

IDE Program Application Q & A

The IDE Program is open to students of the world's 46 LDCs to undertake 2.5 year master program in industrial design engineering. 50 accepted students will be awarded full scholarships.

Who is eligible to apply for IDE Program?

Bachelor/master's degree holders and final year students of all majors from the 46 least developed countries are eligible to apply. Female candidates are strongly encouraged to apply.

What does the full scholarship cover?

Full scholarship covers admission fee, tuition fee, on-campus accommodation (excluding utilities), comprehensive medical insurance, and stipends (RMB1,700 yuan/month, applicable to on-campus students only and subject to periodic evaluation based on comprehensive performance).

When I fill in the application form, I couldn't find hints about full scholarship application. So how can I apply for it?

According to ZJU's latest notice, Zhejiang University Scholarship Form is not required when submitting documents for the IDE Program application.

What language will the program be taught, at what location, study period and what degree will be conferred?

The program will be taught in English and implemented at Ningbo Innovation Center, Zhejiang University. The Program takes 2.5 academic years to complete. A master's degree in Industrial Design Engineering of ZJU will be conferred upon completion.

What is the minimum English requirement to apply for IDE program?

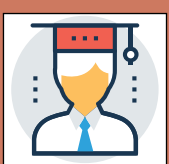

Applicants who (1) are native English speakers* (2) can provide a certificate issued by the university that prior education solely conducted in English are exempted from English exam requirements;

For other applicants, an IELTS/TOFEL/Duolingo test result with minimum of 6.5/90/120 is mandatory. The result should be obtained within recent two years.

*For the definition of native English speaker, please refer to http://www.eurogates.nl/en_english_native_speaking_countries/

Do I have to pay admission fee?

No. Admission fee is exempted for the IDE Program applicants.

Do I have to give up my job if I am admitted?

You will be admitted to the Program as a full-time student, and the University has strict rules on attendance.

Will ZJU provide assistance on visa application for international students?

ZJU will send standard visa application form to admitted students to fill out for their submission while the Chinese immigration policy permits.

How can I ask for help when I have problems while preparing the application?

Send your enquiries to nbxq010@zju.edu.cn, or wedc@vip.126.com.
