Chapter I. Sustainable development and financing for development

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 1)

1. Find out why at this mid point in the implementation of the SDGs, all North and South Countries are Off Track achieving SDGs by 2030; accept that it is already too late to achieve SDGs by 2030; recommit to achieving SDGs in Synergy with Paris Agreement and AAAAA in all North and South Countries by 2033 – 2035.
2. Recognize that Technical Solutions to achieving SDGs in Synergy with Paris Agreement and AAAAA in all North and South Countries by 2033 – 2035 exist. Without Complementary Political Solutions, these Technical Solutions are No Issue or amount to No Issue. However, should Technical and Political Solutions be found, all remaining Solutions – Economic, Financial, Cultural, Social, Security, Climate, Environment etc will emerge.
3. We urge Policy Makers and Decision Makers on UN System; Governments of North and South Countries and Universities in North and South Countries to genuinely appreciate the importance of eco-social contract thinking and 3PCM thinking in the context of the 'renewed social contract' the secretary general aspires to create through the common agenda.
4. We urge Policy Makers and Decision Makers on UN System; Governments of North and South Countries and Universities in North and South Countries to genuinely appreciate need to: shift focus away from problems and blame and shift focus towards solutions and opportunities; recognize that our World is in DEEP Crises and accelerating on MADning (Mutually Assured Destruction) Road to DOOM, that failure to change course and start accelerating on MAPing (Mutually Assured Prosperity) Road to BOOM guarantee ultimate global catastrophic consequences and that as no one knows when our World will race past irreversibility point in ongoing acceleration on MADning Road to DOOM, one day delay changing course to start accelerating on MAPing Road to BOOM may be one day too late to save our fragile planet from perishing.

Chapter II. International peace and security

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 2)

1. Address International Peace and Security and Beyond International Peace and Security issues within Implementing SDGs in Synergy with Paris Agreement and AAAAA as appropriate or applicable in each specific Community, Sub-Country, Country, Sub-Continent, Continent and Global location context.
2. The ongoing Russian Ukraine War and Israeli Palestine War undermine the UN Charter. World Leaders need to make more effort at deploying Diplomacy to finding effective Political Solutions to Stopping the 2 Wars and Preventing Future Wars.

Chapter III. Science, technology and innovation and digital cooperation

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 3)

1. Science, Technology and Innovation, STI and Digital Cooperation, DC are Master Keys for achieving SDGs in Synergy with Paris Agreement and AAAA in all North and South Countries by 2033 – 2035.
2. STI and DC Technical and Political Sustainable Solutions need to be found, so that STI and DC Economic, Financial, Cultural, Social, Security, Climate, Environment etc Sustainable Solutions could be found as appropriate or applicable in each specific North and South Country.

Chapter IV. Youth and future generations

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 4)

1. Meaningfully involve Youth in all North and South Countries in the design and delivery of 3PIs and 3PIs Training as One driving work towards achieving SDGs in Synergy with Paris Agreement and AAAA as appropriate or applicable in each specific Community, Sub-Country, Country, Sub-Continent, Continent and Global location context.
2. Implement SDGs in Synergy with Paris Agreement and AAAA in all North and South Countries in ways that promote and protect the best interests of future generations.

Chapter V. Transforming global governance

(Add your organization's concise, concrete, and action-oriented recommendations for Chapter 5)

1. Recognize urgent need for Public Sector Management, Public Finance Management and Service Delivery that works for the World's 5 Billion Poor Children, Youth, Women, Men and Elders, if National and Global Governance Systems are to be effective and efficient in the design and delivery of 3PIs and 3PIs Training as One driving achieving SDGs in Synergy with Paris Agreement and AAAA in all North and South Countries by 2033 – 2035.
2. Recognize urgent need for entire National and Global Reform Program in all UN System Entities and all Governments of North and South Countries as Pillars for design and delivery of 3PIs and 3PIs Training as One driving achieving SDGs in Synergy with Paris Agreement and AAAA in all North and South Countries by 2033 – 2035.
