# Explanatory Note

## SCOPE

1. This Index, prepared by the Documentation Division of the United Nations Headquarters Library, New York, is intended to offer a bibliographical guide to the proceedings and documentation of the 26th session of the General Assembly as well as of its committees or *ad hoc* committees which met during the session.

## ARRANGEMENT

2. The Index consists of the following parts:

(a) Introduction, including list of the Officers and check lists of meetings of the General Assembly and its committees;

(b) Agenda, with reference to the relevant subject headings used in Part (c);

(c) Subject index. Subjects are arranged alphabetically, with reference to the documentation, discussion, and disposition of each item. Agenda item numbers are indicated in parentheses following the subject headings. Names of delegations are noted in parentheses following the meeting number whenever statements are made on a subject not scheduled as an agenda item or on a subject referred to in the general debate in plenary meetings;

(d) Index to speeches. Speeches and statements by representatives are listed in alphabetical order by country or organization, subdivided by subject discussed and by name of speaker, with an indication of the meeting at which the speech was made. Addresses of Heads of State are listed under the name of the country they represent, followed by their title and name. The remarks of the President of the General Assembly and of chairmen of committees are normally not indexed. The speeches of chairmen and rapporteurs of committees are included, however, when they presented or explained the reports of their committees to the General Assembly. Statements and speeches made by private individuals representing an organization to which a hearing was granted are listed under the name of the organization. Statements made by officers of the United Nations Secretariat are listed under the name of the Office or Department they represented;

(e) Numerical list of documents, arranged by document symbols. This list also contains information as to the republication of mimeographed documents in the printed fascicles of Annexes to the Official Records.

## AVAILABILITY OF DOCUMENTS

3. All summary and verbatim records of plenary and committee meetings of the General Assembly appear first in provisional mimeographed form. They may be identified by their symbol, which consists of the series symbol (e.g., A/-, A/C.1/-, or A/SPC/-) as indicated in the introduction (*see* Check lists of meetings), followed by SR or PV and an ordinal number corresponding to that of the meeting (e.g., A/PV.1934). Summary records of meetings are later printed as separate fascicles in the Official Records; verbatim records of meetings are issued only in mimeographed form.

Of the other documents, a few appear only as printed Supplements to the Official Records (a fact always noted in this Index), but the rest are first issued in mimeographed form. Some of them are subsequently printed in the Annexes to the Official Records, where they are grouped into fascicles according to agenda item number. The resolutions adopted by the General Assembly, first issued in mimeographed form, are collected in printed Supplement No.29 to the Official Records of the 26th session. After their republication in the Official Records, the provisional mimeographed documents are no longer available.

4. Printed documentation of this session of the General Assembly may be obtained, or purchased from authorized sales agents, by requesting:

*General Assembly, Official Records, 26th session:*

Meeting . . . (specify plenary or committee meeting number) for summary records fascicles.

Supplement No. . . . (specify supplement number) for documents initially issued in this form.

Annexes, Agenda item . . . (specify agenda item number) for documents republished in the Annexes.

## CHANGES IN CONTENTS

In accordance with General Assembly resolution 2836 (XXVI), requiring a reduction in United Nations documentation, the following changes have been introduced in this Index:

Subject Index. Summaries of texts of resolutions have been discontinued. The full text of all resolutions is published in document A/8429 (GAOR, 26th sess., suppl. no.29)

## REFERENCES CONCERNING CHINA

References concerning China were made in this Index as "China (Republic)" before the adoption of General Assembly's resolution 2758 (XXVI) relating to restoration of the lawful rights of the People's Republic of China in the United Nations. After the adoption of that resolution, references pertaining to China read: "China".
