

THIRD GLOBAL CONFERENCE ON STRENGTHENING SYNERGIES BETWEEN THE PARIS AGREEMENT AND THE 2030 AGENDA FOR SUSTAINABLE DEVELOPMENT

Building the evidence base for synergistic action in support of raising climate and SDGs ambition

20-21 July 2022 | Tokyo, Japan | Hybrid

PROGRAMME OVERVIEW (Draft as of 23 June 2022)

Co-convened by:

United Nations Department of Economic and Social Affairs (UNDESA)

United Nations Framework Convention of Climate Change Secretariat (UN Climate Change)

Hosted by: Ministry of Environment (MoE), Japan

In partnership with United Nations University (UNU) and Institute for Global Environmental Strategies (IGES)

Participation: Open by registration to all Member States and other stakeholders including business,

CSOs, local governments, youth, academia and others

Location: The Conference will be held hybrid, United Nations University, Japan, Tokyo

Registration: For information regarding registration for the Conference, including side event application,

please visit Conference website

DAY 1, WEDNESDAY, 20 JULY	
10:00 JST	Multi-stakeholder Session – Sharing Experiences and Lessons Learned
03:00 CET	This session will shed light on solutions from Asia and around the world on harnessing
21:00 EST	climate and SDGs synergies.
13:00 JST	Scene Setting Conversation
06:00 CET	Scene-setting conversation with co-conveners and a special panel from a variety of
00:00 EST	stakeholders to set expectations for the day.
14:00 JST	Side Events
07:00 CET	A series of side events from multi-stakeholder groups will showcase real experiences on
1:00 EST	the ground on key issues related to harnessing climate and SDGs synergies. A detailed
	programme for side events will be developed separately.
17:30 JST	Fireside Chat
19:15 JST	Welcome Ceremony
12:15 CET	Ministry of Environment Japan Special Launch Event
06:15 EST	
20:00 JST	Conference Opening and High-Level Segment:
13:00 CET	Advancing the full implementation of the 2030 Agenda for Sustainable
07:00 EST	Development transition to a low-carbon economy
	The objectives of the Paris Agreement and its1.5°C target can still be reached, if climate
	action is stepped up at all level. At the same time, an accelerated transition towards a
	cleaner, greener, and socially more inclusive economy in line with the 2030 Agenda, will
	require much additional effort and greater national and international collaboration while
	ensuring no one is left behind. At the high-Level Segment, Ministers and Senior Officials
	are invited to share perspectives and experiences on harnessing climate and SDGs
	synergies across these two critical agendas.

DAY 2, THURSDAY, 21 JULY	
10:30 JST	Side Events
03:30 CET	A series of side events from multi-stakeholder groups will showcase real experiences on
21:30 EST	the ground on key issues related to harnessing climate and SDGs synergies. A detailed
10.15.100	programme for side events will be developed separately.
13:15 JST	Fireside Chat
13:30 JST	Parallel Sessions 1
06:30 CET 00:30 EST	Parallel Session 1.1: Implementing a nexus approach across key sectors and
	policy areasBased on evidence, examples, and case studies, invited experts point out practical options
	and solutions for maximizing co-benefits and minimizing trade-offs in multiple SDGs
	while advancing climate action as well as solve social, economic, and environmental
	issues.
	Parallel Session 1.2: Ensuring just transitions, enabling empowerment and
	enhancing knowledge and skills
	Invited speakers will highlight examples and solutions on how to ensure just transition
	and leave no one behind. It will also shed light on impact of science and education to
	facilitate various stakeholders including governments, international organizations, the private sector, academia, communities, and the youth, to promote just and inclusive
	climate actions.
	Parallel Session 1.3: Forging partnerships for synergetic action
	Connecting the dots from local to national to global, this session will focus on cross-
	sectoral and multi-stakeholder partnerships to forge synergistic action on climate and
	SDGs.
15:15 JST	
	Parallel Sessions 2
15:15 JST 08:15 CET 2:15 EST	Parallel Session 2.1: Overcoming barriers to financing, technology and
08:15 CET	Parallel Session 2.1: Overcoming barriers to financing, technology and innovation
