

WORLD AUTISM AWARENESS DAY 2023

SAVE THE DATE

Transformation: Toward a Neuro-Inclusive World for All

Sunday, April 2

10 A.M. - 1 P.M. (EST)

This World Autism Awareness Day, join us in transforming the narrative around neurodiversity with a special event featuring autistic people from around the world discussing the contributions that autistic people make to their families, communities and globally.

The event will be streamed LIVE on UN Web TV and on YouTube @unitednations. With four dedicated panel discussions, it will highlight the role neurodivergent people play at Home, in the Arts, at Work and in Policymaking.

Please register using the link below to receive instructions on how to watch the event closer to the date.
