

Side Event Programme

Outside the Altice Arena

Updated 24 June 2022

NOTE: All timeslots are indicated in Lisbon time (WEST), 24-hour time notation
List of addresses to venues included below

Please find the agenda here for all events taking place at the Pavilhão de Portugal: <https://onesustainableocean.forumociano.pt/>

SUNDAY 26 June

OCÉAN: From Brest to Lisbon, building on the achievements of the One Ocean Summit

11:30-15:00 | Museu do Marinha

Organizers: France, One Planet Summit for the Ocean, French Presidency of the European Union, Ocean & Climate Platform

Description: OCÉAN: From Brest to Lisbon, building on the achievements of the One Ocean Summit

Contact: unoc.france@gmail.com

Webpage: <https://ocean-climate.org/un-ocean-conference-ocean-from-brest-to-lisbon/>

Fisheries Management as Climate Action

15:00-19:00 | Heden, Doca Jardim do Tabaco, Terminal de Cruzeiros de Lisboa, Edifício NE First Floor

Organizers: Our Fish, Sciaena, University of British Columbia Institute for the Oceans and Fisheries, Deutsche Umwelthilfe, Sciaena

Description: Join leading scientists and economists to explore the connection between fisheries management and action on the climate and biodiversity emergency. Finish with a cocktail and local entertainment

Contact: events@our.fish

Webpage: <https://www.climateocean.com/science-symposium-fisheries-management-as-climate-action/>

Registration: See event webpage

Monday 27 June

Fragile Beauty - Photographs by Prince Hussain Aga Khan

08:00-23:00 | Pavilhão de Portugal (27 June - 1 July) / Ismaili Centre (21 June - 27 July)

Organizers: Imamat Ismaili

Description: Fragile Beauty celebrates the beauty and magic of the ocean, testifying to some of the most enthralling and surprising encounters the photographer has experienced under the surface

Contact: info@focusedonnature.org

Webpage: <https://focusedonnature.org/en/pavblog/blog.html?id=15>

One Sustainable Ocean - Ocean Science & Business2Sea

09:00-21:00 | Pavilhão de Portugal

Organizers: Câmara Municipal de Lisboa, FCT - Fundação para a Ciência e a Tecnologia, Fórum Oceano - Associação da Economia do Mar

Description: The Ocean Science & Business2Sea event is part of the main initiative One Sustainable Ocean. From 27/06 to 01/07, the Portugal Pavilion will host more than 50 conferences, workshops, and exhibits

Contact: joao.parreira@forumocean.pt

Webpage: <https://onesustainableocean.forumocean.pt/>

Registration: See event webpage

Lançamento da tradução em português do ebook "Criminalidade Marítima - Manual para Profissionais da Justiça" (Maritime Justice - A Manual for Criminal Justice Practitioners, third edition, 2020)

09:30-10:30 | Auditório - Camões, Instituto da Cooperação e da Língua, I.P.

Organizers: PACED - Projeto de Apoio à Consolidação do Estado de Direito nos PALOP e em Timor-Leste / PALOP + TL / Camões, I.P. / União Europeia

Description: Lançamento da tradução em português do ebook "Criminalidade Marítima - Manual para Profissionais da Justiça" (Maritime Justice - A Manual for Criminal Justice Practitioners, third edition, 2020)

Contact: jpcampos.paced@camoes.mne.pt

Webpage: <https://www.paced-paloptl.com/>

National Committees and Plans for the Ocean Decade: Challenges and Opportunities for Lusophone Countries (Comitês e Planos Nacionais para a Década do Oceano: Desafios e Oportunidades para os países lusófonos)

10:00-11:30 | Ciência Viva Auditorium - Pavilhão do Conhecimento

Organizers: Ministry of Science, Technology and Innovation - Brazil

Description: Join National Committees of the UN Ocean Decade from Portuguese speaking countries for a knowledge exchange on advances and synergies for the development of Decade actions

Contact: cgoa@mcti.gov.br

Webpage: https://decada.ciencianomar.mctic.gov.br/eventos/unoc_en/

Empowering Women for the United Nations Decade of Ocean Science for Sustainable Development

13:00-15:00 | Auditorium III, FIL-Lisbon Exhibition and Congress Centre | CCL-Lisbon Congress Centre | PT Meeting Center

Organizers: World Maritime University; Department of Legal Affairs of the Portuguese Ministry of Foreign Affairs, Portugal; Ministry of Foreign Affairs, Sweden; Fisheries and Oceans, Canada; Japan Agency for Marine-Earth Science and Technology, Japan; Kenya Marine and Fisheries Research Institute, the Western Indian Ocean Marine Science Association, Kenya; Ocean Policy Research Institute, the Sasakawa Peace Foundation, Japan; Intergovernmental Oceanographic Commission of UNESCO; High Seas Alliance

Description: The Event presents the research results of a capacity-building programme on women's empowerment in ocean science and launches a global stakeholder consultative process on an IOC endorsed Decade Action

Contact: goisecretariat@wmu.se

Webpage: <https://www.wmu.se/events/wmu-empowering-women-programme-at-2022-un-ocean-conference>

Registration: See event webpage

The Invisible Global Crisis: Exceeding the Limits of the Pollution Planetary Boundary - New Science and Opportunities to Tackle Threats to Human and Marine Life

13:30-15:00 | Lisbon Exhibition and Congress Centre (FIL) - Auditorium I

Organizers: Centre for Sea and Society, UGOT, International Pollutants Elimination Network (IPEN), Swedish Institute for Marine Environment & Western Indian Ocean Marine Science Association (WIOMSA)
Description: The ocean is a global dumpsite - where beyond plastic pollution, new science reveals the even more insidious global threat of invisible chemical pollution. We discuss this crisis and how to handle it
Contact: johanna.sjoholm@gu.se
Webpage: <https://www.gu.se/en/event/the-invisible-global-crisis-exceeding-the-limits-of-the-pollution-planetary-boundary>
Registration: https://forms.office.com/pages/responsepage.aspx?id=Me2YB7D1NUmGPHPuJQWAbpnNygGbeipGi74F4mV_nFhUMTIRMfpIVDYzT0JXSFYxSTc1VTIGVIBEQI4u

Belgian-Portuguese Routes for the Blue Economy - Living Labs & Pilot Tests

15:00-18:00 | Morais Leitão

Organizers: Belgian-Portuguese Chamber of Commerce, HAEDES, Sciaena, Blue Cluster, Fórum Oceano
Description: The event will highlight some practical examples of early implementation steps of innovations in the field of Blue Economy to validate and measure their impact
Contact: info@ccb-portugal.be
Webpage: <https://www.ccb-portugal.be/iv-belgian-portuguese-routes>
Registration: <https://forms.gle/yFE4pmYeLFCFAaj19>

SMART Subsea Cables in One Sustainable Ocean: Observing the Global Ocean for Climate Monitoring and Disaster Risk Reduction

15:30-17:00 | Pavilhão de Portugal

Organizers: ANACOM; Fórum Oceano
Description: Telecom submarine cables can be used for humanitarian purposes such as environmental and seismic detection serving Science communities and People having in mind the production of Early Warnings for tsunamis and earthquakes with sufficient lead time to significantly increase disaster mitigation saving injuries, lives and property.
Contact: jose.barros@anacom.pt
Webpage: <https://onesustainableocean.forumoceano.pt/>
Registration: See event webpage

Ocean Literate Society - Youth Engagement and Intergenerational Collaboration

15:30-18:00 | Lisbon Exhibition Centre (FIL) Auditorium1

Organizers: Marine Education Centre in Sweden, Centre for Sea and Society, UGOT, EarthEcho International, High Seas Alliance, Global Youth Biodiversity Network, The Institute for the Marine Environment
Description: Young people around the world are leading initiatives to tackle large-scale challenges first-hand, with apparent positive impacts
Contact: michael.palmgren@smkc.se
Webpage: <https://www.smkc.se/youth-engagement>
Registration: https://forms.office.com/pages/responsepage.aspx?id=Me2YB7D1NUmGPHPuJQWAbpnNygGbeipGi74F4mV_nFhUMUFZSTYSQ0pZMUg1NUREWkpW0E80WFA3Sy4u

Educating Ocean and Maritime Leaders: A Legacy of Excellence and Future Plans at the World Maritime University

16:00-18:00 | Auditorium III at the FIL Lisbon Exhibition and Congress Centre | CCL-Lisbon Congress Centre | PT Meeting Center

Organizers: World Maritime University (WMU), International Maritime Organization (IMO), Ministry of Foreign Affairs (Sweden), The Sasakawa Peace Foundation (Japan), Organisation of Eastern Caribbean States (OECS) The Nippon Foundation (Japan), Swedish Agency of Marine and Water Management (SwAM) (Sweden), City of Malmö (Sweden)
Description: Showcasing capacity-building work of WMU in developing ocean & maritime leaders in BBNJ, marine debris, Sargassum & MSP in the Easter Caribbean, plastic treaty & robotics in an ocean industry context
Contact: goisecretariat@wmu.se
Webpage: <https://www.wmu.se/events/wmu-side-event-for-2022-un-oceans-conference>
Registration: See event webpage

Investing in the Portuguese blue carbon sink

16:45-18:00 | Pavilhão de Portugal

Organizers: Calouste Gulbenkian Foundation, Associação Natureza Portugal - WWF Portugal, CCMAR - Centro de Ciências do Mar.

Description: Building a blue carbon market in Portugal - climate benefits and investment opportunities

Contact: pgds@gulbenkian.pt

Webpage: <https://gulbenkian.pt/en/agenda/investing-in-the-portuguese-blue-carbon-sink/>

Film Sessions + Producers Forum

17:00-19:00 | Pavilhão do Conhecimento (27 June to 1 of July)

Organizers: British Embassy in Lisbon, Lisbon City Council, CIMA - UAlg, Hera.city, National Natural History Museum, Aircentre, Flying Sharks. Commercial partner Pingo Doce. More: Espaço & Memória, Câmara Municipal de Cascais, Marinha Portuguesa, Ocean & Climate, Embodied Sounds

Description: Five days, five panels: Globocean, Women and the Sea, Protected Areas, Sea and Space, Overfishing Ocean films screen: best of Tara Oceans, Nazare Waves, Nuno Sa, Emilie McGlone's. Producers Forum

Contact: crisunitedsea@gmail.com

Webpage: <https://www.lisboa.pt/>

Vernissage of the photographic exhibition "Citizens of the Sea"

17:00-19:00 | Shopping Mall - Centro Vasco de Gama (Terrace, 3rd floor, Beer deck)

Organizers: WWF and Aquatic/Blue Food Coalition

Description: This exhibition celebrates the importance of sustainable small-scale fishers as stewards of our Aquatic/Blue food systems, healthy diets, livelihoods, culture and the marine environment.

Contact: mhonig@wwfmedpo.org

Webpage: <https://www.weforum.org/friends-of-ocean-action/blue-food-reception>

Creating Partnerships to Finance Sustainable Development for the Ocean

17:30-18:30 | Pavilhão de Portugal (Covered plaza)

Organizers: Institute for Sustainable Development, EPLO, Hellenic Ministry of Maritime and Insular, Forum Oceano

Description: The Institute for Sustainable Development of EPLO, an international entity, Observer to UNGA, hosts speakers from governments, funds & the industry on Partnerships and Sustainable Blue Finance

Contact: cdeligianni@eplo.int

Webpage: www1.eplo.int/isd

How can global partnerships help conserve the ocean?

