DOCUMENTATION OF THE GENERAL ASSEMBLY

The symbols of the documents of the General Assembly begin with A/-, followed by the session number and an indication of the type of document to which they apply. The number following indicates the number of the document issued in that specific series.

For example: A/ES-11/2 is the second in the series of main documents of the eleventh emergency special session.

Meeting records are numbered in a similar way. Thus, the verbatim record of the first plenary meeting of the eleventh emergency special session of the General Assembly bears the symbol A/ES-11/PV.1.

Resolutions adopted by the General Assembly, first issued separately, are collected in a printed *Supplement* to the *Official Records* of each session.
