FORTY-FIRST SESSION 1986/1987

PART I

This page intentionally left blank

INTRODUCTION

The General Assembly, composed of all Member States, is the main deliberative organ of the United Nations, and has the right to discuss and make recommendations on all matters within the scope of the Charter. The General Assembly meets once a year in regular session; special and emergency sessions are called as the need arises.

The Index to Proceedings of the General Assembly is a bibliographic guide to the proceedings and documentation of the General Assembly. This issue covers the 41st session of the Assembly including its main and ad hoc committees. The Index is prepared by the Dag Hammarskjöld Library as one of the products of the United Nations Bibliographic Information System (UNBIS).

This volume of the Index includes the documents which were issued through 30 June 1987. Documents issued after this date will be included in an annex to the proceedings of the 42nd session.

THE ARRANGEMENT OF THIS INDEX

The Index is issued in two parts. The first part consists of the following sections:

Sessional Information provides a list of officers, rules of procedure and resolutions and decisions.

Checklist of Meetings lists the plenary meetings of the Assembly and those of the main committees.

Principal Organs and Subsidiary Bodies for which Members were Elected or Appointed During the General Assembly, 41st session lists members and term of office.

Agenda lists matters considered by and brought before the General Assembly together with the agenda item headings under which they appear in the Subject Index.

Subject Index provides topical access to General Assembly documentation. It contains an alphabetical arrangement of agenda subjects followed by a list of documents submitted to the Assembly, the meetings at which the items were considered and the action taken on each item.

List of documents lists documents arranged by symbol along with information regarding the republication of provisional documents in printed Supplements to Official Records.

Reports of the Main Committees lists by subject, the reports on the items discussed in the Committees.

Resolutions Adopted During the 41st session lists the resolution number, the title of the resolution, the meeting and date of the vote, the agenda item number and the vote.

Voting Chart of Resolutions Adopted by Recorded or Roll-Call Vote indicates the vote of each Member State.

The second part of the Index consists of the Index to Speeches, subdivided into three sections: speeches by corporate names/countries, speaker and subject.

DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of all documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document or main committee to which it applies. The number following indicates the number of the document issued in that specific series. For example: A/41/62 is the sixty-second in the series of main documents of the 41st session; A/INF/41/6 is the sixth in the series of documents in the information series; A/C.5/41/L.20 is the twentieth in the series of limited distribution documents of the 5th Committee.

In the series of main documents of the General Assembly's 41st session, the symbols A/41/1 to A/41/51 are the Supplements to the Official Records of the General Assembly for that session.

Meeting records are numbered in a similar way. Thus the 1st plenary meeting of the 41st session of the General Assembly bears the symbol A/41/PV.1, while the fifteenth meeting of the Third Committee bears the symbol A/C.3/41/SR.15.

In accordance with criteria approved by the General Assembly for the provision of meeting records of United Nations bodies, the verbatim records of the First Committee and the summary records of the other main committees of the General Assembly are issued in only one form (as Official Records of the General Assembly), and cover all discussions, whether substantive or procedural. Corrections to these meeting records are included in one Sessional Fascicle for each of the main committees, covering all meetings. The verbatim records of the plenary meetings are issued initially in provisional form for limited distribution, and later for general distribution in corrected printed form as Official Records.

Of the other documents, a few appear as printed Supplements to the Official Records (a fact always noted in this Index). Some of the remaining documents, such as the reports of committees on various agenda items, are subsequently printed in Annexes to the Official Records. Resolutions adopted by the General Assembly, first issued separately, are collected in printed Supplements to the Official Records of each session. After their republication in the Official Records, provisional documents are no longer available. Some double symbol documents (issued with both A/- and S/- symbols) are republished only in the Supplements to the Official Records of the Security Council.

Printed documentation of each session of the General Assembly may be obtained or purchased from authorized sales agents by providing the following information:

General Assembly, Official Records, forty-first session:

Meeting ... (specify plenary or committee meeting number) for summary or verbatim record fascicles.

Supplement No. ... (specify supplement number) for documents issued in this form.

APARTHEID (AGENDA ITEM 33) (cont.)

A/RES/41/35[B] Comprehensive and mandatory sanctions against the racist régime of South Africa.

Condemns the policy of "constructive engagement" and similar policies of appeasement that have ignored the reign of terror by the racist régime and encourage its illegal occupation of Namibia and aggression against independent African States; urges the Security Council to adopt measures to strengthen the mandatory arms embargo adopted by its resolution 418 (1977), in accordance with the relevant recommendations contained in the Final Declaration of the International Seminar on the UN Arms Embargo against South Africa, held in London from 28 to 30 May 1986; calls upon Member States to exclude the South African régime from all organizations within the UN System where this has not already been done; calls once again upon the IMF urgently to terminate credit and other assistance to the racist régime of South Africa (adopted 126-16-13, 64th meeting, 10 Nov. 1986).

Notes with appreciation that on 26 Sept. 1986, the 2nd Review Conference adopted by consensus a Final Declaration; requests the Secretary-General to render the necessary assistance and to provide such services as may be required for the implementation of relevant parts of the Final Declaration; calls upon all signatory States that have not ratified or acceded to the Convention to do so without delay, and also calls upon those States that have not yet signed the Convention to join the States parties thereto at an early date (adopted without vote, 94th meeting, 3 Dec. 1986).

A/RES/41/58[B] Prohibition of chemical and bacteriological weapons.

Urges the Conference on Disarmament to intensify the negotiations in order to submit a draft convention on the complete ban on chemical weapons to the General Assembly at its 42nd session; reaffirms its call to all States to conduct serious negotiations in good faith and to refrain from any action that could impede negotiations on the prohibition of chemical weapons and specifically from the production of new types of chemical weapons, as well as from deploying chemical weapons on the territory of other States; calls upon all States that have not yet done so to become parties to the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare (adopted 100-11-43, 94th meeting, 3 Dec. 1986).

A/RES/41/58[C] Chemical and bacteriological (biological) weapons.

