MESSAGE

On the occasion of the International Day of Solidarity with the Palestinian people, I reiterate India's strong support for the Palestinian cause. I also express our solidarity with the Palestinian people in their efforts to establish a sovereign, independent, viable and united State of Palestine co-existing peacefully with Israel.

My visit to Palestine last year contributed substantially to further strengthening the historic ties between India and Palestine. Our enhanced project assistance and capacity building initiatives will continue to contribute to Palestinian nation building.

As we mark the International Day of Solidarity with the Palestinian people, we hope for an early resumption of the dialogue between Palestine and Israel for moving towards a comprehensive and negotiated resolution.

On behalf of the people of India, I extend my best wishes to the friendly people of Palestine in their pursuit of statehood, peace and prosperity.

(Narendra Modi)