17:45-18:45 | Ocean Base Camp at Marina do Parque das Nações

Organizers: PONG-Pesca - Platform of Portuguese NGOs on Fisheries

Description: This round table will bring together multi-disciplinary areas of knowledge showcasing examples of how relevant stakeholders scale up ocean conservation initiatives both at the local and global levels

Contact: pong.pesca@gmail.com

Webpage: <https://pongpesca.wordpress.com/2022/05/30/roundtable-how-can-global-partnerships-help-conserve-the-ocean/>

From Ambition to Action: Ending Plastic Pollution in All Environments

18:00-20:00 | Ikonik Hotel

Organizers: Environmental Investigation Agency, Common Seas, United Kingdom, Rwanda, Peru, European Commission, Centre for International Environmental Law

Description: As we launch negotiations for an ambitious plastics treaty, we bring together governments, civil society, academia and business to share reflections on essential elements for a successful agreement

Contact: christinadixon@eia-international.org

Webpage: www.eia-international.org/UNOC

GAIA FIRST and the importance of tackling high seas plastic pollution

18:30-19:15 | Oceanário de Lisboa

Organizers: Gianni Valenti - GAIA FIRST, Ines Boujmil - BlueMED ambassador, INSTM Engineer, Luís Peaze - journalist

Description: How high sea plastic pollution effects biodiversity, climate control and C-capture; and how Gaia First is piloting a large-scale ocean cleaning, turning this problem into a green energy opportunity

Contact: contact@gaiafirst.org

Webpage: <http://www.gaiafirst.org/eventUN>

Registration: See event webpage

Sustainable Ocean(s) - Rebuilding Ocean Fauna and Flora | Circular Investments, engineered by The Reef Company

18:30-20:00 | Pavilhão de Portugal

Organizers: Blue Beat Group ; Narwhal ; OrcaNation ; The Bridge Institute ; IBM ; Microsoft ; Accenture ; HAVI ; Quantron ; Nova SBE ; CloudFM ; Deloitte ; Câmara Municipal de Cascais ; Câmara Municipal de Lisboa ; Câmara Municipal de Grândola ; Luis Osborne (Investor) ; Karina Silva (EVG) ; Semapa NEXT ; EDP ; Unilever ; GisGeo ; SFC ; BZK ; BiGLE ; UbS ; Best Emotions ; Mosaic Media House ; The Square ; CIIMAR ; DGRM ; DGPM ; IPMA ; +ATLANTIC CoLAB

Description: The Reef Company hosts an interactive Panel to discuss how to restore life and health of Ocean(s), contributing to reversing Climate Change while growing the Blue Economy through circular investments

Contact: unoc@thereef.company

Webpage: <https://thereef.company/category/events/upcoming-event/>

DIGITAL OCEAN SYSTEMS TO SUPPORT AND STRENGTHEN IMPLEMENTATION OF SUSTAINABLE DEVELOPMENT GOALS

18:45-20:30 | Pavilhão de Portugal (Covered plaza)

Organizers: MERCATOR OCEAN INTERNATIONAL - IOC/UNESCO - UNEP - EUROPEAN COMMISSION

Description: To initiate an inter-community dialogue at the science-policy interface for co-designing digital Ocean prediction systems that respond to States' needs for their SDG policies and actions.

Contact: cecile.thomas-courcoux@mercator-ocean.fr

Webpage: <https://www.mercator-ocean.eu/en/events/moisideevent-2022unoceanconference/>

Registration: By invitation

TUESDAY 28 June

A call to Action from artisanal fishing communities, essential users of the oceans

08:00-09:30 | Tejo Restaurant, Oceanário de Lisboa

Organizers: AWFishNet, Blue Ventures, Coalition for Fair Fisheries Arrangements (CFFA), CoopeSoliDar, African Confederation of Artisanal Fisheries Professional Organizations (CAOPA), ICCA Consortium, International Collective in Support of Fishworkers (ICSF), Locally Managed Marine Areas Network (LMMMA)

Description: During this breakfast meeting, men and women living from small scale fishing in various regions of the world will share their common perspectives on challenges and priorities for change

Contact: secretariat@cffacape.org

Webpage: <https://www.cffacape.org/a-call-to-action-side-event>

Coral and mangrove restoration: Colombia's commitment to a participatory approach for the management and conservation of marine and coastal ecosystems

8:00-10:00 | Ikonik Hotel, Room: Alfama IV

Organizers: Conservation International

Description: Strategies that Colombia's Government is implementing to guarantee the recovery of ecosystem services of mangroves and coral reefs through the involvement of government, community and civil society

Contact: ljaramillo@conservation.org

Webpage: <https://www.conservation.org.co/>

Currents of Political Change: Reviewing Our Common Heritage and Common Responsibility in light of the Climate Crisis and Dangers of Deep Sea Mining

08:00-09:30 | Pavilhão do Conhecimento / The Pavilion of Knowledge, Ciência Viva

Organizers: Republic of Tuvalu, Development Alternatives with Women for a New Era (DAWN), Pacific Parliamentarians Alliance on Deep Sea Mining (PPADSM)

Description: This side-event presents the voices of political leaders from SIDS on the state of ocean governance, and the need for new global political commitments to safeguard our oceans, our common heritage

Contact: mereoni.c@gmail.com

Webpage: <https://www.pacificblueline.org/un-oceans-conference>

Registration: See event webpage

Our Ocean Future: Empowering the next generation of Ocean Leaders

08:00-10:00 | #SeatheFuture, Lisbon Ocenário

Organizers: Intergovernmental Oceanographic Commission, UNESCO, Zoological Society of London

Description: An insightful conversation between iconic ocean leaders and counterpart ocean youth to inspire, mentor and empower careers in marine science, policy, and conservation for youth from the Global South

Contact: heather.koldewey@zsl.org

Webpage: <https://www.marine.science/>

Registration: By email to marsciprog@zsl.org

Marine Litter: Initiatives around the World

09:00-09:45 | EMEL - Alameda das Linhas de Torres 200

Organizers: UN Global Compact Network Norway, UN Global Compact Network Portugal

Description: This session aims to bring together some of the leading initiatives from around the world to shed light on how different avenues companies and organisations interact with marine litter in their value chain.

Contact: abhimanyu.manimaran@globalcompact.no

Registration: <https://www.eventbrite.com/e/private-sector-forum-on-sustainable-blue-economy-tickets-365686366767>

Driving Ocean Protection & Tourism in the Blue Economy

10:00-11:00 | EMEL - Alameda das Linhas de Torres 200

Organizers: UN Global Compact Network Norway, UN Global Compact Network Portugal

Description: This event will discuss how businesses that depend on coastal and maritime ecosystems can innovate and rethink their current business models and approach, by integrating sustainability principles and practices to improve their performance.

Contact: raquelpolcarpo@globalcompact.pt

Webpage: <https://globalcompact.pt/index.php/pt/noticias/321-un-ocean-conference-side-event-official>

Registration: <https://www.eventbrite.com/e/private-sector-forum-on-sustainable-blue-economy-tickets-365686366767>

The Global Innovation through Science and Technology: Startup Pitch Showcase for Innovative Water Solutions

10:00-12:00 | Central Tejo Museum

Organizers: U.S. Department of State

Description: This engaging event will highlight leading ocean and clean water-related innovations as entrepreneurs from across the globe pitch their startup solutions!

Contact: lennonam@state.gov

Webpage: <https://www.gistnetwork.org/gist-ocean-innovation-showcase>

Green Maritime Corridors: From Ambition to Action and blue lunch

11:00-13:00 | EMEL - Alameda das Linhas de Torres 200

Organizers: UN Global Compact Network Norway, UN Global Compact Network Denmark, UN Global Compact Network Sweden, the Norwegian Embassy in Lisbon

Description: The event, a combination of presentation, and a panel discussion will deep dive into the role of companies in creating dynamic ecosystems that will facilitate and strengthen the growth of Green Shipping Corridors. Lunch and mingling session will take place in the second half of the event at the location, free of charge.

Contact: abhimanyu.manimaran@globalcompact.no

Registration: <https://www.eventbrite.com/e/private-sector-forum-on-sustainable-blue-economy-tickets-365686366767>

How bilateral cooperation can contribute to achieve global goals - Portugal and Argentina together in the fight against ocean pollution and marine litter, through environmental education

11:30-13:00 | Estação dos Barbados

Organizers: Ministry of Environment and Climate Action (PT), Ministry of Environment and Sustainable Development (ARG), LIPOR

Description: The example of the bilateral cooperation in the fight against plastic pollution

Contact: diana.carlos@sgambiente.gov.pt

Ocean 100 Dialogues: a science-business dialogue for ocean stewardship

12:30-14:00 | VIP Executive Art's Hotel

Organizers: Nicholas Institute for Environmental Policy Solutions at Duke University, World Economic Forum Friends of Ocean Action, Stockholm Resilience Centre at Stockholm University, World Ocean Council, UN Global Compact, Orsted

Description: This event will introduce the Ocean 100 Dialogues, a science-business platform enabling ocean stewardship

Contact: priya.vithani@weforum.org

Webpage: <https://www.weforum.org/ocean-100-dialogues>

Science-Based Target Setting for the Seafood Sector

13:00-14:00 | EMEL - Alameda das Linhas de Torres 200

Organizers: UN Global Compact Network Norway, UN Global Compact Network Portugal

Description: For this event, UN Global Compact Norway and Portugal partner up with key stakeholders in the seafood sector to discuss how businesses can set SBTi targets.

