Iraq
1.1M

Nigeria
4.1M

- 1) Political leadership translating into laws, policy shift and budget allocations
- 2) Whole-of-Government approaches emerging
- 3) New financing mix of domestic resources, donors, & IFI investment
- 4) Link between disasters and displacement recognised
- 5) IDP visibility in at inter-Governmental level increased

UN following through on its commitments

- ❑ Supporting Government to lead
- ❑ Capacitating RCs with Solutions Advisers
- ❑ Fund operational
- ❑ 12 corporate plans
- ❑ Active data community
- ❑ New system-wide approach

Internal Displacement Solutions Fund

10 Joint Programmes
in progress

4 current
donors

100M
target

21.6
million
pledged

76 million

people living in
internal displacement

What we learned about addressing protracted displacement

- ☑ Solutions from the start
- ☑ Government ownership
- ☑ Support Governments to lead
- ☑ Invest development financing

What happens next?

'Support to Governments continues and expands beyond pilots'

- Solutions Hub, incl. the Solutions Fund & Adviser facility
- 'Solutions Working Groups' at country and Global level
- New UNSDG & IASC Guidance on Solutions
- IDP Advisory Board
- System-wide approach agreed
- Solutions Champions
- Action Agenda progress report & biannual report on solution

Keep the momentum going

- 1 Support displacement-affected communities
- 2 Support the new mechanisms
- 3 Keep displacement on the international agenda
- 4 Accelerate prevention
- 5 Engage in IFI dialogue
- 6 Keep the spotlight

Thank you!
