

GIANCARLO CORSETTI

Giancarlo Corsetti is Professor of Macroeconomics at Cambridge University, fellow of Clare College and director of the Cambridge INET Institute. He previously held the Pierre Werner Chair at the European University Institute in Florence, and taught at the Universities of Rome III, Yale and Bologna. He is a leading scholar in international economics and open macro with pioneering contributions on currency, financial and sovereign crises, monetary and fiscal policy in open economy, and the international transmission and global imbalances. Mr. Corsetti is a consultant at the European Central Bank, the Bank of England, the Bank of International Settlement and a regular visiting professor in central banks and international institutions. He is research fellow of the Centre for Economic Policy Research London and CESifo in Munich.

DIANE COYLE

Professor Diane Coyle is the inaugural Bennett Professor of Public Policy at the University of Cambridge. Diane co-directs the Bennett Institute where she heads research under the themes of progress and productivity, and has been a government adviser on economic policy, including throughout the covid-19 pandemic. Her latest book, 'Markets, State and People – Economics for Public Policy' examines how societies reach decisions about the use and allocation of economic resources.

Diane is also a Director of the Productivity Institute, a Fellow of the Office for National Statistics, an expert adviser to the UK Competition and Markets Authority, and Senior Independent Member of the ESRC Council. She has served in public service roles including as Vice Chair of the BBC Trust, member of the Competition Commission, of the Migration Advisory Committee and of the Natural Capital Committee. Diane was Professor of Economics at the University of Manchester until March 2018 and was awarded a CBE for her contribution to the public understanding of economics in the 2018 New Year Honours.

Dr. Elbadawi is currently at his second mandate as the Managing Director of the Economic Research Forum for the Arab World, Iran & Turkey (August 2020- present; January 2017- August 2019). Previously, he was the Minister of Finance and Economic Planning, Republic of Sudan (Sept 2019-July 2020), Professor Emeritus, University of Khartoum. Before that he was Director at the Economic

Policy & Research Center, the Dubai Economic Council (2009-2016); Lead Economist at the Development Research Group of the World Bank, which he joined in 1989; and Professor of economics at the University of Gezira in Sudan. He holds a PhD in economics and statistics from North Carolina State and Northwestern universities in the USA.

During his work at the World Bank he also served as Research Director of the African Economic Research Consortium (Nairobi, 1993-1998), on external leave from the Bank. He has edited 13 books and special editions of referred journal and published about 90 articles on macroeconomics, growth and development policy, democratic transitions and the economics of civil wars and post-conflict transitions. His regional specialization covers Africa and the Middle East. He is also a (non-resident) research fellow with the Center for Global Development.

Dr. Elbadawi is the editor of (with Hoda Selim) of: *Understanding and Avoiding the Oil Curse in Resource-rich Arab Economies* (Cambridge University Press, 2016); and, Ibrahim Elbadawi (with Samir Makdisi). *Democratic Transitions in the Arab World*. (Cambridge University Press: 2016).

ALEX EZEH

Alex Ezech is Dornsife Professor of Global Health at the Dornsife School of Public Health, Drexel University, and he was Distinguished Visiting Fellow at the Center for Global Development. Previously, he served as the founding Executive Director of the African Population and Health Research Center (APHRC) and, over a period of 17 years, guided APHRC to become one of Africa's foremost regional research center addressing population, health, education and development issues. He initiated and directed the Consortium for Advanced Research Training in Africa (CARTA) and the African Doctoral Dissertation Research Fellowship programs, to strengthen doctoral training and the retention of academics at African universities across sub-Saharan Africa.

He has served on numerous non-profit Boards and several Lancet Commissions including the Rockefeller Foundation-Lancet Commission on Planetary Health, the Lancet Commission on the Future of Health in Africa, and he Co-Chaired the Guttmacher-Lancet Commission on Sexual and Reproductive Health and Rights. He is also a member of the Vatican-Lancet-Mario Negri Commission on the Value of Life that began its work in February 2018.

Ezech is honorary professor of public health at the University of the Witwatersrand, South Africa, and holds an honorary Doctor of Science from KCA University, Kenya. He received his MA and PhD in demography from the University of Pennsylvania, and MS and BS in Sociology from the University of Ibadan and Abia State University, respectively, both in Nigeria. He is the recipient of The World Academy of Sciences' 2018 Prize for the Social Sciences, and the London School of Hygiene and Tropical Medicine and Royal Society for Tropical Medicine and Hygiene's 2020 George Macdonald Medal.