Calls for compliance with existing international obligations regarding prohibitions on chemical and biological weapons, and condemns all actions that contravene those obligations; urges the Conference on Disarmament to pursue vigorously and accelerate its negotiations on a multilateral convention on the complete and effective prohibition of the development, production, stockpiling and use of chemical weapons and on their destruction; calls upon all States, pending the elaboration of such a convention, to co-operate in efforts to prevent the use of chemical weapons and in efforts to establish facts in cases of reports of such use, and to be guided in their national policies by the need to curb the spread of chemical weapons (adopted 137-0-14, 94th meeting, 3 Dec. 1986).

A/RES/41/58[D] Chemical and bacteriological (biological) weapons.

Urges again the Conference on Disarmament, as a matter of high priority, to intensify, during its 1987 session, the negotiations on a convention on the complete and effective prohibition of the development, production, stockpiling and use of all chemical weapons and on their destruction and to reinforce further its efforts by, inter alia, increasing the time during the year that it devotes to such negotiations, taking into account all existing proposals and future initiatives, with a view to the final elaboration of a convention at the earliest possible date, and to re-establish its Ad Hoc Committee on Chemical Weapons for this purpose with the 1986 mandate (adopted without vote, 94th meeting, 3 Dec. 1986).

Resolutions

A/RES/41/59[C] Conventional disarmament.

Requests the Secretary-General to prepare for the Disarmament Commission at its substantive session in May 1987 a compilation of the views received from Member States regarding the Study on Conventional Disarmament; requests the Disarmament Commission to consider, at its forthcoming session in 1987, the question of conventional disarmament, fully taking into account the recommendations and conclusions contained in the Study, as well as all other relevant present and future proposals, with a view to facilitating the identification of possible measures in the field of conventional arms reduction and disarmament, and to report on its deliberations to the General Assembly at its 42nd session (adopted without vote, 94th meeting, 3 Dec. 1986).

A/RES/41/59[E] Confidence-building and security-building measures and conventional disarmament.

Welcomes the concrete, militarily significant, politically binding and verifiable measures adopted on 19 Sept. 1986, within the framework of the process of the Conference on Security and Co-operation in Europe, at the Stockholm Conference on Confidence- and Security-building Measures and Disarmament in Europe, covering the whole of Europe and designed to reduce the dangers of armed conflict and of misunderstanding or miscalculation of military activities; invites all States, with full account to be taken of specific regional conditions, to consider the achievement of lessening confrontation by confidence- and security-building measures, which contribute to reducing the danger of surprise attacks, diminishing the possibility of misunderstanding or political pressure through the use of military strength and reducing misinterpretation that could worsen crises and eventually lead to conflict (adopted 129-0-21, 94th meeting, 3 Dec. 1986).

A/RES/41/59[G] Conventional disarmament.

Urges the countries with the largest military arsenals, which bear a special responsibility in pursuing the process of conventional armaments reductions, and the member States of the 2 major military alliances to continue negotiations on conventional disarmament in earnest, with a view to reaching early agreement on the limitation and gradual and balanced reduction of armed forces and conventional weapons under effective international control in their respective regions; encourages all States, while taking into account the need to protect security and maintain necessary defensive capabilities, to intensify their efforts and take, either on their own or in a regional context, appropriate steps to promote progress in conventional disarmament and enhance peace and security; requests the Disarmament Commission to consider, at its substantive session in 1987, issues related to conventional disarmament (adopted 150-0-2, 94th meeting, 3 Dec. 1986).

At the 52nd meeting, 31 Oct. 1986, action
on the draft resolution and the draft
decision in A/41/726 was as follows: draft
resolution (originally in A/41/23 (Part
III), Ch. IV), adopted (125-11-15) as
resolution 41/14; draft decision
(originally in A/41/23 (Part III, Ch. V),
on military activities and arrangements by
colonial powers in territories under their
administration which might be impeding the
implementation of the Declaration on the
Granting of Independence to Colonial
Countries and Peoples, was adopted
(124-13-15): decision 41/405.

Resolutions

- A/RES/41/14 Activities of foreign economic
and other interests which are impeding the
implementation of the Declaration on the
Granting of Independence to Colonial
Countries and Peoples in Namibia and in
all other Territories under colonial
domination and efforts to eliminate
colonialism, apartheid and racial
discrimination in southern Africa.
- Reiterates that any administering or
occupying Power that deprives the colonial
peoples of the exercise of their legitimate
rights over their natural resources or
subordinates the rights and interests of
those peoples to foreign economic and
financial interests violates the solemn
obligations it has assumed under the
Charter of the UN; reaffirms that, by their
depletive exploitation of natural
resources, the continued accumulation and
repatriation of huge profits and the use of
those profits for the enrichment of foreign
settlers and the perpetuation of colonial
domination and racial discrimination in the
Territories, the activities of foreign
economic, financial and other interests
operating at present in the colonial
Territories, particularly in southern
Africa, constitute a major obstacle to
political independence and racial equality,
as well as to the enjoyment of the natural
resources of those Territories by the
indigenous inhabitants; calls upon all
States, in particular certain Western
States, to take urgent, effective measures
to terminate all collaboration with the
racist régime of South Africa in the
political, diplomatic, economic, trade,
military and nuclear fields; calls upon
those oil-producing and oil-exporting
countries that have not yet done so to take
effective measures against oil companies
concerned so as to terminate the supply of
crude oil and petroleum products to the
racist régime of South Africa; condemns the
plunder of Namibian uranium; urges the
administering powers concerned to take
effective measures to safeguard and
guarantee the inalienable right of the
peoples of the colonial Territories to
their natural resources (adopted 125-11-15,
52nd meeting, 31 Oct. 1986).