Contact: abhimanyu.manimaran@globalcompact.no

Registration: <https://www.eventbrite.com/e/private-sector-forum-on-sustainable-blue-economy-tickets-365686366767>

The case for territorial seas towards achieving 30x30: Conserving coastal ecosystems for locally led livelihoods

13:00-14:15 | Auditorium II-PT Meeting Center

Organizers: Rare, Wildlife Conservation Society (WCS), Environmental Defense Fund (EDF), Blue Action Fund (BAF)

Description: Protect and sustainably manage the world's territorial seas to achieve global biodiversity goals and 30x30 commitments while safeguarding local livelihoods and addressing climate change

Contact: lschindlermurray@rare.org

Webpage: <https://rare.org/>

Progress, Practice and People: Experiences in Ocean Governance from the Regional Seas

13:00-15:00 | PT Meeting Centre

Organizers: GRID-Arendal, UNEP/Mediterranean Action Programme (MAP), Abidjan Convention Secretariat, Regional Partnership for Coastal and Marine Conservation in West Africa (PRCM), Nairobi Convention Secretariat

Description: As ocean governance is essential to ensuring healthy marine and coastal ecosystems, this event will showcase diverse experiences and lessons learned, creating an opportunity to upscale success

Contact: tanya.bryan@grida.no

Webpage: <https://www.grida.no/activities/855>

The future and ocean WE (ALL) want: Inclusion and integration for strong, sustainable and equitable blue economies

13:00-15:00 | Tivoli Oriente Hotel, Alfama Room

Organizers: University of Strathclyde; Office of the Pacific Ocean Commissioner (OPOC); Nippon Foundation Ocean Nexus Center; World Wide Fund for Nature; Association of Commonwealth Universities; the Danish Institute for Human Rights; the UN Food and Agriculture Organization (FAO)

Description: The event will start with a film on Ghanaian women fishers followed by a panel discussion on the contentious human rights issues surfacing as blue economy developments expand at scale

Contact: senia.febrica@strath.ac.uk

Webpage: <https://oneoceanhub.org/the-future-and-ocean-we-all-want-inclusion-and-integration-for-strong-sustainable-and-equitable-blue-economies/>

Registration: https://hass.eu.qualtrics.com/jfe/form/SV_79yAoquMGxZFkF0

Addressing Marine Pollution in the Atlantic Ocean: the role of interregional cooperation and EU leverages

13:15 – 14:45 | Tivoli Oriente Hotel

Organizers: Conference of Peripheral Maritime Regions of Europe / OSPAR Commission / Atlantic Strategy (Pillar IV)

Description: Based on the Pledge for a Clean Atlantic Ocean signed by 14 Atlantic regions, CPMR, OSPAR & Atlantic Strategy & other stakeholders will address interregional cooperation on marine pollution

Contact: Delphine.Kaczorowski@crpm.org

Webpage: <https://cpmr-atlantic.org/>

Registration: <https://form.jotform.com/220544518776361>

Biodiversity For A Resilient Planet: A Deeper Look

13:15-14:45 | José Mariano Gago Auditorium, Pavilhão do Conhecimento (600 meters from Altice Arena)

Organizers: Deep-Ocean Stewardship Initiative (DOSI), International Union for Conservation of Nature (IUCN); Association of Small Island States (AOSIS); IOC-UNESCO / Ocean Decade; UN Decade Actions: Deep Ocean Observing Strategy (DOOS) & Challenger 150; University of Aveiro, Portugal; Ciência Viva-Agência Nacional para a Cultura Científica e Tecnológica, Portugal; Instituto de Investigação em Ciências do Mar - OKEANOS, Portugal; University of California, USA

Description: This event, designed for all audiences and facilitated by deep-sea experts, will share ideas for scaling up effective management and conservation of deep ocean biodiversity

Contact: mcb3@soton.ac.uk

Webpage: <https://www.dosi-project.org/biodiversity-deeper-look-panel/>

Registration: <https://www.eventbrite.com/e/un-ocean-conference-side-event-panel-biodiversity-for-a-resilient-planet-tickets-353912641237>

Production of Green energy from organic waste to preserve mangroves and improve the income of women salt producers in the village of Djègbadji, in southwest Benin

14:00-15:30 | Pavilhão de Portugal

Organizers: National Association of the municipalities Benin; ouidah Mayor; Women salt producers of Djegbadji Group; IFDD-OIF, PNUD; Agriculture Minister of Benin; AfDB; Boad, NGO AFRIQUE ESPERANCE ; Climate Social Forum; Be1 Israel; BIOGAZ BENIN. I

Description: Provide an alternative sustainable energy to the women salt producers in order protect and restore the ecosystem(the mangroves)

Contact: cbalogoun@aol.com

Webpage: <https://www.ongafriqueesperance.wordpress.com>

Registration: See event webpage

The Future of the Ocean: Finding Cooperative Pathways towards 2030

14:00-16:00 | Pavilhão do Conhecimento ([How to get there](#))

Organizers: European Bureau for Conservation and Development, Fisheries Expert Group of the International Union for Conservation of Nature, Government of Canada, Government of Norway, UN Convention on Biological Diversity, Food and Agriculture Organization of the UN

Description: A dynamic dialogue to achieve a shared understanding on the future of the ocean through partnerships, collaboration and win-win solutions

Contact: jacopo.pasquero@ebcd.org

Webpage: <https://ebcd.org/the-future-of-the-ocean-finding-cooperative-pathways-towards-2030/>

Registration: <https://docs.google.com/forms/d/e/1FAIpQLSfNXMHQDNTgOOilnYZcmZ4Jd5Xbp-GWW7XsAc7Vsd2UTh1Myw/viewform>

Harnessing coastal wind energy responsibly: building community equity

15:00-17:00 | Boat departs 1500 from Parque das Nações Marina, near Altice Arena

Organizers: Institute for Human Rights and Business, Rafto Foundation for Human Rights

Description: A multi-stakeholder roundtable on coastal wind energy projects and indigenous ownership and equity, drawing lessons from the Arctic, Canada and Colombia.

Contact: frances.house@ihrb.org

Webpage: <https://www.ihrb.org/events/harnessing-coastal-wind-energy-responsibly-community-equity-and-rights>

Registration: Max 25 people. RSVP frances.house@ihrb.org

Marine life observations: Integrating biology and ecology observations to enable indicators for conservation, restoration, and sustainable development of marine and coastal ecosystems

15:05-15:50 | Palco secundário (secondary stage), Pavilhão de Portugal

Organizers: Interdisciplinary Centre of Marine and Environmental Research (CIIMAR; Portugal); Atlantic International Research Centre (AIR Centre; Portugal); National Oceanic and Atmospheric Administration US Integrated Ocean Observation System (US IOOS; United States); Atlantic Technical University (UTA, Cape Verde); Universiti Sains Malaysia (Malaysia), Hokkaido University (Japan); Japan Agency for Marine-Earth Science Technology (JAMSTEC; Japan); Global Ocean Observing System (GOOS); Universidad Simón Bolívar; Ocean Knowledge-Action Network (Ocean KAN); University of South Florida (USF)

Description: Promote the integration of biological observations into coastal/ocean observing systems and monitoring programs. Experts and stakeholders will review co-design strategies, targeting ocean conservation

Contact: joana.soares@aircentre.org

Webpage: <https://www.aircentre.org/marine-life-observations/>

How the ocean can help us solve our climate crisis - putting science first

16:00-17:30 | Pavilhão do Conhecimento, Atrium

Organizers: Woods Hole Oceanographic Institution in partnership with Scripps Institution of Oceanography, NASEM, ClimateWorks Foundation and Ocean Visions

Description: Explores potential for oceans to be part of net negative emissions strategies for responsible, durable, and quantifiable CDR. A code of conduct for research and development in ocean CDR is advanced

Contact: kramakrishna@whoi.edu

Registration: <https://www.eventbrite.com/e/how-the-ocean-can-help-us-solve-our-climate-crisisputting-the-science-firs-tickets-357963848507>

Welcome Out of The Box! From Blue Food for Thought To Blue Food for Action.

16:00-17:30 | PT Meeting Centre Auditorio III

Organizers: The Varda Group, with support from Bertarelli Philanthropy, the Tara Ocean Foundation and MedPAN

Description: Making ocean protection as the norm rather than the exception: from thought to action

Contact: bluefoodforaction@gmail.com

Webpage: <https://www.vardagroup.org/>

Registration: By email to bluefoodforaction@gmail.com

Building a Bridge between Science and Sustainable Action in Managing Impacts of Non-Indigenous Species in the Mediterranean Sea

17:00-19:00 | Pavilhão do Conhecimento

Organizers: Turkish Marine Research Foundation, International Ocean Institute, iSeas, Middle East Technical University, The Regional Activity Centre for Specially Protected Areas

Description: How can we tackle the problems related to non-indigenous species in the Mediterranean basin which is one of the biodiversity hot spots in the world?

Contact: tudav@tudav.org

Webpage: <https://tudav.org/en/tudav-side-event-in-ocean-conference-2022-lisbon/>

Biodiversity is Everyone's Business: seafood companies make a stand on the High Seas Treaty

17:45-18:45 | Ocean Base Camp at Marina do Parque das Nações

Organizers: ClientEarth (as Secretariat to the Sustainable Seafood Coalition), Global Tuna Alliance, Hong Kong Sustainable Seafood Coalition

Description: For the first time ever, the seafood supply chain has taken an aligned public stance on the High Seas Treaty. Learn about a position supported by more than 85 seafood companies - and how to join them

Contact: otanqueray@clientearth.org

Webpage: <https://www.sustainableseafoodcoalition.org/unoc2022>

Polar oceans: Engine to the global ocean-Messages and Messengers

18:00-20:00 | Mar da Palha Auditorium, Oceanário de Lisboa

Organizers: Prince Albert II of Monaco Foundation, Oceanographic Institute - Prince Albert I of Monaco Foundation, Oceano Azul Foundation, Scientific Committee on Antarctic Research (SCAR), International Arctic Science Committee (IASC), International Cryosphere Climate Initiative (ICCI), European Polar Board

Description: Join HSH Prince Albert II of Monaco, polar scientists and advocates for a discussion and cocktail to raise attention to the role of the Southern and Arctic Oceans in driving ocean and climate changes

Contact: sgoyet@fpa2.org

Webpage: www.thepolarinitiative.org

Registration: <https://www.eventbrite.fr/e/billets-polar-oceans-engine-to-the-global-ocean-344790907887>

Research and Innovation as Key Pillars of a Regenerative Development of the Red Sea

18:00-21:00 | Marina Parque das Nações

Organizers: NCW (National Center for Wildlife), The Red Sea Development Company, AMAALA, NEOM, KAUST (King Abdullah University of Science and Technology)

Description: The side event will highlight how KSA is setting the foundations for a net positive biodiversity impact in the Red Sea, through development, and conservation shared and extended its model elsewhere

Contact: alageel_hissah@ncw.gov.sa

Webpage: <https://www.ncw.gov.sa/UNOC2022>

Regional solutions for global delivery: a North-East Atlantic perspective

19:00-20:30 | Pavilhão do Conhecimento

Organizers: The OSPAR Commission for the Protection of the Marine Environment of the North-East Atlantic and its Contracting Parties. With partners from BirdLife International, KIMO International, and the North-East Atlantic Fisheries Commission.

