MANAGEMENT FOR TERRITORIAL SUSTAINABILITY COURSE

E-LEARNING COURSE ON MANAGEMENT FOR TERRITORIAL SUSTAINABILITY - OPEN FOR REGISTRATION

Itaipu Binacional and Parque Tecnológico Itaipu (PTI-BR) are offering **40 places** for the **Management For Territorial Sustainability Course** to English speaking participants, as part of the International School for Sustainability (EIS), an educational initiative developed by both institutions.

The course, free of charge, aims at offering an exchange of knowledge about concepts, experiences and socio-environmental actions that Itaipu has had along its 40-year history in its territory of influence that are in line with the Sustainable Development Goals (SDGs).

As an e-learning course, participants create their own experience, going at their own pace. Further information and registration available at: <https://pti.org.br/en/eis>.