Requests all specialized agencies and other organizations and bodies of the UN System, in accordance with the relevant resolutions of the General Assembly and the Security Council, to take all necessary measures to withhold from the racist régime of South Africa any form of co-operation and assistance in the financial, economic, technical and other fields and to discontinue all support to that régime until the people of Namibia have exercised fully their inalienable right to self-determination, freedom and national independence in a united Namibia and until the inhuman system of apartheid has been totally eradicated; regrets that the World Bank continues to maintain certain financial and technical links with the racist régime of Pretoria and expresses the view that those links should be discontinued; strongly deplores that the IMF has been assisting the racist régime of South Africa and expresses the view that the Fund should put an end to such assistance; urges the specialized agencies and other organizations of the UN System that have not already done so to include in the agenda of the regular meetings of their governing bodies a separate item on the progress they have made in the implementation of General Assembly resolution 1514 (XV) and the other relevant resolutions of the UN (adopted 123-4-27, 52nd meeting, 31 Oct. 1986).

At the 94th meeting, 3 Dec. 1986, action on draft resolutions in A/41/841 was as follows: draft resolution A (originally A/C.1/41/L.16), adopted (114-3-36) as resolution 41/60A; draft resolution B (originally A/C.1/41/L.18), adopted (144-0-9) as resolution 41/60B; draft resolution J (originally A/C.1/41/L.68/Rev.1), adopted without vote as resolution 41/60J.

Resolutions

A/RES/41/60[A] World Disarmament Campaign: actions and activities.

Calls upon Governments of all States to recognize and respect the mass peace and disarmament movements as an important factor of current world politics contributing to the promotion of a new political approach required by the realities of the nuclear and space age; urges Governments of all States, especially the nuclear-weapon States and other militarily significant States, in formulating their policies in the field of disarmament, to take into account the main demands of the mass peace and disarmament movements, in particular with regard to the immediate cessation and prohibition of all nuclear-weapon tests, with a bilateral moratorium by the USSR and the United States on all nuclear explosions being the first step towards this end, and the prevention of an arms race in outer space and its termination on Earth, and invites them to inform the Secretary-General annually on the actions taken to that end (adopted 114-3-36, 94th meeting, 3 Dec. 1986).

A/RES/41/60[B] World Disarmament Campaign.

Decides that at its 42nd session there should be a 5th UN Pledging Conference for the World Disarmament Campaign, and expresses the hope that on that occasion all those Member States that have not yet announced any voluntary contribution will do so; reiterates its recommendation that the voluntary contributions made by Member States to the World Disarmament Campaign Voluntary Trust Fund should not be earmarked for specific activities since it is most desirable that the Secretary-General enjoy full freedom to take the decisions he deems fit within the framework of the Campaign previously approved by the General Assembly and in exercise of the powers vested in him in connection with the Campaign (adopted 144-0-9, 94th meeting, 3 Dec. 1986).

A/RES/41/60[J] UN Regional Centre for Peace, Disarmament and Development in Latin America.

Decides to establish, as at 1 Jan. 1987, the UN Regional Centre for Peace, Disarmament and Development in Latin America, with headquarters at Lima, on the basis of existing resources and of voluntary contributions that Member States and interested organizations may take to that end; decides also that the Centre shall provide, on request, substantive support for the initiatives and other activities of the Member States of the Latin American region for the implementation of measures for peace and disarmament, and for the promotion of economic and social development through appropriate reutilization of available resources, and shall co-ordinate the implementation of regional activities in Latin America under the World Disarmament Campaign; requests the Secretary-General to take the necessary administrative measures to ensure the establishment and functioning of the Centre, including, to that end, the possible utilization of the existing UN infrastructure at Lima with a view to the full employment of available resources (adopted without vote, 94th meeting, 3 Dec. 1986).

A/RES/41/86[J] Review of the implementation of the recommendations and decisions adopted by the General Assembly at its 10th special session.

Reiterates once more the right of all States not members of the Conference on Disarmament to participate in the work of the plenary sessions of the Conference on substantive questions; urges States members of the Conference on Disarmament not to misuse the rules of procedure of the Conference so as to prevent States not members from exercising their right to participate in the work of the Conference (adopted 128-0-18, 96th meeting, 4 Dec. 1986).

A/RES/41/86[K] International co-operation for disarmament.

Invites all States to increase co-operation and to strive actively for meaningful disarmament negotiations on the basis of reciprocity, equality, undiminished security and the non-use of force in international relations, so that they may prevent qualitative enhancement and quantitative accumulation of weapons as well as the development of new types and systems of weaponry, especially weapons of mass destruction; appeals to States that are members of military groupings to promote, on the basis of the Final Document of the 10th Special Session of the General Assembly and in the spirit of international co-operation for disarmament, the gradual mutual limitation of military activities of these groupings, thus creating conditions for their dissolution; calls upon Member States and the international organizations concerned to continue to cultivate and disseminate, particularly in connection with the World Disarmament Campaign launched by the General Assembly at its 12th special session, the ideas of international co-operation for disarmament (adopted 118-19-9, 96th meeting, 4 Dec. 1986).

Resolutions

A/RES/41/125 International Conference on Drug Abuse and Illicit Trafficking.

Requests all States to give the highest priority to the holding of the International Conference on Drug Abuse and Illicit Trafficking at Vienna in 1987 and to participate actively in the Conference in order to stimulate comprehensive world-wide co-operative action to combat the drug problem in all its forms at the national, regional and international levels; requests the preparatory body for the Conference to complete its work when it next meets at Vienna, in February 1987, particularly the drafting of the comprehensive multidisciplinary outline of future activities relevant to the problems of drug abuse and illicit trafficking, based on comments and modifications proposed by Governments, so that the Conference may consider it for adoption (adopted without vote, 97th meeting, 4 Dec. 1986).

A/RES/41/126 Preparation of a draft convention against illicit traffic in narcotic drugs and psychotropic substances.

Requests the Commission on Narcotic Drugs, through the Economic and Social Council, to continue at its 32nd regular session its work on the preparation of a draft convention against illicit traffic in narcotic drugs and psychotropic substances in the most expeditious manner, so that it may be effective, and widely acceptable, and enter into force at the earliest possible time; requests the Secretary-General to submit to the International Conference on Drug Abuse and Illicit Drug Trafficking, to be held in 1987, a report on progress achieved in the preparation of a new convention against illicit drug trafficking; once again urges all States that have not yet done so to ratify and to accede to the Single Convention on Narcotic Drugs of 1953, the 1972 Protocol Amending the Single Convention on Narcotic Drugs of 1953 and the Convention on Psychotropic Substances of 1971 (adopted without vote, 97th meeting, 4 Dec. 1986).