Marcel Fratzscher is President of DIW Berlin, one of the leading, independent economic research institutes and think tanks in Europe, Professor of Macroeconomics and Finance at Humboldt-University Berlin, and Chair of the German government expert committee on "Strengthening investment in Germany". Marcel Fratzscher is member of the advisory board of the German development, non-profit Deutsche Welthungerhilfe and

of the supervisory board of the Hertie School of Governance. Moreover, he is member of the advisory board of the foundation Deutschland rundet auf, co-owner and engaged at Kreuzberger Kinderstiftung and member of the advisory board of the Society for German-Chinese Cultural Exchange (GeKA e.V.) Berlin.

His prior professional experience includes work as Head of the International Policy Analysis at the European Central Bank (ECB), where he worked from 2001 to 2012; the Peterson Institute for International Economics in 2000-01; before and during the Asian financial crisis in 1996-98 at the Ministry of Finance of Indonesia for the Harvard Institute for International Development (HIID); and shorter periods at the Asian Development Bank, the World Bank and in various parts of Asia and Africa. He received a Ph.D. in Economics from the European University Institute (EUI); a Master of Public Policy from Harvard University's John F. Kennedy School of Government; a B.A. in Philosophy, Politics, and Economics (PPE) from the University of Oxford, and a Vordiplom in Economics from Kiel University. He obtained his primary and secondary education in Germany.

Anastasia J. Gage is a Professor at the Department of Global Community Health and Behavioral Sciences, School of Public Health and Tropical Medicine, Tulane University. She earned a Doctor of Philosophy degree in Demography from the University of Pennsylvania, a Master of Philosophy degree in Population Studies from the University of Ghana, and a Bachelor of Arts (Honors) degree in Geography

from the University of Sierra Leone. Dr. Gage has extensive research experience in sexual and reproductive health, violence against women and girls, maternal and child health, women's empowerment, and health risk behaviors among youth. She has also conducted qualitative and quantitative studies to support program design, implementation, monitoring and evaluation in Ghana, Democratic Republic of Congo, Ethiopia, Haiti, Nigeria, Jamaica, Uganda, and Zambia. Dr. Gage has served on the Board of Directors of the African Population and Health Research Center, Nairobi (2000-2006); the Integrated Public Use Microdata Series (IPUMS)-International, Advisory Board for the National Science Foundation (2015-2018); the Scientific Advisory Committee, INDEPTH Network (2010-2018); and the International Outreach Committee, Population Association of America (2013-2017). JAYATI GHOSH

Jayati Ghosh taught Economics at Jawaharlal Nehru University, New Delhi, India for 34 years. She is now Professor of Economics at the University of Massachusetts at Amherst, USA. She was educated at Delhi University, Jawaharlal Nehru University and the University of Cambridge, England where she obtained her Ph.D. in 1983. Since 2002 she has been the Executive Secretary of International Development Economics Associates (IDEAS), an international network of heterodox development economists (www.networkideas.org). She is Founding Trustee of the Economic Research Foundation (www.macrosan.org). She has advised on policy-related issues for state and central governments in India as well as in other countries. She was the Chairperson of the Commission on Farmers' Welfare in 2004 constituted by the state government of Andhra Pradesh in India, and Member of the National Knowledge Commission reporting to the Prime Minister of India (2005-09). She has consulted for several international organisations, including ILO, UNDP, UNCTAD, UN-DESA, UNRISD and UN Women. She is a member of a large number of advisory boards of institutions and academic journals. She is a regular columnist for various newspapers, journals and online publications. Her blog can be found on <http://www.networkideas.org/jayati-blog/>. She has been closely involved in working with progressive organisations and social movements. She is married and has one daughter.

NARGIS KASSENOVA

Nargis Kassenova is Senior Fellow and Director of the Program on Central Asia at the Davis Center for Russian and Eurasian Studies (Harvard University), Associate Professor at the Department of International Relations and Regional Studies of KIMEP University (Almaty, Kazakhstan), and former Founder and Director of the Central Asian Studies

Center (CASC) and the China and Central Asia Studies Center (CCASC). She holds a PhD in International Cooperation Studies from the Graduate School of International Development, Nagoya University (Japan). Her publications include both academic and policy-relevant research, focusing on Central Asian politics and security, Eurasian geopolitics, China's Belt and Road Initiative and governance in Central Asia, and history of state-making in Central Asia. Kassenova is a member of the Advisory Board of the Open Society Foundations (OSF) Eurasia Program, the Advisory Committee of the Human Rights Watch (HRW) Europe and Central Asia Division, the Advisory Group of the EU Central Asia Monitoring (EUCAM) program, and the Academic Council of the European Neighbourhood Council (ENC). She is on the editorial boards of Central Asian Survey, Central Asian Affairs, and REGION: Regional Studies of Russia, Eastern Europe, and Central Asia journals.

