Closure Obstacles

705 total closures

West Bank Barrier

A complex series of concrete walls, electronic fences, and other obstacles controls Palestinian pedestrian and vehicular movement. Construction of the Barrier within the West Bank including East Jerusalem continues, contrary to the advisory opinion of the International Court of Justice.

CONCRETE BARRIER

ELECTRONIC FENCE BARRIER

BARRIER GATE

Controls movement through the West Bank Barrier. Permits, or verbal consent are required for Palestinians to access their lands.

Closure obstacles data was collected by OCHA field staff as of June 2018. For up-to-date closure data visit our online interactive maps at <https://www.ochaopt.org/page/interactive-map>