A/RES/41/127 International campaign against traffic in drugs.

Urges States to acknowledge that they share responsibility for combating the problem of illicit consumption, production and transit and therefore to encourage mutual collaboration in the struggle against drug trafficking; calls upon all States to adopt appropriate preventive and/or punitive measures so as to bring about social awareness of the pernicious effects of illicit drug use, and rejection of all kinds of practices that facilitate such illegal use; invites States to discourage practices and domestic and foreign interests that promote the increased illicit production and consumption of drugs; urges the Governments of countries facing problems of drug abuse to give priority to funding programmes that aim to create in society a deep respect for its own health, fitness and well-being and to provide appropriate information and advice for all sectors of their communities with regard to drug abuse; takes note of the recommendations of the first Interregional Meeting of Heads of National Drug Law Enforcement Agencies and requests that they be considered by the Commission on Narcotic Drugs at its 32nd session, so that the specific measures required for their implementation may be identified with a view to their inclusion, for possible adoption, in the report to be submitted to the Economic and Social Council at its next session; requests the Secretary-General to make the necessary arrangements for holding interregional seminars on the experience gained within the UN System in integrated rural development programmes that include the substitution of surplus and/or illegal crops in affected areas, including the Andean region (adopted without vote, 97th meeting, 4 Dec. 1986).

resolution 41/81.

Resolutions

A/RES/41/81 Report of the International Law
Commission.

Requests the International Law

the planning of its activities for the term
of office of its members, bearing in mind
the desirability of achieving as much
progress as possible in the preparation of
draft articles on specific topics; (ii) its
methods of work in all their aspects,
bearing in mind the possibility of
staggering the consideration of some
topics; (b) to indicate in its annual
report those subjects and issues on which
views expressed by Governments, either in
the 6th Committee or in written form, would
be of particular interest for the
continuation of its work; takes note of the
comments of the International Law
Commission on the question of the duration
of its sessions, as presented in paragraph
252 of its report, and expresses the view
that the requirements of the work of
codification and progressive development of
international law and the magnitude and
complexity of the subjects on the agenda of
the Commission make it desirable that the
usual duration of its sessions be
maintained; further urges Governments to
give full attention to the request of the
International Law Commission, transmitted
through the Secretary-General, for comments
and observations on the draft articles on
jurisdictional immunities of States and
their property and on the status of the

MIDDLE EAST SITUATION (AGENDA ITEM 37) (cont.)

A/RES/41/162[A] [Conditions for peace in the Middle East].

Reaffirms its conviction that the question of Palestine is the core of the conflict in the Middle East and that no comprehensive, just and lasting peace in the region will be achieved without the full exercise by the Palestinian people of its inalienable national rights and the immediate, unconditional and total withdrawal of Israel from all the Palestinian and other occupied Arab territories; reaffirms further that a just and comprehensive settlement of the situation in the Middle East cannot be achieved without the participation on an equal footing of all the parties to the conflict, including the PLO, the representative of the Palestinian people; considers the Arab Peace Plan adopted unanimously at the 12th Arab Summit Conference, held at Fez, Morocco, on 25 Nov. 1981 and from 6 to 9 Sept. 1982, and reiterated by the Extraordinary Summit Conference of the Arab States held at Casablanca, Morocco, from 7 to 9 Aug. 1985, as well as relevant efforts and action to implement the Fez plan, as an important contribution towards the realization of the inalienable rights of the Palestinian people through the achievement of a comprehensive, just and lasting peace in the Middle East; condemns Israel's aggression, policies and practices against the Palestinian people in the occupied Palestinian territories and outside these territories, including expropriation, establishment of settlements, annexation and other terrorist, aggressive and repressive measures, which are in violation of the Charter and the principles of international law and the relevant international conventions (adopted 104-19-32, 97th meeting, 4 Dec. 1986).

A/RES/41/162[B] [Israeli practices in the occupied territories].

Declares once more that Israel's continued occupation of the Golan Heights and its decision of 14 Dec. 1981 to impose its laws, jurisdiction and administration on the occupied Syrian Golan Heights constitute an act of aggression under the provisions of Article 39 of the Charter of the UN and General Assembly resolution 3314 (XXIX); declares once more that Israel's decision to impose its laws, jurisdiction and administration on the occupied Syrian Golan Heights is illegal and therefore null and void and has no validity whatsoever; declares all Israeli policies and practices of, or aimed at, annexation of the Palestinian and other occupied Arab territories, including Jerusalem, to be illegal and in violation of international law and of the relevant UN resolutions; strongly deplores the negative vote by a permanent member of the Security Council which prevented the Council from adopting against Israel, under Chapter VII of the Charter, the "appropriate measures" referred to in resolution 497 (1981) unanimously adopted by the Council; calls once more upon all Member States to apply the following measures: (a) to refrain from supplying Israel with any weapons and related equipment and to suspend any military assistance that Israel receives from them; (b) to refrain from acquiring any weapons or military equipment from Israel; (c) to suspend economic, financial and technological assistance to and co-operation with Israel; (d) to sever diplomatic, trade and cultural relations with Israel (adopted 90-29-34, 97th meeting, 4 Dec. 1986).

A/RES/41/162[C] [Status of Jerusalem].

Determines that Israel's decision to impose its laws, jurisdiction and administration on the Holy City of Jerusalem is illegal and therefore null and void and has not validity whatsoever; deplores the transfer by some States of their diplomatic missions to Jerusalem in violation of Security Council resolution 478 (1980) and their refusal to comply with the provisions of that resolution (adopted 141-3-11, 97th meeting, 4 Dec. 1986).

The resolution is divided into separate parts, A/RES/41/39A-E.

A/RES/41/39[A] Situation in Namibia resulting from the illegal occupation of the territory by South Africa.