Description: Tackling the challenges facing the ocean requires collaboration. This event shares examples of OSPAR working with others to deliver concrete actions to protect and conserve the North-East Atlantic

Contact: secretariat@ospar.org

Webpage: www.ospar.org/un-ocean-conference-2022

WEDNESDAY 29 June

Guided Tour to ALGATEC Eco Business Park, the largest microalgae production platform in Europe

07:30-10:00 | ALGATEC Eco Business Park

Organizers: A4F Algafuel, SA, and Green Aqua Póvoa, SA

Description: Experience a deep dive into Blue Bioeconomy. The guided tour to ALGATEC, the largest microalgae production platform in Europe focus on microalgae contribution to sustainable development

Contact: melissa.fernandes@algafuel.pt

Webpage: <https://a4f.pt/en/news/experience-a-deep-dive-into-blue>

Registration: <https://forms.gle/6ZuaafzKfJTa4Mg8>

Fostering international and regional cooperation in support of the sustainable development of the blue economy in LDCs, LLDCs and SIDS

08:00-09:30 | Hotel Olissipo Oriente, Room Pequim B

Organizers: Government of Bangladesh; Government of the Cook Islands; Government of Botswana; International Seabed Authority; UN Department of Social and Economic Affairs; Government of Antigua and Barbuda; Government of Malta; Government of Norway; Kingdom of Tonga; UN Office of the High Representative for LDCs, LLDCs, SIDS; African Union ; Indian and Ocean Rim Association; Secretariat of the Pacific Community

Description: Discuss the efforts of the international community through ISA, to promote national, regional and international cooperation in science in support of sustainable blue economy for LDCs, LLDCs and SIDS

Contact: mbourrel@isa.org.jm

Webpage: <https://isa.org.jm/event/isa-at-unoc-2022>

Dialogues For Marine Conservation And Artisanal Small-Scale Fisheries: A Vision From Artisanal Small-Scale Fisheries, Seeking Equity, Social Justice, Sustainability And Peace

8:00-10:00 | Tejo Restaurant, Oceanário de Lisboa

Organizers: CoopeSoliDar R.L with the support of: International Collective in Support of Fishworkers (ICSF) , ICCA Consortium SwedBio , Packard Foundation Costa Humboldt , Environmental Defense Fund , Small Scale Hub Blue

Ventures LMMA Movement , AWFishNet , CAOPA Marine responsible fishing area and Marine territories of life Network, Indigenous People in Chile-Yohana Cñuecar, Walaywe Territory Indigenous Communities Association

Description: To amplify the voices of artisanal small-scale fishers in territories of life that allows them to express their vision concerning marine conservation and responsible artisanal fishing.

Contact: vsolis@coopesolidar.org

Webpage: www.coopesolidar.org

Public-Private Cooperation to Foster Sustainable Ocean Management Globally

08:15-11:30 | Fórum Picoas

Organizers: Government of the Netherlands, United Nations Global Compact, IOC-UNESCO, EY, Global Wind Energy Council, the Nature Conservancy

Description: We will discuss new stakeholder engagement approaches which are enhancing collaboration between public, private and financial actors across sectors, leading to synergistic uses of the marine space

Contact: selwyn@unglobalcompact.org

Registration: <https://www.eventbrite.com/e/2022-un-ocean-conference-in-person-side-event-tickets-345884418607>

Breakfast & Panel: Fisheries Management As Climate Action

08:30-09:30 | Honest Greens

Organizers: Deutsche Umwelthilfe, Deutsche Postcode Lotteries, Our Fish, Sciaena, University of British Columbia Institute for the Oceans and Fisheries

Description: Grab yourself some breakfast and coffee, and sit down for an interactive panel discussion on how fisheries management is a means to responding to the climate and biodiversity crisis.

Contact: events@our.fish

Webpage: <https://www.climateocean.com/breakfast-briefing-fisheries-management-as-climate-action-our-fish-events-at-un-ocean-conference-lisbon/>

Registration : See event webpage

Integrating Marine Litter Monitoring to Inform Action: a global instrument to tackle a global pollution

08:30-10:00 | Centro Cultural de Cascais

Organizers: Atlantic International Research Centre (AIR Centre); UN Environment Programme (UNEP) - Global Partnership on Marine Litter (GPML); Global Ocean Observing System (GOOS); Institute of Oceanology Polish Academy of Sciences (IOPAS); Group on Earth Observations (GEO) Blue Planet; Mercator Ocean International (MOI); European Commission Marine Strategy Framework Directive Technical Group on Marine Litter (EC MSFD TG ML); Joint Group of Experts on the Scientific Aspects of Marine Environmental Protection Working Group 40 on Plastics and microplastics in the Ocean (GESAMP WG40); Institute of Electrical and Electronics Engineers - Oceanic Engineering Society (IEEE-EOS); International Ocean- Colour Coordinating Group - Task Force on Remote Sensing of Marine Litter (IOCCG-TF RSML); Japan Agency for Marine-Earth Science and Technology (JAMSTEC); Scientific Committee on Oceanic Research Working Group on Floating Litter and its Oceanic Transport Analysis and Modelling (SCOR WG FLOTSAM); Marine Environment Laboratories of the International Atomic Energy Agency (MEL-IAEA); Plymouth Marine Laboratory (UK)

Description: The proposed event will advocate the necessity of supporting a Global Integrated Marine Litter Monitoring Platform as a strategic tool to achieve SGD 14 by 2030

Contact: jose.moutinho@aircentre.org

Webpage: <https://www.eu4oceanobs.eu/marine-litter-monitoring-to-inform-action/>

Registration: See event webpage

Ocean Sand: Risks & Opportunities for Sustainability & Equity

09:00-10:30 | Lisbon Youth Congress Centre, Room 5

Organizers: Stockholm Resilience Centre; UNEP Finance Initiative ; UN Global Compact

Description: Convening a multi-stakeholder dialogue to identify promising scientific, technical and policy opportunities for sand stewardship

Contact: josefine.lynggaard@unepgrid.ch

Webpage: <https://www.unep.org/events/online-event/ocean-sand-risks-and-opportunities-sustainability-and-equity>

Registration: See event webpage

Let's Sea

09:00-11:00 | Parque das Nações

Organizers: VisitPortugal, MEO, EDP, World Surf League

Description: Projects for a sustainable Future: The Unwanted Shapes, a movement that calls for change in the Surfboard building industry & a project that trains the talents of tomorrow.

Contact: media@turismodeportugal.pt

Webpage: <https://www.visitportugal.com/en/content/lets-sea>

Registration: <https://forms.gle/2as1kRnmUTvmUK3v6>

Sharks, Rewilding and Hope for the Ocean - with Sylvia Earle, Captain Alex Cornelissen, Charles Clover and more.....

09:00-18:00 | PT Meeting Centre, Auditorium I (50m from the Altice Arena and live-streamed)

Organizers: Sea Shepherd, Mission Blue, Gallifrey Foundation & Blue Marine Foundation

Description: Sharks, Rewilding and Hope for the Ocean

Contact: Marketing@SeaShepherd.pt

Webpage: www.SharksRewildingandHopefortheOcean.org

Rewilding the Sea: How to Save Our Oceans - with Sylvia Earle, Captain Alex Cornelissen, Charles Clover and more.....

09:15-17:30 | PT Meeting Center, Auditorium I (50m from Altice Arena and live-streamed)

Organizers: Blue Marine Foundation, Gallifrey Foundation, Mission Blue, Sea Shepherd

Description: Join us for Rewilding the Sea, a series of talks and panel sessions that will inspire. Four panels on Marine Protected Areas in Action, Rewilding the Sea, Blue Carbon Workshop & Can Shark Fishing be Sustainable in 2022?

Contact: david@bluemarinefoundation.com

Webpage: www.sharksrewildingandhopefortheocean.org/

Blue Pristine

10:00-0:00 | Hotel Le Consulat Rove

Organizers: Associação Surf Social Wave; (R) Hope - Lizzy

Description: Pristine Blue is an exhibition of (R)HOPE, which is a coral reef created with ropes and wasted fishing cages collected on the beach. It is the story of massive fishing impacts on the Ocean

Contact: associacao@surfsocialwave.org

Webpage: <https://www.surfsocialwave.org/pristine-blue>

Sustainable fishing: solutions and innovations to help developing economy and small-scale fisheries in Indonesia and beyond

10:00-11:00 | Hotel Meliá Lisboa Oriente, Room Pacifico 1+2

Organizers: The Marine Stewardship Council, The Government of Indonesia

Description: Join MSC the Government of Indonesia and others to discuss the role of partnerships, markets and science in overcoming obstacles to sustainable fishing for developing economy and small-scale fisheries

Contact: stephanie.shepherd@msc.org

Webpage: <https://www.msc.org/un-ocean-conference>

Registration: <https://www.eventbrite.co.uk/e/msc-un-ocean-side-event-tickets-352630827297>

The Ocean Impact Navigator: Harnessing Innovation and a New Impact Measurement Framework to Regenerate Ocean Health

10:00-11:15 | Reef Action Hub

Organizers: 1000 Ocean Startups & GEOS Ocean Decade Programme & SYSTEMIQ

Description: This event, featuring a high level panel, showcases the Ocean Impact Navigator – a new open-source impact KPI framework designed to streamline impact reporting for ocean innovators & investors

Contact: theo.gott@systemiq.earth

Webpage: <https://www.eventbrite.co.uk/e/the-ocean-impact-navigator-tickets-348792316207>

Registration: See event webpage

Strengthening Community Action to End Plastic Pollution and Marine Litter

10:10-12:12 | Pavilhão de Portugal

Organizers: KAAPBERGER

Description: Strengthening Community Action to End Plastic Pollution and Marine Litter along the West Coast of Africa-Towards a Plastic Pollution Treaty

Contact: icenecdev@gmail.com

Webpage: <https://icenecdev.org/>

Registration: See event webpage

Reduce Ocean Noise and save our ocean

11:30-12:30 | Ocean Base Camp at Marina do Parque das Nações

Organizers: OceanCare, Coalition Clean Baltic (CCB) and BUND Friends of the Earth Germany// The event is co-sponsored by Germany and Switzerland

Description: This event discusses multi-environmental benefits of ocean noise prevention and mitigation from shipping and by the oil & gas sector and different concepts for a protective status of sea areas

Contact: fmclellan@oceancares.org

Webpage: <https://www.oceancares.org/de/aktuell/veranstaltungen/>

Solutions and partnerships to promote sustainable fishing and strengthen implementation of international instruments to prevent, deter and eliminate IUU fishing

11:00-12:45 | Palácio Penafiel

Organizers: Community of Portuguese Speaking Countries (CPLP), UN Food and Agriculture Organization (FAO), The Pew Charitable Trusts (PEW)

Description: The event aims to showcase and to discuss solutions for the effective implementation of the FAO Port State Measures to Prevent, Deter and Eliminate Illegal unreported and unregulated (IUU) fishing

Contact: mlapao@cplp.org

Webpage: <https://oceano.cplp.org/ods-14/pesca-inn-iuu-fishing/>

Location location location: scaling-up the impact of 30x30

11:30-13:00 | PT Meeting Center - Auditorium III

Organizers: Wildlife Conservation Society (WCS) with partners: Government of Zanzibar, Blue Action Fund, Environmental Defense Fund (EDF), Rare

Description: To compare approaches for identifying the location of protected areas established within the 30x30 initiative, and illustrate that successful outcomes require elements beyond purely km2 of designation

Contact: smartinelli@wcs.org

Webpage: <https://sdg14.wcs.org/>

Promoting Blue Economy in Sierra Leone

13:00-15:00 | Lisbon Congress Center, Room 3

Organizers: Sierra Leone Life Saving Society/Sirius Educational Research Center

Description: Institutional Collaboration to Support Developing Nations in Promoting Implementation of Blue Economy

Contact: info@livesaving.org

Webpage: www.livesaving.org/unoceansideevent

Archipelagic and Island States (AIS) Forum: Best Practices of Blue Innovative Financing in AIS Countries

13:00-15:00 | FIL Venue, Room 3-PT Meeting Center

Organizers: Coordinating Ministry for Maritime Affairs and Investment, Republic of Indonesia

