May 15, 2024

Excellency,

Reference is made to our letters dated 1 and 5 April 2024, attaching the zero draft for a Global Digital Compact.

We took good note of the inputs to the zero draft provided in writing by Member States and of the additional explanations provided by delegations during the first reading convened on 2 and 3 May 2024. Many delegations expressed the view that the zero draft provided a solid basis to take forward negotiations.

We have the honour to attach a revised version (Rev.1) that draws on oral and written inputs provided by Member States and observers.

We look forward to presenting this Rev.1 to Member States and observers on Thursday, 16 May in Trusteeship Council Chamber from 10 a.m. to 1 p.m. and 3 to 6 p.m. (as needed). While delegations will have the opportunity to deliver brief general remarks after the presentation, detailed substantive comments are not expected. We will read the Rev.1 section by section on 6 and 7 of June in Conference Room 2. Further meetings will be held on June 20 and 21. An updated schedule of the informal consultations can be found below:

Please accept, Excellency, the assurances of our highest consideration