Urges the Security Council to take appropriate action to ensure that the UN plan is not undermined or modified in any way and that it is fully respected and implemented; calls upon South Africa to desist from linking the independence of Namibia to irrelevant and extraneous issues, such as the presence of Cuban troops in Angola; urges the international community to increase support to the front-line States and to SWAPO; demands that South Africa immediately release all Namibian political prisoners, and account for all "disappeared" Namibians and release any who are still alive; calls upon the UN Council for Namibia to compile statistical information on the wealth illegally extracted from Namibia with a view to assessing the extent of compensation eventually due to an independent Namibia; calls upon all Governments to take all appropriate measures to prohibit State-owned and other corporations, together with their subsidiaries, from dealing in Namibian uranium and from engaging in any uranium-prospecting activities in Namibia; calls upon all specialized agencies, in particular IMF to terminate all collaboration with, and assistance to South Africa; requests the UN Council for Namibia to continue to monitor the boycott of South Africa (adopted 130-0-26, 79th meeting, 20 Nov. 1986).

A/RES/41/39[B] Implementation of Security Council resolution 435 (1978).

Demands that South Africa immediately rescind the illegal and unilateral installation of the so-called interim government in Namibia on 17 June 1985; demands that South Africa urgently comply fully and unconditionally with the resolutions of the Security Council, in particular resolutions 385 (1976) and 435 (1978) and subsequent resolutions of the Council relating to Namibia; urges the Security Council, in view of the persistent refusal by the racist regime of South Africa to comply with the resolutions and decisions of the UN on the question of Namibia to impose comprehensive and mandatory sanctions against that régime; requests the Security Council to meet urgently in order to exercise its authority with regard to Namibia and to undertake decisive action in fulfilment of the direct responsibility of the UN over Namibia, and to take, without further delay, appropriate steps to ensure that Council resolutions 385 (1976) and 435 (1978) embodying the UN plan for the independence of Namibia are implemented without any pre-conditions; calls upon all States, the specialized agencies and other organizations of the UN System and other institutions, as well as corporations, non-governmental organizations and individuals, pending the imposition by the Security Council of comprehensive and mandatory sanctions against the racist régime of South Africa, to cease all co-operation with that régime in the political, economic, diplomatic, military, nuclear, cultural, sports and other fields (adopted 133-0-25, 79th meeting, 20 Nov. 1986).

A/RES/41/60[I] Implementation of General Assembly resolution 40/151C on a nuclear-arms freeze.
Urges once more the USSR and the United States, as the 2 major nuclear-weapon States, to proclaim, either through simultaneous unilateral declarations or through a joint declaration, an immediate nuclear-arms freeze, which would be a first step towards the comprehensive programme of disarmament and whose structure and scope would be the following: (a) it would embrace: (i) a comprehensive test ban of nuclear weapons and of their delivery vehicles; (ii) the complete cessation of the manufacture of nuclear weapons and of their delivery vehicles; (iii) a ban on all further deployment of nuclear weapons and of their delivery vehicles; (iv) the complete cessation of the production of fissionable material for weapons purposes; (b) it would be subject to appropriate measures and procedures of verification, such as those that have already been agreed by the parties in the case of the SALT I and SALT II treaties, those agreed upon in principle by them during the preparatory trilateral negotiations on the comprehensive test ban held at Geneva and those contemplated in the document on verification measures issued at the Mexico summit on 7 Aug. 1986; (c) it would be of an initial 5-year duration, subject to prolongation when other nuclear-weapon States join in such a freeze, as the General Assembly urges them to do (adopted 139-12-4, 94th meeting, 3 Dec. 1986).

At the 94th meeting, 3 Dec. 1986, the draft resolution in A/41/816 (originally A/C.1/41/L.59) was adopted (145-0-7) as resolution 41/45.

Resolutions

A/RES/41/45 Implementation of General Assembly resolution 40/79 concerning the signature and ratification of Additional Protocol I of the Treaty for the Prohibition of Nuclear Weapons in Latin America (Treaty of Tlatelolco).

Deplores that the signature of Additional Protocol I by France, which took place on 2 Mar. 1979, has not yet been followed by the corresponding ratification, notwithstanding the time already elapsed and the pressing invitations which the General Assembly has addressed to it; once more urges France not to delay any further such ratification, which has been requested so many times and which appears all the more advisable, since France is the only one of the four States to which the Protocol is open that is not yet party to it (adopted 145-0-7, 94th meeting, 3 Dec. 1986).

A/41/PV.94

At the 94th meeting, 3 Dec. 1986, action on draft resolutions in A/41/834 was as follows: draft resolution A (originally A/C.1/41/L.35), adopted (135-3-14) as resolution 41/46A; draft resolution B (originally A/C.1/41/L.61), adopted (127-3-21) as resolution 41/46B.

Resolutions

A/RES/41/46 Cessation of all nuclear-test explosions.

The resolution is divided into separate parts, A/RES/41/46A-B.

A/RES/41/46[A]

Reaffirms its conviction that a treaty to achieve the prohibition of all nuclear-test explosions by all States for all time is a matter of the highest priority; urges once more the three depository Powers of the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water and of the Treaty on the Non-Proliferation of Nuclear Weapons to abide strictly by their undertakings to seek to achieve the early discontinuance of all test explosions of nuclear weapons for all time and to expedite negotiations to this end; appeals to all States members of the Conference on Disarmament, in particular to the 3 depository Powers of the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water and of the Treaty on the Non-Proliferation of Nuclear Weapons, to promote the establishment by the Conference at the beginning of its 1987 session of an ad hoc committee with the objective of carrying out the multilateral negotiation of a treaty on the complete cessation of nuclear-test explosions; recommends to the Conference on Disarmament that such an ad hoc committee should comprise 2 working groups dealing, respectively, with the following interrelated questions: contents and scope of the treaty, and compliance and verification (adopted 135-3-14, 94th meeting, 3 Dec. 1986).

A/RES/41/46[B]

Recommends that the States parties to the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water undertake practical steps leading to the convening of a conference to consider amendments to the Treaty that would convert it into a comprehensive nuclear-test-ban treaty; requests that States parties to the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water report to the General Assembly at its 42nd session on the progress of their efforts (adopted 127-3-21, 94th meeting, 3 Dec. 1986).