Description: The event aims to explore the best practices of implementation of blue innovative financing in Archipelagic and Island States which are well known of their own blue economy policy

Contact: livita.sumali@undp.org

Webpage: <https://www.aisforum.org/opportunity/ais-forum-on-un-ocean-conference>

Launch of the Global Ocean Energy Alliance (GLOEA): Ocean Energy For Climate Resilient Economies

13:00-15:00 | Eurostars Universal Hotel

Organizers: SIDS DOCK, United Nations Industrial Development Organization (UNIDO), Global Network of Sustainable Energy Centres (GN-SEC), Stimson Center

Description: Demonstration and deployment of commercial-scale ocean energy technologies appropriate to SIDS and coastal cities for development of the blue economy through partnerships that mobilize investments

Contact: cduncan@sidsdock.org

Webpage: <https://sidsdock.org/gloea>

Maritime Transport and SDG 14

13:00-15:00 | European Maritime Safety Agency, Loyola de Palacio Conference Centre

Organizers: European Space Agency (ESA) and European Maritime Safety Agency (EMSA)

Description: Exploring opportunities to monitor and reduce marine pollution and to enable the decarbonisation of maritime transport through space solutions and other innovative technologies

Contact: Samy.Djavidnia@emsa.europa.eu

Webpage: <https://business.esa.int/news/esa-and-emsa-event-to-highlight-how-space-can-help-to-conserve-our-oceans>

Registration: <https://extranet.emsa.europa.eu/unoc-emsa>

Proposals from Japan for Ocean Conservation towards Expo 2025 Osaka, Kansai

13:00-15:00 | Hotel Olissippo Oriente "Tóquio (Tokyo)"

Organizers: Nikkei Inc., Ministry of Foreign Affairs of Japan

Description: Focusing on what all stakeholders should do to achieve SDGs 14 and the issue of marine plastics, we will make proposals from Japan towards Expo 2025 Osaka, Kansai, which is known as the "Marine Expo"

Contact: adpost4@nex.nikkei.co.jp

Webpage: <https://events.nikkei.co.jp/29june2022/>

Transitioning from Fragility and Solutions for Reimagining Development

13:00-15:00 | The g7+ European Hub

Organizers: The Foundation for Post Conflict Development - g7+

Description: Conference about the necessary transition from fragility toward a new imagined development for post conflict communities

Contact: eventsfpd@gmail.com

Webpage: <https://www.fpcd.dance/fpcd-g7-conference/>

Registration: <https://bit.ly/38XUnjt>

Financing the Blue Economy in Asia and the Pacific

13:15-14:30 | Pavilhão do Conhecimento, Auditorium

Organizers: Asian Development Bank, Government of Fiji, Government of Indonesia, Ocean Risk and Resilience Action Alliance

Description: Learn about experiences of developing blue finance roadmaps and opportunities for attracting finance through blue bonds, coral reef insurance, and platforms for scaling up blue economy activity

Contact: tmarin.consultant@adb.org

Webpage: <https://www.adb.org/news/events/financing-blue-economy-asia-pacific>

Registration: <https://forms.gle/mS9FhbeBtC9EfC9x5>

Whales, Parks and People: Marine Megafauna and Protected Areas in the South Atlantic as Key to Safeguard Ecosystem Services and Human Wellbeing

13:30-15:00 | Portuguese Agency for the Environment (Agência Portuguesa do Ambiente) (Room 6, 1st Floor)

Organizers: Instituto Baleia Jubarte, NEMA - Núcleo de Educação e Monitoramento Ambiental, Organización para Conservación de Cetáceos - OCC/Uruguay, Divers for Sharks

Description: Marine Protected Areas are key for safeguarding biodiversity and human well-being. This event will explore how initiatives for more MPAs in the South Atlantic can help improve livelihoods

Contact: jose.truda@baleiajubarte.org.br

Webpage: <https://www.unsolomar.com/un-oceans>

Why are we not saving the ocean?

14:30-16:00 | Calouste Gulbenkian Foundation, Foyer

Organizers: Communications Inc; OneOcean Flotilla; Calouste Gulbenkian Foundation

Description: The case for influence and engagement in achieving ocean-climate solutions

Contact: natalie@communicationsinc.co.uk

Webpage: www.oceanprotect.org

Of Flags and Nets: Education to Sustainable Development as the hook for local community development

15:00-16:30 | VODAFONE PORTUGAL, Comunicações Pessoais

Organizers: Foundation for Environmental Education; Associação Bandeira Azul da Europa (ABAE); EcoOcean

Description: Focus on the power of harnessing networks at the local level for community empowerment and for the generation of positive social and environmental impact in the surrounding coastal context

Contact: johann@fee.global

Webpage: <https://www.blueflag.global/new-blog/2022/6/15/of-flags-and-nets-esd-as-the-hook-for-local-community-development-a-unoc-2022-side-event-workshop>

Registration: See event webpage

Surf Protected Area Networks: A Novel and Innovative Approach to Protect Coastal Ecosystems Harnessing the Power of Surfing in the Blue Economy

15:00-18:00 | Lisbon School of Health Technology Amphitheatre

Organizers: Save The Waves Coalition

Description: This side event will focus on Surf Protected Area Networks as a new approach for marine and coastal conservation and showcase examples of success in different regions around the world

Contact: mara@savethewaves.org

Webpage: <https://www.savethewaves.org/un-portugal/>

Opportunities in Building Solutions for the Sustainable Ocean Economy in the Archipelagic and Island States

15:30-17:00 | FIL Venue, Room 3-PT Meeting Center

Organizers: Coordinating Ministry of Maritime Affairs and Investment of the Republic of Indonesia; UNDP-Archipelagic Islands and States Forum

Description: This side event will focus on exploring opportunities & concrete solutions in the blue economy sector as well as addressing notable challenges to achieve SDGs faced by the archipelagic & island states

Contact: riny.modaso@undp.org

Webpage: <https://www.aisforum.org/opportunity/ais-forum-on-un-ocean-conference>

Registration: See event website

The Great Blue Wall: Accelerating Ocean Conservation and Regenerative Economic Development in the Western Indian Ocean

16:00-21:00 | Eurostars Universal Lisboa

Organizers: IUCN, Blue Forest, Nekton

Description: The event aims to catalyse political momentum, mobilize finances and announce States and partner commitments towards accelerating ocean conservation action

Contact: peter.manyara@iucn.org

Webpage: <https://www.greatbluewall.org/news/gbwatunoc/>

Marine megafauna & blue carbon: how protecting charismatic ocean species contributes to climate protection

18:00-19:30 | Library Room, Pavilhão do Conhecimento

Organizers: Whale and Dolphin Conservation; Ocean Governance Project Marine Mammal Twinning; Seas at Risk; Government of Portugal; Government of Belgium; Government of Argentina; Clean Arctic Alliance; Convention of Migratory Species; University of British Columbia; Mission Blue

Description: Restoring ocean biomass is climate action. The important role of ocean life, particularly marine megafauna, is often overlooked, but it's apparent a renewed focus and urgency is needed to benefit SDGs

Contact: ed.goodall@whales.org

Registration: <https://www.eventbrite.co.uk/e/un-ocean-conference-side-event-marine-megafauna-blue-carbon-tickets-352514308787>

Interoperable, transparent, and accessible marine data for the UN 2030 Agenda, the UN Ocean Decade, and for the benefit of all

18:00-20:00 | Pavilhão de Portugal

Organizers: Fugro, European Marine Observation and Data Network (EMODnet), Intertidal Agency, UNESCO Intergovernmental Oceanographic Commission (IOC), UNESCO IOC's International Oceanographic Data and Information Exchange (IODE), Mercator Ocean International, and Flanders Marine Institute (VLIZ)

Description: Event will showcase examples of ocean data interoperability initiatives, share insights from these efforts and discuss how to expand collaborations under the Ocean Decade to achieve UN 2030 Agenda

Contact: events@emodnet.eu

Webpage: <https://emodnet.ec.europa.eu/en/UN-Ocean-Conference-SideEvent-MarineDataInteroperability>

Registration: See event website

Networks Of Marine Protected Areas Managers Making The Difference

18:00-20:00 | The VIP Executive Arts Hotel

Organizers: EU OCEAN GOVERNANCE project, MedPAN, NAMPAN, Forum for the Conservation of the Patagonian Sea and Areas of Influence, OSPAR, HELCOM, NOAA, OFB, Fundacion Biodiversidad, Aires Marines Communautaires Protégées du Sénégal, The MEDFUND (Mediterranean Conservation Trust Fund), MAR FUND, Costa Rica Por Siempre, Caribbean Biodiversity Fund, PACIFICO, Fundacion Natura

Description: The event will show cooperation between networks of MPA managers at national, regional and international levels under the EU Ocean Governance project and their alliance with Conservation Trust Funds

Contact: puri.canals@gopa.de

Webpage: <https://oceangovernance4mpas.eu/>

Registration: https://ec.europa.eu/eusurvey/runner/Netowrks_MPA_Managers_UN_OCEANS

Ocean Literacy Dialogues at UNOC

18:00-20:00 | Pavilhão do Conhecimento

Organizers: EU4Ocean Coalition of DG MARE; IOC-UNESCO; Portuguese Ministry of the Economy and the Sea, Portugal; NMEA- National Marine Educators Association, US; COLC-Canadian Ocean Literacy Coalition, Canada; EMSEA-European Marine Science Educators Association, Europe; RELATO - Latin America Education Network for the Ocean; AMEA - Asia Marine Educators Association; Australian Association for Environmental Education; International Pacific Marine Educators Network; All-Atlantic Blue Schools Network; Atlantic Basin (Galway and Belém areas); GOSE - Global Ocean Science Education, US; EuroGOOS; Escola Azul, DGPM and EMEPC, Portuguese Ministry of the Economy and the Sea, Portugal; Acteon, France; Ciência Viva, Portugal; College of Exploration, US; Maré de Ciência, UNIFESP, Brazil; Planeta Océano, Peru; Acqua Mater, Brazil; Nausicaa, France; Oceano Azul Foundation, Portugal; Aires Marines Educatives, OFB, France

Description: First of a series of Ocean Literacy Dialogues to take stock of recent developments and align strategies for cooperation during the Decade of Ocean Sciences for Sustainable Development

Contact: info@cienciaiviva.pt

Webpage: <https://www.oceandecade.org/un-ocean-conference/>

Registration: <https://tinyurl.com/53hubzxd>

Scaling up ambition in science partnerships to address challenges at ocean basin scale: examples from the iAtlantic project

18:00-20:00 | Chiado Room, Tivoli Oriente Lisboa Hotel

Organizers: The iAtlantic project (via Seascope Consultants Ltd); University of Edinburgh, UK; National Oceanic and Atmospheric Administration, USA; Fisheries and Oceans, Canada; International Association of Oil and Gas Producers

Description: Showcasing how iAtlantic has fostered strong, productive collaborations across organisations, initiatives and sectors to generate tangible scientific progress on critical issues at ocean basin scale

Contact: vikki.gunn@seascopeconsultants.co.uk

Webpage: <https://www.iatlantic.eu/unoc2022-side-event/>

WOMENVAI and partners side-event: Implementing Disruptive innovation while preserving Ocean biodiversity

18:00-20:00 | ICS - Institute of Social Sciences, University of Lisbon Auditório Sedas Nunes

Organizers: WOMENVAI, ACEF Africa, Business As Nature, Swiss Engineering Geneva

Description: Conservation of marine ecosystem and grassroots level, taking into cognisance the livelihoods of grassroots communities will be discussed on top of challenging tools from geoengineering perspectives. Drinks and pastéis will be offered.

