SECURITY AND SAFETY SERVICES (SSS)

THE SSS IS RECRUITING

Do you have experience in the military or law enforcement?

Nestled on the east side of New York City, is the home of the United Nations Headquarters. The Security and Safety Service is currently seeking to recruit professionally trained individuals in the field of safety and security. With 75 years of experience, this service is specialized in an array of security techniques and physical security systems.

JOIN US AT UNDSS

STRONGLY SEEKING WOMEN APPLICANTS

WHAT WE DO

- Access control of critical installations
- VIP protection
- Emergency response
- Investigations
- Video surveillance and alarm monitoring
- Fire and Life Safety
- Canine Explosive Detection
- Security Screening
- Physical Security
- UN Security officers deploy all around the world to enable UN activities

This is a unique opportunity to join a diverse, dynamic, and exciting organization gaining unique and valuable experience where security provides great value. Besides the opportunity to gain new skills and further advance security expertise, this position offers a fulfilling environment that gives you satisfaction by contributing directly or indirectly to peace and security, human rights, and achievement of the Sustainable Development Goals. Simply, all humanity will be benefiting from your work. Together, we can make the world a better place.

The United Nations Secretariat is committed to achieving 50/50 gender balance in its staff. Women candidates are strongly encouraged to apply.