A/RES/41/64 International co-operation in the peaceful uses of outer space.

Invites States that have not yet become parties to the international treaties governing the uses of outer space to give consideration to ratifying or acceding to those treaties; endorses the recommendations of the Committee on the Peaceful Uses of Outer Space on the work of its Sub-Committees; considers that it is particularly urgent to implement the following recommendations: (a) all countries should have the opportunity to use the techniques resulting from medical studies in space; (b) data banks at the national and regional levels should be strengthened and expanded and an international space information service should be established to function as a centre of co-ordination; (c) the UN should support the creation of adequate training centres at the regional level, linked, whenever possible, to institutions implementing space programmes; necessary funding for the development of such centres should be made available through financial institutions; (d) the UN should organize a fellowship programme through which selected graduates or post-graduates from developing countries should get in-depth, long-term exposure to space technology or applications; it is also desirable to encourage the availability of opportunities for such exposures on other bilateral and multilateral bases outside the UN System; endorses the UN Programme on Space Application for 1987, as proposed to the Committee on the Peaceful Uses of Outer Space by the Expert on Space Applications (adopted without vote, 95th meeting, 3 Dec. 1986).

Resolutions

A/RES/41/63 Report of the Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Population of the Occupied Territories.

The resolution is divided into separate parts, A/RES/41/63 A-G.

A/RES/41/63[A] [Arbitrary detention of Palestinians in the occupied territories].

Notes the initial release of Palestinian prisoners on 20 May 1985; deplores the Israeli subsequent arbitrary detention or imprisonment of hundreds of Palestinians; demands that the Government of Israel, the occupying Power, rescind its action against the detainees and imprisoned Palestinians and release them immediately (adopted 108-2-34, 95th meeting, 3 Dec. 1986).

A/RES/41/63[B] [Applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War (12 Aug. 1949)].

Reaffirms that the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, is applicable to the Palestinian and other Arab territories occupied by Israel since 1967, including Jerusalem; condemns once again the failure of Israel, the occupying Power, to acknowledge the applicability of the Convention to the territories it has occupied since 1967, including Jerusalem; strongly demands that Israel acknowledge and comply with the provisions of the Convention in the Palestinian and other Arab territories it has occupied since 1967, including Jerusalem (adopted 145-1-6, 95th meeting, 3 Dec. 1986).

A/RES/41/63[C] [Israeli measures threatening the legal status, geographical nature and demographic composition of the occupied territories].

Determines that all such measures and actions taken by Israel in the Palestinian and other Arab territories occupied since 1967, including Jerusalem, are in violation of the relevant provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, and constitute a serious obstacle to the efforts to achieve a comprehensive, just and lasting peace in the Middle East, and therefore have no legal validity; demands that Israel comply strictly with its international obligations in accordance with the principles of international law and the provisions of the Geneva Convention; demands once more that Israel, the occupying Power, desist forthwith from taking any action which would result in changing the legal status, geographical nature or demographic composition of the Palestinian and other Arab territories occupied since 1967, including Jerusalem (adopted 145-1-5, 95th meeting, 3 Dec. 1986).

TERRITORIES OCCUPIED BY ISRAEL--HUMAN RIGHTS
(AGENDA ITEM 71) (cont.)

A/RES/41/63[D] [Violation of the human rights of the civilian population of the territories occupied by Israel].
Demands that Israel allow the Special Committee access to the occupied territories; reaffirms the fact that occupation itself constitutes a grave violation of the human rights of the civilian population of the occupied Arab territories; strongly condemns the following Israeli policies and practices: (a) Annexation of parts of the occupied territories, including Jerusalem; (b) Imposition of Israeli laws, jurisdiction and administration on the Syrian Golan Heights; (c) Illegal imposition and levy of heavy and disproportionate taxes and dues; (d) Establishment of new Israeli settlements and expansion of the existing settlements on private and public Arab lands, and transfer of an alien population thereto; (e) Eviction, deportation, expulsion, displacement and transfer of Arab inhabitants of the occupied territories; (f) Confiscation and expropriation of private and public Arab property; (g) Excavation and transformation of the landscape and the historical, cultural and religious sites; (h) Pillaging of archaeological and cultural property; (i) Destruction and demolition of Arab houses; (j) Collective punishment, mass arrests, administrative detention and ill-treatment of the Arab population; (k) Ill-treatment and torture of persons under detention; (l) Interference with religious freedoms and practices as well as family rights and customs; (m) Interference with the system of education and with the social and economic and health development of the population; (n) Interference with the freedom of movement of individuals; (o) Illegal exploitation of the nature wealth, resources and population (adopted 114-2-36, 95th meeting, 3 Dec. 1986).

A/RES/41/63[E] [Expelled Palestinian leaders].
Demands that the Government of Israel, the occupying Power, rescind the illegal measures taken by the Israeli military occupation authorities in expelling the Mayor of Halhul, the Sharia Judge of Hebron and, in 1985 and 1986, other Palestinian leaders and that it facilitates the immediate return of the expelled Palestinians so that they can, inter alia, resume the functions for which they were elected and appointed; calls upon Israel, the occupying Power, to cease forthwith the expulsion of Palestinians and to abide scrupulously by the provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949 (adopted 131-1-21, 95th meeting, 3 Dec. 1986).

A/RES/41/63[F] [Imposition of Israeli laws on the Syrian Golan Heights].
Strongly condemns Israel, the occupying Power, for its refusal to comply with the relevant resolutions of the General Assembly and the Security Council, particularly Council resolution 497 (1981), in which the Council, inter alia, decided that the Israeli decision to impose its laws, jurisdiction and administration on the occupied Syrian Golan Heights was null and void and without international legal effect and demanded that Israel, the occupying Power, should rescind forthwith its decision; strongly condemns Israel for its attempts and measures to impose forcibly Israeli citizenship and Israeli identity cards on the Syrian citizens in the occupied Syrian Golan Heights and calls upon it to desist from its repressive measures against the population of the Syrian Golan Heights (adopted 142-1-11, 95th meeting, 3 Dec. 1986).