Contact: contact@womenvai.org

Webpage: <https://fb.me/e/5lwaazuID>

Registration: By email to contact@womenvai.org

Seabed 2030: Mapping for People and Planet

18:00-20:00 | Leonidas Room, MYRIAD Hotel

Organizers: The Nippon Foundation-GEBCO Seabed 2030 Project (Seabed 2030), The Nippon Foundation, International Hydrographic Organization (IHO) and IOC - UNESCO

Description: Join this high-level panel session discussing the benefits of ocean mapping from a global perspective, how mapping is essential to supporting the UN SDG14 and Ocean Decade, and safeguarding our future

Contact: comms@seabed2030.org

Registration: <https://www.eventbrite.com/e/un-ocean-conference-side-event-seabed-2030-mapping-for-people-and-planet-tickets-352497458387>

Regional Blue Dialogues and Action – Initiatives and financing mechanisms catalysing the transition to an inclusive and sustainable blue economy in the Western Indian Ocean

18:15-19:15 | Eurostars Universal Lisboa

Organizers: Republic of Mozambique and Republic of Kenya, Co- convened by Our Blue Future (in partnership with GIZ on behalf of BMZ)

Description: The side event will discuss country-driven blue economy initiatives; the multi-stakeholder alliance Our Blue Future; innovative financing mechanisms and how to catalyse community-driven blue economies.

Contact: afelismina@yahoo.com

Webpage: www.mimaip.gov.mz

Registration: <https://forms.gle/HPYWBvjCQQt1e4Yb9>

The role of the partnerships towards a 360^o sustainable tuna business

18:15-19:30 | Room Pacifico, Meliá Lisboa Oriente Hotel

Organizers: Bolton Food, WWF, Oxfam, MSC

Description: Sustainable challenges that tuna industry is facing can only be overcome by cooperating in partnership with environmental and social experts to prevent, mitigate and repair possible negative impacts along the tuna supply chain.

Contact: horella@boltonfood.com

Website: <https://www.eventbrite.com/e/the-role-of-the-partnerships-towards-a-360o-sustainable-tuna-business-tickets-360501037307>

Registration: See event website

Ocean Acidification Research for Sustainability - UN OCEAN CONFERENCE side event & reception

18:30-21:00 | Announced by registration

Organizers: IOC UNESCO and the Blue Marine Foundation

Description: Side event & reception towards SDG 14.3 with the Global Ocean Acidification Observing Network, the UN Ocean Decade endorsed Ocean Acidification Research for Sustainability programme and partners

Contact: tke@pml.ac.uk

Registration: https://docs.google.com/forms/d/e/1FAIpQLScvJMOHdSqmapHUCv2NKePwyUropXCIS4emKkPWPqqzBGHIQ/viewform?usp=sf_link

EAF-Nansen Programme-a long-term partnership for sustainable use of the Ocean

18:30-20:00 | PT Meeting Centre

Organizers: Norwegian Agency for Development Cooperation (Norad); Food and Agriculture Organization of the United Nations (FAO); Institute of Marine Research (IMR); Mozambique: Mozambique Oceanographic Institute; Angola: National Institute of Fisheries Research (INIP), Namibia: Ministry of Fisheries and Marine Resources (MFMR)

Description: This side event will highlight the present and future work of the Programme to support the partner countries and regional organizations in their efforts to achieve sustainable management of fisheries.

Contact: agata.mrowiec@fao.org

Webpage: <https://www.fao.org/in-action/eaf-nansen/news-events/detail-events/en/c/1528088/>

Registration: <https://fao.zoom.us/meeting/register/tjwkdu2vrjgtEtJSoZCSmaoS0Cs1RAdvAY4Z>

Marine Debris Monitoring and Assessment: Recommendation for Monitoring Debris Trend in Marine Environment

18:30-20:00 | Feira Internacional de Lisboa

Organizers: Coordinating Ministry for Maritime Affairs and Investment, Indonesia

Description: This side event aims to exchange knowledge and best practices on marine debris monitoring due to its role in providing a detailed condition on the crisis and the best method to mitigating it

Contact: ahmad.rambe@undp.org

Webpage: <https://bit.ly/marinedebrismonitoringUNOC2022>

Launch of "Urban Rivers" documentary: interactions among people, the urban environment, rivers, and the sea

20:00-23:00 | Pavilhão do Conhecimento

Organizers: Ciência Viva; Instituto Mar Urbano; OceanPact; United Nations Development Programme; United by the Sea

Description: The event will present and discuss "Urban Rivers", documentary that for the first time reveals the rich biodiversity and levels of pollution in the estuaries of the Portuguese rivers Tejo and Sado

Contact: analyra@oceanpact.com; saenandoah.dutra@undp.org; ricardogomesfoto@gmail.com

Webpage: <https://institutomarurbano.com.br/rios-urbanos>

The Sustainable Ocean Initiative: Celebrating over 10 years of building capacity and catalyzing partnerships towards achieving global ocean goals

20:30-23:00 | York House

Organizers: Sustainable Ocean Initiative, Secretariat of the Convention on Biological Diversity, French Biodiversity Agency, Japan Biodiversity Fund, Ministry of Oceans and Fisheries, Marine Biodiversity Institute of Korea, Global Ocean Biodiversity Initiative, University of Brest

Description: Celebrate the achievements of SOI over more than 10 years and serve as a major CALL to action to enhance ocean-focused capacity building to put the world on track to a sustainable future

Contact: phenia.marras@ofb.gouv.fr

page: <https://www.ofb.gouv.fr/en/agenda/sustainable-ocean-initiative-soi-unoc>

Registration: <https://formulaire.ofb.fr/rsvp-reception-sustainable-ocean-initiative-soi-at-the-un-ocean-conference-lisbon-1653918391>

THURSDAY 30 June

Advancing women empowerment and leadership in marine scientific research to support inclusive sustainable ocean governance

08:00-09:30 | Hotel Olissipo Oriente - Room Pequim B

Organizers: Government of Antigua and Barbuda; Government of Canada; International Seabed Authority (ISA); Government of Malta; Kingdom of Tonga; UN Department of Social and Economic Affairs (UN-DESA); UN Office of the High Representative for LDCs, LLDCs, SIDS (UN-OHRLLS); African Union (AU); Organization of Economic and Cooperation Development (OECD); IFREMER (France); National Maritime Institute of Korea (MABIK); National Oceanography Center (UK); Secretariat of the Pacific Community (SPC)

Description: Overview of current and future partnerships & initiatives in support of women empowerment and leadership in deep-sea research particularly for women scientists from LDCs, LLDCs and SIDS

Contact: mbourrel@isa.org.jm

Webpage: <https://isa.org.jm/event/isa-at-unoc-2022>

Registration: See event webpage

Putting theory into practice: systems change as a tool for tackling ocean plastic pollution at source

08:00-09:30 | Sea The Future Cafe

Organizers: Zoological Society of London (ZSL), Calouste Gulbenkian Foundation (CGF), Surfers Against Sewage (SAS), Patagonia, International Programme on the State of the Ocean (IPSO)

Description: This event will explore real-life approaches, innovations and interventions that have reduced plastic pollution within cities, communities and businesses

Contact: alice.chamberlain@zsl.org

Registration: <https://www.eventbrite.co.uk/e/putting-theory-into-practice-tackling-ocean-plastic-pollution-at-source-tickets-353654629517>

Riding The Portuguese Waves

08:00-10:30 | Costa da Caparica

Organizers: VisitPortugal, MEO, EDP, World Surf League

Description: A unique experience in the Portuguese Waves, including shuttles to and from the main stage of the Ocean Conference to Costa da Caparica beaches for a surf class

Contact: media@turismodeportugal.pt

Webpage: <https://www.visitportugal.com/en/content/ocean-conference>

Registration: <https://www.visitportugal.com/en/content/riding-portuguese-waves>

I's on the Ocean: Integration, Implementation, Impact

08:15-09:45 | Pavilhão do Conhecimento. Auditório José Mariano Gago

Organizers: WWF, the CBD Secretariat and the World Economic Forum's Friends of Ocean Action

Description: This event will explore ways to align and leverage ocean action to benefit biodiversity, climate and people. We'll chart a course from commitment to delivery and showcase where real impact is evident

Contact: pmerriman@wwfint.org

Webpage: https://wwf.panda.org/discover/our_focus/oceans_practice/un_ocean_conference_2022/

The indivisible link: European NGOs' priority areas for action on oceans and climate

8:30-9:30 | Ocean Base Camp at Marina do Parque das Nações

Organizers: ZERO, Our Fish, Ecologistas En Acción, AirClim, Eco-Union, Swedish Society for Nature Conservation (SSNC), Sciaena

Description: Display the diverse work European NGOs develop to reach a common goal: Sustainable management of oceans and ocean related activities whilst protecting the vital marine ecosystems

Contact: carolina.silva@zero.org

Registration: <https://www.eventbrite.nl/e/european-csos-priority-areas-for-action-on-oceans-and-climate-tickets-349419040757>

Marine and coastal-estuarine ecosystems in Europe under high pressure: Sharing insights & best practices on source-to-sea, multi-use and area-based protection efforts

9:00-11:00 | Pavilhão do Conhecimento (800m from the Blue Zone)

Organizers: European Environment Agency / EEA, WWF, Ghent University, University of Lisbon, Royal Belgium Institute of Natural Sciences, North Sea Farmers, ATECMA, Submon

Description: This event will feature a range of projects that are advancing the conservation & restoration of coastal-marine ecosystems in Europe. A panel discussion will look for synergies and holistic solutions

Contact: gregory.fuchs@ecologic.eu

Webpage: <https://www.ecologic.eu/18639>

Ocean Bachelor - meet the Ocean now (Ocean Degree Launch)

09:00 –12:00 | Pavilhão de Portugal

Organizers: Universidade NOVA de Lisboa; NOVA School of Law; NOVA School of Science and Technology; NOVA School of Business and Economics; NOVA School of Social Sciences and Humanities; NOVA Information Manager School; University of Algarve; Centre for Research on the Environment and the Economy; UiT-The Arctic University of Norway – Norwegian Centre for the Law of the Sea; Edinburgh Napier University; Federal University of Sout Bahia.

Description: The Ocean Bachelor is a pioneer multidisciplinary degree taught in English that brings together two universities and nine faculties and aims to promote the interdisciplinary study of the Ocean.

