Engaging the private sector in the implementation of Sustainable Development Goal 14, Life Below Water, in order to ensure the sustainable use of marine resources is more essential than ever. Join our webinar to mobilize the private sector, share information and brainstorm ideas on how to strengthen the momentum for ocean action among businesses during the preparatory process of the 2020 UN Ocean Conference.

This session of the four-part series “Keeping the Momentum for Ocean Action” is a joint effort from the UN Department of Economic and Social Affairs, UN Global Compact and the United Nations Non-Governmental Liaison Service.