A/RES/41/63[G] [Israeli actions against Palestinian educational institutions].
Condemns Israeli policies and practices against Palestinian students and faculties in schools, universities and other educational institutions in the occupied Palestinian territories, especially the policy of opening fire on defenceless students, causing many casualties; condemns the systematic Israeli campaign of repression against and closing of universities and other educational and vocational institutions in the occupied Palestinian territories, restricting and impeding the academic activities of Palestinian universities by subjecting the selection of courses, textbooks and educational programmes, the admission of students and the appointment of faculty members to the control and supervision of the military occupation authorities, in clear contravention of the Geneva Convention; demands that Israel, the occupying Power, comply with the provisions of that Convention, rescind all actions and measures against all educational institutions, ensure the freedom of those institutions and refrain forthwith from hindering the effective operation of the universities and other educational institutions (adopted 119-2-32, 95th meeting, 3 Dec. 1986).

Requests all specialized agencies and other organizations and bodies of the UN System, in accordance with the relevant resolutions of the General Assembly and the Security Council, to take all necessary measures to withhold from the racist régime of South Africa any form of co-operation and assistance in the financial, economic, technical and other fields and to discontinue all support to that régime until the people of Namibia have exercised fully their inalienable right to self-determination, freedom and national independence in a united Namibia and until the inhuman system of apartheid has been totally eradicated; regrets that the World Bank continues to maintain certain financial and technical links with the racist régime of Pretoria and expresses the view that those links should be discontinued; strongly deplores that the IMF has been assisting the racist régime of South Africa and expresses the view that the Fund should put an end to such assistance; urges the specialized agencies and other organizations of the UN System that have not already done so to include in the agenda of the regular meetings of their governing bodies a separate item on the progress they have made in the implementation of General Assembly resolution 1514 (XV) and the other relevant resolutions of the UN (adopted 123-4-27, 52nd meeting, 31 Oct. 1986).

UN. SECRETARIAT--PERSONNEL MANAGEMENT (AGENDA
ITEM 117A) (cont.)

A/RES/41/206[A] Composition of the
Secretariat.

Requests the Secretary-General to apply, to the extent possible, the 1986-1987 medium-term plan of recruitment, with specific recruitment targets for unrepresented and underrepresented Member States and to continue to conduct appropriate consultations with Member States, particularly those seriously affected by the recruitment freeze, to ensure that the targets are met as soon as possible; further requests the Secretary-General to make every effort to increase the number of staff recruited from Member States below the mid-point of their desirable ranges; further requests the Secretary-General to continue to ensure the representation of developing countries and other countries in senior and policy-making posts; requests the Secretary-General to lift the freeze on recruitment activities for external candidates at the earliest possible date, and at the same time requests the Secretary-General to explore alternatives to the recruitment freeze policy; requests the Secretary-General to continue his efforts aimed at the improvement of the status of women in the Secretariat; notes that the introduction, in 1986, of a national competitive examination at the P-3 level was postponed (adopted without vote, 101st meeting, 11 Dec. 1986).

A/RES/41/206[B] Composition of the upper
echelons of the Secretariat.

Requests the Secretary-General, in order to preserve the principle of equitable geographical distribution and the need for rotation in the composition of the upper echelons of the Secretariat, to ensure that equal opportunity is given to nationals of all Member States when making appointments to all posts at the levels of Under-Secretary-General and Assistant Secretary-General; calls upon the Secretary-General in making appointments at the levels of Under-Secretary-General and Assistant Secretary-General to strive to appoint only a national of a country other than that of the incumbent to be replaced in order to reinforce the principle of rotation in the upper echelons of the Secretariat, unless the Secretary-General considers that there are exceptional circumstances, in the light of Article 101, paragraph 3, of the Charter of the UN (adopted without vote, 101st meeting, 11 Dec. 1986).

A/RES/41/206[C] Desirable ranges for the
geographical distribution of staff in the
Professional category and above.

Requests the Secretary-General to submit updated calculations on desirable ranges for all Member States, taking into account the views expressed by Member States during the current session and, in particular, the following criteria: (a) the desirability of the base figure for the calculations being related to the actual number of posts subject to geographical distribution; (b) the movement towards the establishment of parity between the membership and contribution factors; (c) the direct allocation of posts subject to the population factor of 7.2 per cent to Member States in proportion to their populations; (d) the need for flexibility upwards and downwards from the mid-point of the desirable ranges; requests the Secretary-General to present proposals thereon to the General Assembly with a view to reaching a decision at its 42nd session (adopted without vote, 101st meeting, 11 Dec. 1986).

A/RES/41/206[D] Improvement of the status
of women in the Secretariat.

Endorses the development of monitoring and accountability systems covering all aspects of the employment of women in the Organization and takes note of the special priority given to these matters by the Secretary-General in section III of his report; requests the Secretary-General to take the necessary measures to increase the number of women in posts subject to geographical distribution with a view to achieving, to the extent possible, an overall participation rate of 30 per cent of the total by 1990, without prejudice to the principle of equitable geographical distribution of posts; urges the Secretary-General to make every effort to appoint more women to senior decision-making positions throughout the Organization on as wide a geographical basis as possible and from all groups of Member States (adopted without vote, 101st meeting, 11 Dec. 1986).

Resolutions

A/RES/41/69 UNRWA.

The resolution is divided into separate parts, A/RES/41/69A-K.

A/RES/41/69[A] Assistance to Palestine refugees.

Notes with deep regret that repatriation or compensation of the refugees as provided for in paragraph 11 of General Assembly resolution 194 (III) has not been affected; reiterates its request that the headquarters of the Agency should be relocated to its former site within its area of operations as soon as practicable; calls upon all Governments, as a matter of urgency, to make the most generous efforts possible to meet the anticipated needs of the Agency, particularly in the light of the budgetary deficit projected in the report of the Commissioner-General, and therefore urges non-contributing Governments to contribute regularly and contributing Governments to consider increasing their regular contributions; decides to extend until 30 June 1990, without prejudice to the provisions of paragraph 11 of General Assembly resolution 194 (III), the mandate of the UNRWA (adopted 150-0-1, 95th meeting, 3 Dec. 1986).

