## I. DESCRIPTION

The United Nations has commissioned seventeen (17) icons and the SDG logo, including the colour wheel, to graphically promote awareness of the Sustainable Development Goals adopted by the Member States of the United Nations by resolution A/RES/70/1 of the General Assembly of 25 September 2015.

## II. USE OF THE SDG LOGO AND 17 ICONS

**USE BY UN ENTITIES**

Use of the SDG logo [Version 1 with the UN emblem] and 17 icons by United Nations offices, Funds and Programmes and other subsidiary organs and organizations of the United Nations System

United Nations offices, Funds and Programmes and other subsidiary organs and organizations of the United Nations System may use the SDG logo [Version 1 with the UN emblem] and 17 SDG icons without obtaining prior approval from the UN Department of Public Information (DPI), except for when uses other than those described in these guidelines are requested (see page 19). However, for reporting purposes, DPI should be informed of events and information materials for which the SDG logo and the icons are being used including, inter alia, publications, posters, brochures, and videos.

The 17 SDG icons may be used together or as individual icons. Each icon must be used in its entirety, including with the text describing the related SDG (see page 48). If the UN office, Fund and Programme or other subsidiary organ or organization of the United Nations System has its own specific logo, the latter should be displayed side by side with the SDG logo and icon(s) (see page 22).