Contact: novaoccean@novalaw.unl.pt

Webpage: <https://novalaw.unl.pt/meet-the-ocean-now/>

Registration: <https://onesustainableocean.forumoceano.pt/>

Future Earth's marine networks: a trans- and interdisciplinary scientific community working toward the achievement of the SDGs

9:30-11:00 | Institut Français du Portugal

Organizers: Future Earth, the Ocean KAN, SOLAS, Future Earth Coasts, IMBeR, PAGES, Earth System Governance, ECOPs

Description: Future Earth presents its marine networks and their co-production of knowledge to contribute to achieving SDG14, SDG13, and others by connecting, amplifying, and scaling knowledge for sustainability

Contact: clement.brousse@futureearth.org

Webpage: <https://futureearth.org/latest/news/>

Registration : <https://forms.gle/f6tHPLVrqzfEZvt79>

Looming Dangers to Sustainable Development and Global Climate Justice: Drawing a Blue Line to Protect the Ocean against Deep Sea Mining

09:30-11:00 | Ocean Base Camp at Marina do Parque das Nações

Organizers: German NGO Forum on Environment and Development, Pacific Network on Globalisation (PANG), Pacific Conference of Churches (PCC), Fair Oceans, Misereor, Brot für die Welt, Ozeanien-Dialog

Description: The oceans are facing yet another danger: Deep Sea Mining. We need to halt to this destructive industry, set a path towards sustainable development, and ensure a living common heritage for human kind

Contact: abshagen@forumue.de

Webpage: <https://www.forumue.de/un-ocean-conference-side-event-on-deep-sea-mining/>

Registration: <https://www.forumue.de/un-ocean-conference-side-event-on-deep-sea-mining/>

Ocean Conservation Journeys: Stories from Leaders Advancing Ocean Conservation at New Scales

09:30-11:00 | Eurostars Lisboa - Room #TBC

Organizers: Conservation International, Blue Nature Alliance, The Pew Charitable Trusts, Global Environment Facility, Rob and Melani Walton Foundation, Minderoo Foundation, Tofia Niue, Western Indian Ocean Marine Science Association, Pacific Blue Foundation, Seychelles Conservation and Climate Adaptation Trust
Description: Partners of the Blue Nature Alliance will share their experience and perspectives on achieving effective, equitable, and durable ocean conservation initiatives
Contact: lkatz@conservation.org
Webpage: www.bluenaturealliance.org

Angolan National Strategy for Marine

10:00-11:30 | Pavilhão de Portugal

Organizers: Government of Angola
Description: Angola is fully committed to protection and conservation of Ocean
Contact: dasilvantonio@yahoo.com.br
Webpage: <https://angola.un.org/pt/resources/publications>
Registration: <https://docs.google.com/forms/d/e/1FAIpQLScZV45Xs-SolXrQAVhJIDPuhBZw8FOanSkOTLuijaKMR0ew/viewform>

The Ocean as a global common - connecting generations of stakeholders through storytelling

10:30-12:00 | Institut français du Portugal - Embaixada de França em Portugal (French Institute-French Embassy)

Organizers: Youth4Ocean Forum, Ocean as Common, Surfrider Europe, University of Brest-UBO, Nausicaá, European Marine Board, Institute of Oceanology of Polish Academy of Sciences, Today We Have, EurOcean, Early Career Ocean Professionals (ECOP) Programme of IOC-UNESCO, Sustainable Ocean Alliance, WildTrust, Youth4MPAs
Description: The event will stress the importance of one ocean generation and trigger a trans-generational dialogue via personal experiences & storytelling by participants of diverse sectors, ages & cultures
Contact: secretariat@worldoceannetwork.org
Webpage: <https://webgate.ec.europa.eu/maritimeforum/en/node/7201>
Registration: <https://forms.gle/PZx5LCwqr2yYJ1am8>

Managing and Conserving Deep Sea Ecosystems

11:30-13:00 | Ocean Base Camp at Marina do Parque das Nações

Organizers: Sustainable Ocean Alliance, The Oxygen Project, Mission Blue, Ocean Basecamp
Description: An intergenerational panel where youth leaders from around the world will share their call for a moratorium on Deep Seabed Mining with panelists from the youth and science communities
Contact: eugenia@soalliance.org; emily@soalliance.org
Webpage: <https://www.soalliance.org/events-blog/deepsea-mining-unoc2022>

Small-scale fisheries' contribution to food and nutrition security and healthy oceans in West Africa

13:00-15:00 | Hotel Eurostars Universal Lisboa

Organizers: Brot fuer die Welt (Bread for the World-BfdW), German Federal Ministry for Economic Cooperation and Development (BMZ), Institut Mauritanien de Recherches Océanographiques et des Pêches (IMROP), Economic Community of West African States (ECOWAS), Confédération Africaine des Organisations Professionnelles de la Pêche Artisanale (CAOPA), Coalition for Fair Fisheries Arrangements (CFFA), Fair-Oceans, Swedish Society for Nature Conservation (SSNC)
Description: This event combines contributions from small-scale fisheries, science, politics and cooperation to demonstrate how partnerships and innovative tools support food security in West Africa
Contact: francisco.mari@brot-fuer-die-welt.de
Webpage: https://www.brot-fuer-die-welt.de/termin/small-scale-fisheries-contribution-to-food-and-nutrition-security-and-healthy-oceans-in-west-africa-470/?no_cache=1

Managing antibiotic risks in aquaculture: Partnerships to advance blue food, a healthy ocean and sustainable blue economies

13:30-14:45 | VIP Executive Art's Hotel

Organizers: The Republic of Chile, The World Bank, Food and Agriculture Organization (FAO), Seafood Business for Ocean Stewardship (SeaBOS), WorldFish, Consejo de Salmon, Magallanes Salmon Association, Aquatic Blue Food Coalition

Description: This event will provide a state of knowledge on the impacts of antibiotics from aquaculture and highlight emerging partnerships to maximize outcomes in line with the SDGs and the One Health approach

Contact: jmadeira@mbayaq.org

Webpage: <https://www.seafoodwatch.org/our-projects/antibiotics-in-aquaculture/un-2022-managing-antibiotic-risks-in-aquaculture>

Registration: https://docs.google.com/forms/d/e/1FAIpQL5d6393W_Nn_6j9pzDBMK55M28gf7xxZaKkaBeGm8ftNNDZruQ/viewform

Ocean Acidification: Co-designing data connections to underserved communities for equitable outcomes

13:30-15:00 | Library, Pavilhão do Conhecimento

Organizers: University of Washington, Washington Ocean Acidification Center, Ocean Nexus Center, Nippon Foundation, Global Ocean Acidification Observing Network (GOA-ON), Ocean Acidification Research for Sustainability (OARS), National Oceanic Atmospheric Administration (NOAA), Intergovernmental Oceanographic Commission of the United Nations Educational Scientific and Cultural Organization (IOC-UNESCO), International Atomic Energy Agency (IAEA), Ocean Decade Regional Collaborative Center for NE Pacific, Tula Foundation of Canada, International Alliance to Combat Ocean Acidification (OA Alliance), Plymouth Marine Laboratory (PML), The Ocean Foundation

Description: We highlight successful partnerships with Indigenous & SIDS communities co-designing activities for adaptation and response strategies on local scales and to inform UN goals and global strategies

Contact: janewton@uw.edu

Webpage: <https://oceanacidification.uw.edu/>

A Plastics Treaty for our Oceans and our Health

14:30-15:30 | Ocean Base Camp at Marina do Parque das Nações

Organizers: EIA, IPEN, Common Seas, OceanCare

Restoring the forgotten ocean forests - Transforming seaweed forest restoration into a commercial-scale enterprise

15:00-16:30 | Casa de Santa Maria, Cascais

Organizers: SeaForester, University of New South Wales (UNSW); Municipality of Cascais (CMC); ReGeneration Surf (RGS); Mossy Earth (ME); Marine and Environmental Sciences Centre -Polytechnic of Leiria (MARE-IPL)

Description: Our event will showcase how the restoration industry can transform seaweed forest restoration into a commercial-scale enterprise that can make a meaningful contribution to global restoration efforts

Contact: info@seaforester.org

Registration: <https://forms.gle/TrjJzczL6kEhY19U7>

Security of subsea data cables and marine protected areas

15:00-16:30 | Pavilhão de Portugal

Organizers: Atlantic Center/Portuguese Ministry of National Defence, SafeSeas, University of Copenhagen, Institute of Security Studies (Pretoria)

Description: Discussion with stakeholders, to increase awareness and understanding of the security and resilience of subsea data cables, in line with the goals of protecting marine ecosystems and biodiversity.

Contact: atlantic_centre@defesa.pt

Webpage: <https://www.defesa.gov.pt/pt/pdefesa/ac/events/Paginas/default.aspx>

Eastern Tropical Pacific Marine Corridor (CMAR): A new paradigm for ocean conservation

16:00-19:00 | Tivoli Oriente Hotel

Organizers: Panama, Colombia, Costa Rica, Ecuador, Pew Bertarelli ocean legacy and ETP donor coalition

Description: The ETP as an innovative example, this session will explore how connectivity and regional cooperation can be leveraged to scale marine conservation outcomes

Contact: Sbinder@miambiente.gob.pa

Webpage: <https://cvent.me/087KB9>

The need for an International Panel for Ocean Sustainability (IPOS)

17:00-18:00 | Maritime Museum in Lisbon

Organizers: Conseil supérieur de la recherche scientifique (CSIC) ; Centre Scientifique de Monaco (CSM) ; Eurocean's Youth ; Fondation Prince Albert II de Monaco (FPA2) ; GEOMAR - Helmholtz Centre for Ocean Research Kiel (GEOMAR) ; Global Youth Biodiversity Network (GYBN), Europe ; Institut Français de la Mer (IFM) ; Institut français de recherche pour l'exploitation de la mer (Ifremer) ; Institut de recherche pour le développement (IRD) ; Mercator Ocean International ; Ocean & Climate Platform (OCP) ; Muséum national d'Histoire naturelle (MNHN) ; Oceano Azul Foundation ; Ocean As Common ; Office français de la biodiversité (OFB) ; The Pacific Community Centre for Ocean Science (PCCOS) (from Pacific Community, SPC) ; Thyssen-Bornemisza Art Contemporary (TBA21) ; Muséum national d'Histoire naturelle (MNH)

Description: This side event will introduce the project to establish an International Panel for Ocean Sustainability (IPOS), to allow for the assessment of the current and future state of the ocean.

Contact: fgaill@ocean-climate.org

Webpage: <https://www.cnrs.fr/en>

Registration: <https://docs.google.com/forms/d/e/1FAIpQLSeFK5WOH4ZRh6JnkPM9E5Ohz-pl764jgA7V9u1vzBJLs2w8A/viewform>

The history of the ocean's species and environments and their impact on humanity

18:00-18:30 | Colégio Almada Negreiros, Campus de Campolide

Organizers: UNESCO Chair on Ocean History of Lisbon NOVA University with partners

Description: Public Intersectoriality Workshop. The event will focus on humanity's historic relations to the ocean and Ocean Literacy.

Contact: u.guerin@unesco.org

Registration: <https://en.unesco.org/feedback/ocean-conference-public-intersectoriality-workshop>

Ocean Science Capacity as a Condition to Achieving SDG 14: Perspectives and Solutions

18:00-20:00 | Myriad Crystal Center, Cais das Naus

Organizers: The Ocean Foundation, The United States Department of State, Eduardo Mondlane University, The Climate Strong Islands Network, The Intergovernmental Oceanographic Commission, The University of Rhode Island Coastal Resources Center, and The Pacific Community.

