dec. 1991).

A/RES/46/46[K] Protection of Palestinian students and educational institutions and safeguarding of the security of the facilities of UNRWA.

Condemns the repeated Israeli raids on the premises and installations of UNRWA and calls upon Israel, the occupying Power, to refrain from such raids; deplores the policy and practices of Israel, the occupying Power, which have led to the prolonged closure of educational and vocational institutions, a large number of which are operated by the Agency, and the repeated disruption of medical services; calls upon Israel the occupying Power, to open immediately all closed educational and vocational institutions and to refrain from closing them thereafter (adopted 151-2-0, 66th meeting, 9 Dec. 1991).