A/RES/41/69[B] Working Group on the Financing of UNRWA.

Requests the Working Group to continue its efforts, in co-operation with the Secretary-General and the Commissioner-General, for the financing of the Agency for a further period of one year; requests the Secretary-General to provide the necessary services and assistance to the Working Group for the conduct of its work (adopted without vote, 95th meeting, 3 Dec. 1986).

A/RES/41/69[C] Assistance to persons displaced as a result of the June 1967 and subsequent hostilities.

Endorses the efforts of the Commissioner-General of the UNRWA to continue to provide humanitarian assistance as far as practicable, on an emergency basis and as a temporary measure, to other persons in the area who are at present displaced and in serious need of continued assistance as a result of the June 1967 and subsequent hostilities; strongly appeals to all Governments and to organizations and individuals to contribute generously for the above purposes to the UNRWA and to the other intergovernmental and non-governmental organizations concerned (adopted without vote, 95th meeting, 3 Dec. 1986).

UNRWA (AGENDA ITEM 75) (cont.)

A/RES/41/69[D] Offers by Member States of grants and scholarships for higher education, including vocational training, for Palestine refugees.

Strongly appeals to all States, specialized agencies and non-governmental organizations to augment the special allocations for grants and scholarships to Palestine refugees in addition to their contributions to the regular budget of the UNRWA; invites the relevant specialized agencies and other organizations of the UN System to continue, within their respective spheres of competence, to extend assistance for higher education to Palestine refugee students; appeals to all States, specialized agencies and the UNU to contribute generously to the Palestinian universities in the territories occupied by Israel since 1967, including, in due course, the proposed University of Jerusalem "Al-Quds" for Palestine refugees; also appeals to all States, specialized agencies and other international bodies to contribute towards the establishment of vocational training centres for Palestine refugees; requests the UNRWA to act as the recipient and trustee for the special allocations for grants and scholarships and to award them to qualified Palestine refugee candidates (adopted 153-0-1, 95th meeting, 3 Dec. 1986).

A/RES/41/69[E] Palestine refugees in the Gaza Strip.

Reiterates strongly its demand that Israel desist from the removal and resettlement of Palestine refugees in the Gaza Strip and from the destruction of their shelters; requests the Commissioner-General to extend all the services of the UNRWA to Palestine refugees in the Gaza Strip (adopted 146-2-5, 95th meeting, 3 Dec. 1986).

A/RES/41/69[F] Resumption of the ration distribution to Palestine refugees.

Requests the Commissioner-General to resume on a continuing basis the interrupted general ration distribution to Palestine refugees in all fields (adopted 130-20-4, 95th meeting, 3 Dec. 1986).

A/RES/41/69[G] Population and refugees displaced since 1967.

Reaffirms the inalienable right of all displaced inhabitants to return to their homes or former places of residence in the territories occupied by Israel since 1967, and declares once more that any attempt to restrict, or to attach conditions to, the free exercise of the right to return by any displaced person is inconsistent with that inalienable right and inadmissible; considers any and all agreements embodying any restriction on, or condition for, the return of the displaced inhabitants as null and void; strongly deplores the continued refusal of the Israeli authorities to take steps for the return of the displaced inhabitants; calls once more upon Israel: (a) to take immediate steps for the return of all displaced inhabitants; and (b) to desist from all measures that obstruct the return of the displaced inhabitants, including measures affecting the physical and demographic structure of the occupied territories (adopted 126-2-25, 95th meeting, 3 Dec. 1986).

A/RES/41/69[H] Revenues derived from Palestine refugee properties.

Calls upon the Governments of all the other Member States concerned to provide the Secretary-General with any pertinent information in their possession concerning Arab property, assets and property rights in Israel, which would assist the Secretary-General in the implementation of the present resolution; deplores Israel's refusal to co-operate with the Secretary-General in the implementation of the resolutions on the question (adopted 124-2-28, 95th meeting, 3 Dec. 1986).

A/RES/41/69[I] Protection of Palestine refugees.

Urges the Secretary-General, in consultation with the Commissioner-General of the UNRWA, to undertake effective measures to guarantee the safety and security and the legal and human rights of the Palestine refugees in all the territories under Israeli occupation in 1967 and thereafter; holds Israel responsible for the security of the Palestine refugees in the Palestinian and other Arab territories occupied since 1967, including Jerusalem, and calls upon it to fulfil its obligations as the occupying Power in this regard, in accordance with the pertinent provisions of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 Aug. 1969; urges the Commissioner-General, in consultation with the Government of Lebanon, to provide housing to the Palestine refugees whose houses were demolished or razed by the Israeli forces; calls once again upon Israel to compensate the Agency for the damage to its property and facilities resulting from the Israeli invasion of Lebanon, without prejudice to Israel's responsibility for all damages resulting from that invasion (adopted 121-2-29, 95th meeting, 3 Dec. 1986).

A/RES/41/69[J] Palestine refugees in the West Bank.

Calls once again upon Israel to abandon those plans and to refrain from any action that leads to the removal and resettlement of Palestine refugees in the West Bank and from the destruction of their camps (adopted 145-2-6, 95th meeting, 3 Dec. 1986).

A/RES/41/69[K] University of Jerusalem "Al-Quds" for Palestine refugees.

Emphasizes the need for strengthening the educational system in the Arab territories occupied since 5 June 1967, including Jerusalem, and specifically the need for the establishment of the proposed university; requests the Secretary-General to continue to take all necessary measures for establishing the University of Jerusalem "Al-Quds", in accordance with General Assembly resolution 35/13B of 3 Nov. 1980, giving due consideration to the recommendations consistent with the provisions of that resolution; calls once more upon Israel, the occupying Power, to co-operate in the implementation of the present resolution and to remove the hindrances that it has put in the way of establishing the University of Jerusalem "Al-Quds" (adopted 152-2-0, 95th meeting, 3 Dec. 1986).
