## INTRODUCTION

The Economic and Social Council, under the authority of the General Assembly, is the United Nations organ which co-ordinates the economic and social work of the United Nations and its system of organizations. The Council has 54 members and generally holds the following sessions each year: a short organizational session in New York in January, the first regular session in New York in May, the second regular session in Geneva in July. Throughout the year there are meetings of the Council's committees, commissions and other subsidiary bodies.

The Index to the Proceedings of the Economic and Social Council is an annual bibliographic guide to the proceedings and documentation of the Economic and Social Council. This Issue covers the year 1986, which includes the documentation of the organizational, first regular and second regular sessions and of the sessional or ad hoc committees or other bodies that met during these sessions. The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

### ARRANGEMENT OF THE INDEX

Sessional Information includes a list of Member States and their terms of office as well as a list of officers. It also provides information on the rules of procedure and resolutions of the Council.

Subsidiary Bodies and Organs and Programmes related to the Economic and Social Council for which members were elected or appointed during the 1986 sessions of the Council lists the members and terms of office.

The Index is then divided into three parts, one for each session which met during the year. Each part is subdivided as follows:

Checklist of Meetings contains a list of meetings of the Economic and Social Council and its sessional committees.

Agenda lists matters considered by and brought before the Council and the subject headings under which these items are listed in the Subject Index.

Subject Index provides topical access to Economic and Social Council documentation. It contains an alphabetical list of agenda subjects and a list of documents considered under each item, meetings at which the items were considered and the action taken by the Council.

Index to Speeches provides access to speeches that were made before the Council. The Index is divided into three sections: speeches by corporate name/country, speaker and subject.

List of Resolutions is a listing of resolutions adopted by the Council at its first and second regular sessions and indicates for each session the resolution number, the subject and the meeting and date when the resolution was adopted.

List of Documents lists documents issued for the year 1986. It also contains information regarding the republication of mimeographed documents in printed Official Records.

Reports of the Sessional Committees lists, by subject, the reports on the items discussed in the Committees.

### SERIES SYMBOLS

In 1978 certain modifications were introduced in the citation and series symbols of the documents of the Economic and Social Council and its sessional committees. They are as follows:

(1) The sessions of the Council are formally identified as the organizational, first regular and second regular sessions of a particular calendar year, as prescribed in rule 1 of the rules of procedure of the Council.

(2) Special sessions, including subject-oriented sessions, are numbered consecutively within each year, and are identified as the first special session (year), second special session, (year), etc.

(3) Titles of the sessional committees of the Council are known as First Committee (formerly Economic Committee), Second Committee (formerly Social Committee) and Third Committee (formerly Policy and Programme Co-ordination Committee).

(4) Ad Hoc sessional committees may be established as required and are described as ad hoc sessional committees on particular subjects.

(5) Resolutions and decisions are numbered on a yearly basis. Resolutions begin each year with 1, decisions start with 100. They are identified as resolution 1986/1, decision 1986/101, etc.

(6) Supplements to the Official Records are numbered consecutively, with Supplements No. 1 and IA containing the resolutions and decisions adopted during the year.

Symbols of documentation of the Council and its sessional and ad hoc committees or other bodies consist of combinations as appropriate, of the following elements:

(1) The parent body (i.e. the Economic and Social Council): E/- ;

(2) The year of consideration

(3) Sessional and ad hoc committees or other bodies: C.1, C.2, AC.1, AC.2, WG.1, WG.2, etc.

#### DOCUMENTATION OF THE ECONOMIC AND SOCIAL COUNCIL

Summary records of plenary meetings of the Economic and Social Council are first issued in provisional mimeographed form for limited

distribution. They are later combined in corrected form in a single printed volume of Official Records for the year.

In accordance with decision 1985/200 the Council decided, for a period of two years, to discontinue the issuing of summary records for its sessional committees: First (Economic) Committee, Second (Social) Committee and Third (Programme and Co-ordination) Committee. Meeting records are, however, provided for the Sessional Working Group of Governmental Experts on the Implementation of the International Covenant on Economic, Social and Cultural Rights (E/1986/WG.1/SR.1-29). These summary records are issued for general distribution, with any corrections to be consolidated in a single corrigendum.

All summary records may be identified by their symbol, which consists of the series symbol followed by SR. and then a number which corresponds to the number of the meeting. The 5th plenary meeting, for example, is cited as E/1986/SR.5 while the records of the 10th meeting of the Sessional Working Group is cited as E/1986/WG.1/SR.10.

Some documents may later be printed as Supplements to the Official Records (and are so indicated in this index); others are issued only in mimeographed form. Resolutions and decisions adopted by the Economic and Social Council each year are collected in Supplement No. 1 to the Official Records of that year; addenda as Supplement No. IA, IB, etc.
