Explanatory Note

1. This Index to Proceedings is intended to offer a bibliographical guide to the discussion and documentation of the meetings of the 14th session of the General Assembly as well as of its committees or ad hoc committees which met during the session.

2. The Index consists of the following parts:

Part A. Introduction, including check lists of meetings and lists of the Officers of the General Assembly and its committees.

Part B. Agenda, with reference to the relevant subject headings used in Part C.

Part C. Subject index. Subjects are arranged alphabetically, with reference to the documentation, discussion, and disposition of each item. Agenda item numbers are indicated in parentheses following the subject headings. Names of delegations are noted in parentheses following the meeting number whenever statements are made on a subject not scheduled as an agenda item or on a subject referred to in a general debate in Plenary meetings.

Part D. Index to speeches. Speeches and statements by representatives are listed in alphabetical order by country or organization, subdivided by subject discussed, with indication of the meeting at which the speech was made. Addresses of Heads of State are listed under the name of the country they represent, followed by their title and name. The remarks of the President of the General Assembly and of chairmen of committees are normally not indexed. The speeches of chairmen and rapporteurs of committees are included, however, when they presented or explained the reports of their committees to the General Assembly. Statements and speeches made by private individuals representing an organization to which a hearing was granted are listed under the name of the organization. Statements made by officers of the UN Secretariat are listed under the name of the Office or Department they represented.

Part E. Numerical list of documents included in this index, arranged by document symbols.

3. Official Records and documents.

All summary and verbatim records of plenary and committee meetings of the General Assembly appear first in provisional mimeographed form. They may be identified by their symbols, which consist of the series symbol (e.g., A/-, A/C.1/-, or A/SPC/-) as indicated in the introduction (See Check lists of meetings), followed by SR or PV and a number corresponding to that of the meeting (e.g., A/C.1/PV. 1081; A/C.5/SR. 750). Summary records of meetings are later printed as separate fascicles in the Official Records series; verbatim records of meetings are issued only in mimeographed form.

Of the other documents, a few appear only as printed Supplements to the Official Records (a fact always noted in this index), but the rest are first issued in mimeographed form. Most of them are subsequently printed in the Annexes to the Official Records, where they are grouped into fascicles according to agenda item numbers. The resolutions adopted by the General Assembly, first issued in mimeographed form, are collected in the printed Supplement No. 16 to the Official Records of the session. After their republication in the Official Records, the provisional mimeographed documents are no longer available.

4. Printed documentation of this session of the General Assembly may be obtained (or purchased from authorized sales agents; See list on the back cover of this publication) by requesting:

General Assembly Official Records, 14th session:

Meeting ... (specify plenary or committee meeting number) for summary records fascicles.

Supplement No. ... (specify supplement number) for documents initially issued in this form.

Annexes, Agenda item ... (specify agenda item number) for republication of mimeographed documents.

Supplement No. 16 for resolutions.