RICARDO LAGOS

Ricardo Lagos is Honorary Chairman of the Interamerican Dialogue, member of Global Commission on Drug Policy and Co-Chairman of Foro Iberoamerica and Pro Bono President of Fundación Democracia y Desarrollo. He is also member of the Elders and of the Club of Madrid. During the 80's he played a predominant role in the process to recover the democracy in Chile. He led the Democratic Alliance and the Independent Committee for Free

Elections. He was the founder and first president of the Party for the Democracy. Between 2000 and 2006, he was president of the Republic of Chile. Prior to becoming president, Mr. Lagos was Minister of Education under Patricio Aylwin's term, (1990) and Minister of Public Works under Eduardo Frei Ruiz-Tagle's term (1994). From 2008 to 2009, Mr. Lagos was President of the Club of Madrid and United Nations' Special Envoy on Climate Change. Mr. Lagos was born on 2 March 1938. He holds a Law degree from University of Chile and a Ph.D. in Economics from Duke University. He has also received the Honoris Causa distinction from many prestigious universities in the world, such as the Universidad Autónoma de México, Universidad de Salamanca, amongst others. He was granted the "Berkeley Medal", top distinction of the Berkeley University in California.

MARIANA MAZZUCATO

Mariana Mazzucato is Professor in the Economics of Innovation and Public Value at University College London (UCL), where she is Founding Director of the UCL Institute for Innovation & Public Purpose (IIPP). Previously, she served as the RM Phillips Professorial Chair at the Science Policy Research Unit (SPRU) at Sussex University. She is a selected fellow of the UK's Academy of Social Sciences (FACSS) and of the Italian National Science Academy (Lincei). She received her BA from Tufts University and her MA and PhD from the Graduate Faculty of the New School for Social Research.

Her current roles include: Chair of the World Health Organization's Council on the Economics of Health for All and being a member of the Scottish Government's Council of Economic Advisors; the South African President's Economic Advisory Council; the OECD Secretary General's Advisory Group on a New Growth Narrative; Vinnova's Advisory Panel in Sweden, and Norway's Research Council. Through her role as Special Advisor for the EC Commissioner for Research, Science and Innovation (2017-2019), she authored the high impact report on Mission-Oriented Research & Innovation in the European Union, turning "missions" into a crucial new instrument in the European Commission's Horizon innovation programme. She is well known for her highly-acclaimed books *The Entrepreneurial State: debunking public vs. private sector myths* (2013), *The Value of Everything: making and taking in the global economy* (2018) and the newly released, *Mission Economy: a moonshot guide to changing capitalism* (2021).

JOSÉ ANTONIO OCAMPO

José Antonio Ocampo is a Professor at the School of International and Public Affairs, Columbia University, and Chair of the Committee for Development Policy of the United Nations Economic and Social Council (ECOSOC). He has occupied numerous positions at the United Nations and his native Colombia, including United Nations Under-Secretary-

General for Economic and Social Affairs, Executive Secretary of the United Nations Economic Commission for Latin America and the Caribbean (ECLAC), and Minister of Finance, Minister of Agriculture and Director of the National Planning Office of Colombia. He has also served as a Member of the Board of Banco de la República, Colombia's central bank. In 2015-2016, he was also the head of Colombia's Rural Development Commission. In 2012, he was one of the two candidates from developing countries for President of the World Bank. He has received numerous academic distinctions, including the 2012 Jaume Vicens Vives award of the Spanish Association of Economic History for the best book on Spanish or Latin American economic history, the 2008 Leontief Prize for Advancing the Frontiers of Economic Thought and the 1988 Alejandro Angel Escobar National Science Award of Colombia. He has published extensively on macroeconomic theory and policy, international financial issues, economic and social development, international trade, and Colombian and Latin American economic history.