Description: This event will offer critical perspectives towards achieving more equitable ocean science capacity throughout SDG 14 implementation

Contact: avalauriorton@oceanfdn.org

Registration: <https://www.eventbrite.com/e/unoc-side-event-ocean-science-capacity-as-a-condition-to-achieving-sdg-14-tickets-349847873407>

Women 4 OUR OCEAN

18:00-20:00 | Pavilhão de Portugal (Covered plaza)

Organizers: Business as Nature (BasN); Ministry of Environment and Climate Action of Portugal; Common Home of Humanity (CHH); Portuguese Institute for Sea; Atmosphere, I.P. (IPMA, IP)

Description: This event intends to be the space to promote the Women 4 Our Ocean movement giving special emphasis to women from Portuguese-speaking countries as active agents in ocean conservation.

Contact: marise.almeida@businessasnature.org

Webpage: www.businessasnature.org

Registration: See event webpage

International Environmental Standards, ESG and Ocean Governance Coherence

18:00-21:00 | Cuatrecasas

Organizers: Advisory Committee on the Protection of the Sea (ACOPS), Instituto Português De Direito Do Mar (IPDM), Centre for International law (CIL), Cuatrecasas

Description: First of an Ocean Essentials Conversation series on this topic that will explore the role of the UN convention on the law of the sea and of competent international organisations in this context.

Contact: admin@acops.org.uk

Webpage: <https://www.acops.org.uk/ocean-governance-standards-and-esg-un-ocean-2022/>

Registration: <https://buytickets.at/acops/719301>

Ocean of Solutions to Tackle the Climate & Biodiversity Crises

18:15-19:45 | Maritime Museum of Lisbon

Organizers: Government of France and Ocean & Climate Platform

Description: World experts will showcase ambitious ocean initiatives (nature-based solutions, community-based management, MPAs, blue finance, shipping, ocean forecast) that are accessible, scalable and sustainable

Contact: policy@ocean-climate.org

Webpage: <https://ocean-climate.org/at-the-un-ocean-conference-an-ocean-of-solutions-to-tackle-the-climate-biodiversity-crises/>

Registration: <https://docs.google.com/forms/d/e/1FAIpQLSeFK5WOh4ZRh6JJnkPM9E5Ohz-pl764jgA7V9u1vzBjLs2w8A/viewform>

From User Conflicts to Sustainable Fishing Practices and Marine Conservation: Together for The Med Network

19:00-21:00 | Pavilhão do Conhecimento

Organizers: IUCN Med and BlueSeeds

Description: This side event aims to share the new and transformative partnership in the Mediterranean to build sustainable pragmatic approaches for sustainable fisheries and marine conservation with stakeholders

Contact: yaprak.arda@iucn.org

Webpage: <https://www.togetherforthemed.org/>

FRIDAY 1 July

A Sea Change for Small-Scale Fisheries - Global leadership towards SDG14b: Preferential access and inshore exclusion zones

08:30-10:00 | Auditorium, Oceanário de Lisboa

Organizers: Madagascar Ministry of Fisheries and Blue Economy Belize Fisheries Department The Transform Bottom Trawling Coalition WorldFish Duke University The African Confederation of Professional Organisations of Artisanal Fisheries - CAOPA Blue Ventures Dakshin Foundation Kesatuan Nelayan Tradisional Indonesia (KNITI) Project Seahorse Environmental Justice Foundation Fauna & Flora International Swedish Society for Nature Conservation Environmental Defense Fund

Description: Exploring the role of inshore exclusion zones free from industrial fisheries and preferential access areas for small-scale fisheries in safeguarding livelihoods and ecosystems

Contact: tom@blueventures.org

Webpage: <https://transformbottomtrawling.org/tbt-coalition-unoc-registration/>

Ocean Observing for Ocean Sustainability

9:00-11:00 | Pavilhão do Conhecimento (Pavilion of Knowledge)

Organizers: Scripps Institution of Oceanography at UC San Diego and GEOMAR Helmholtz Centre for Ocean Research Kiel

Description: This session gives voice to many perspectives on ocean observing needs, with emphasis on island nations. Small island states will evaluate progress made, identify needs & future priority actions. Leaders of key ocean observing institutions (SIO, GEOMAR, IFREMER, NOC, WHOI) will discuss how their institutions can work together to address these needs.

Contact: rmonroe@ucsd.edu

Webpage: <https://scripps.ucsd.edu/events/ocean-observing-ocean-sustainability-United-Nations-Ocean-Conference-Event>

Business4Ocean - The call on SDG14

13:00-15:00 | Convento do Beato

Organizers: BCSD Portugal

Description: EDP together with BCSD Portugal will challenge different voices to participate in an open dialogue about the Blue Economy towards SDG 14 and the positive contribution that Businesses can deliver

Contact: diana.hortacosta@edp.com

Webpage: www.edp.com/en

Ocean Indigenous Guardianship

17:00-19:00 | Pavilhão do Conhecimento - Centro Ciência Viva

Organizers: Solomon Islands Government, Nia Tero Foundation

Description: Across the Pacific Ocean, the largest named entity on earth, thousands of distinct indigenous peoples have stewarded islands, reefs and seas for millennia and continue to do so now

Contact: AVave-Karamui@mecdm.gov.sb

Webpage: www.mecdm.gov.sb

Sounds of the Ocean

18:30-23:00 | Planetário de Marinha

Organizers: Embodied Sounds, United By The Sea, Planetário de Marinha, The Convergence, Blue Planet Alliance, PeaceBoat US, Global Fashion Exchange, PazPazes

Description: An evening to celebrate life underwater and build a deeper connection to marine life through immersive sound, visual art and inspiring talks to support mental wellness and global ocean action

Contact: info@soundsoftheocean.com

Webpage: <https://www.soundsoftheocean.com/event-details/sounds-of-the-ocean-2022-un-ocean-conference>

Registration: See event webpage

List of venues

Please find the agenda here for all events taking place at the Pavilhão de Portugal: <https://onesustainableocean.forumoceano.pt/>

Name of location	Address of location
ALGATEC Eco Business Park	R. Eng. Clément Dumoulin, 2625-106 Póvoa de Santa Iria, Portugal
Calouste Gulbenkian Foundation	Av. de Berna 45 A, 1067-001 Lisboa, Portugal
Casa de Santa Maria, Cascais	Tv. Visc. da Luz 16 18, 2750-642 Cascais, Portugal
Centro Cultural de Cascais (Cascais Cultural Center)	Av. Rei Humberto II de Itália, 2750-642 Cascais, Portugal
Convento do Beato	Alameda do Beato Lisbon 1950-042
Cuatrecasas	Av. Fontes Pereira de Melo 6, 1600-001 Lisboa, Portugal
Edifício Nau	Passeio Adamastor 30801D, 1990-165 Lisboa, Portugal
Estação dos Barbadinhos (Museu da Água)	R. Alviela 12, 1170-012 Lisboa, Portugal
Eurostars Universal Hotel Lisboa	Avenida do D. João II (13), Lote 1.12.01, 1990-050 Lisboa, Portugal
Feira Internacional de Lisboa	R. do Bojador, 1998-010 Lisboa, Portugal
Fórum Picoas (Loja MEO Lisboa)	Av. Fontes Pereira de Melo 38 C, 1050-119 Lisboa, Portugal
G7+ European Hub	Av. 24 de Julho no.118 B/C/D Santos, Lisboa
Heden Santa Apolónia	Doca Jardim do Tabaco, Terminal de Cruzeiros de Lisboa - Edifício NE 1st floor, 1100-651 Lisboa, Portugal
Honest Greens	Alameda dos Oceanos 21101F, 1990-225 Lisbon
Ikonik Hotel	Av. Mediterrâneo 1.12.04, 1990-221 Lisboa, Portugal
Institut Français du Portugal	R. Santos-O-Velho 11, 1249-079 Lisboa, Portugal
Institute of Social Sciences, University of Lisbon (ICS-UL)	Av. Prof. Aníbal Bettencourt 9, 1600-189 Lisboa, Portugal
Instituto Camões - Instituto da Cooperação e da Língua, I.P.	Av. da Liberdade 270, 1250-149 Lisboa, Portugal
Lisbon Congress Center	Praça das Indústrias 1, 1300-307 Lisboa, Portugal
Lisbon School of Health Technology	Av. Dom João II Lote 4.69 01, 1990-096 Lisboa, Portugal
Marina Parque das Nações	Edifício da Capitania, Passeio Neptuno, 1990-193 Lisboa, Portugal
Melia Lisboa Oriente Hotel	Av. Dom João II, 1990-083 Lisboa, Portugal

Morais Leitão, Galvão Teles, Soares da Silva & Associados	R. Castilho 165, 1070-050 Lisboa, Portugal
Museu da Eletricidade/Central Tejo Museum (Tejo Power Station)	Av. Brasília, 1300-598 Lisboa, Portugal
Museu de Marinha (Maritime Museum)	Praça do Império, 1400-206 Lisboa, Portugal
Myriad Cristal Center	Av. Boa Esperança 40101A, 1990-305 Lisboa, Portugal
Myriad Hotel	Lote 2.21.01, R. Cais das Naus, 1990-173 Lisboa, Portugal
Oceanário de Lisboa	Esplanada Dom Carlos I s/nº, 1990-005 Lisboa, Portugal
Ocean Base Camp at Marina do Parque das Nações	Passeio do Adamastor, Edifício Nau, 1990-007 Lisboa
Olissippo Oriente Hotel	Av. Dom João II 32, 1900-083 Lisboa, Portugal
Palácio Penafiel	Rua de S. Mamede (ao Caldas), nº 21. 1100-533 Lisboa - Portugal
Pavilhão de Portugal / Portuguese National Pavilion	1990-221 Lisbon, Portugal
Pavilhão do Conhecimento (Pavilion of Knowledge)	Largo José Mariano Gago nº1, 1990-073 Lisboa, Portugal
Planetário de Marinha	Praça do Império, 1400-206 Lisboa, Portugal
Portuguese Agency for the Environment (Agência Portuguesa do Ambiente)	Rua da Murgueira, 9 - 2610-124 Amadora, Lisbon
PT Meeting Center	R. do Bojador 47, 1990-254 Lisboa, Portugal
Sea The Future Cafe	Cais Portugueses 22, 1990-221 Lisboa, Portugal
Tejo Restaurant, Oceanário de Lisboa	Esplanada Dom Carlos I, 1990-221 Lisboa, Portugal
Tivoli Oriente Hotel	Av. Dom João II n.º 27, 1990-083 Lisboa, Portugal
VIP Executive Art's Hotel	Av. Dom João II 47, 1998-028 Lisboa, Portugal
VODAFONE PORTUGAL	Comunicações Pessoais, S.A. Morada: Av. D. João II - Lote 1.04.1 - 8.º, Parque das Nações, 1998-017 Lisboa
York House	Rua Das Janelas Verdes, 32 Lisbon 1200-691