DANI RODRIK

Dani Rodrik is Ford Foundation Professor of International Political Economy at the Harvard Kennedy School. He has published widely in the areas of economic development, international economics, and political economy. His current research focuses on employment and economic growth, in both developing and advanced economies. He is the recipient of numerous awards, including most recently the Princess of Asturias Award for Social Sciences. Professor Rodrik is currently President-Elect of the International Economic Association and co-director of the Economics for Inclusive Prosperity network. His newest book is *Straight Talk on Trade: Ideas for a Sane World Economy* (2017). He is also the author of *Economics Rules: The Rights and Wrongs of the Dismal Science* (2015), *The Globalization Paradox: Democracy and the Future of the World Economy* (2011) and *One Economics, Many Recipes: Globalization, Institutions, and Economic Growth* (2007).

JEFFREY D. SACHS

Jeffrey D. Sachs is a world-renowned professor of economics, leader in sustainable development, senior UN advisor, bestselling author, and syndicated columnist whose monthly newspaper columns appear in more than 100 countries. He has twice been named among Time Magazine's 100 most influential world leaders. He was called by the New York Times, "probably the most important economist in the world," and by Time Magazine "the world's best known economist." Professor Sachs served as the

Director of the Earth Institute from 2002 to 2016. He was appointed University Professor at Columbia University in 2016, and also serves as Quetelet Professor of Sustainable Development, and Professor of Health Policy and Management at Columbia University. He is Special Advisor to United Nations Secretary-General António Guterres on the Sustainable Development Goals, and previously advised both UN Secretary-General Ban Ki-moon Sustainable Development Goals and Millennium Development Goals and UN Secretary-General Kofi Annan on the Millennium Development Goals. He is a Distinguished Fellow of the International Institute of Applied Systems Analysis in Laxenburg, Austria. Sachs is Director of both the Center for Sustainable Development, and the UN Sustainable Development Solutions Network under the auspices of UN Secretary-General Ban Ki-moon. Prior to joining Columbia, Sachs spent over twenty years as a professor at Harvard University, most recently as the Galen L. Stone Professor of International Trade. A native of Detroit, Michigan, Sachs received his B.A., M.A., and Ph.D. degrees at Harvard.

Elizabeth Sidiropoulos is the chief executive of the South African Institute of International Affairs, which she has led since 2005. With more than 26 years of experience in the field of politics and international relations, Elizabeth's expertise lies in South Africa's foreign policy, South-South Cooperation and the role of emerging powers in Africa. She is a regular commentator in South African and foreign media.

She has published on various aspects of South Africa's foreign policy including on its peace-making model as a key dimension of its soft power, its development diplomacy and edited a volume on SA's foreign policy in the first decade of democracy – Apartheid Past, Renaissance Future (SAIIA, 2004). She has also co-edited two books exploring the rise of the new development cooperation providers: Development cooperation and emerging powers: New Partners or Old Patterns (Zed Books, 2012) and Institutional Architecture and Development: Responses from Emerging Powers (Jacana, 2015). She is the editor-in-chief of the DHET accredited South African Journal of International Affairs.

She is the co-chair of the Think 20 Africa Standing Group, one of the task forces of the Think 20, which is one of the engagement groups of the G20.

Her co-edited volume on Values, Interests and Power: South African Foreign Policy in Uncertain Times, was published in October 2020. She has also recently completed a collaboration with scholars across five continents on the Handbook on Development Cooperation for Achieving the 2030 Agenda published by Palgrave in November 2020.

JOSEPH E. STIGLITZ

Joseph E. Stiglitz is an American economist and a professor at Columbia University. He is also the co-chair of the High-Level Expert Group on the Measurement of Economic Performance and Social Progress at the OECD, and the Chief Economist of the Roosevelt Institute. A recipient of the Nobel Memorial Prize in Economic Sciences (2001) and the John Bates Clark Medal (1979), he is a former senior vice president and chief economist of the World Bank and a former member and chairman of the (US president's)

Council of Economic Advisers. In 2000, Stiglitz founded the Initiative for Policy Dialogue, a think tank on international development based at Columbia University. He has been a member of the Columbia faculty since 2001 and received that university's highest academic rank (university professor) in 2003. In 2011 Stiglitz was named by *Time* magazine as one of the 100 most influential people in the world. Known for his pioneering work on asymmetric information, Stiglitz's work focuses on income distribution, risk, corporate governance, public policy, macroeconomics and globalization. He is the author of numerous books, and several bestsellers. His most recent titles are *Globalization and Its Discontents Revisited*, *The Euro*, *Rewriting the Rules of the American Economy* and *The Great Divide*.
