Draft resolution II Operations of the United Nations Relief and Works Agency for Palestine Refugees in the Near East

The General Assembly,

Recalling its resolutions [194 \(III\)](#) of 11 December 1948, [212 \(III\)](#) of 19 November 1948, [302 \(IV\)](#) of 8 December 1949 and all subsequent related resolutions, including its resolution [74/85](#) of 13 December 2019,

Recalling also the relevant resolutions of the Security Council,

Having considered the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2019,¹

Taking note of the letter dated 2 July 2020 from the Chair of the Advisory Commission of the Agency addressed to the Commissioner-General,²

Underlining that, at a time of heightened conflict and instability in the Middle East, the Agency continues to play a vital role in ameliorating the plight of the Palestine refugees through the provision of, inter alia, essential education, health, relief and social services programmes and emergency assistance to a registered population of more than 5.6 million refugees whose situation has become extremely precarious, in mitigating the consequences of alarming trends, including increasing violence, marginalization and poverty, in the areas of operation, and in providing a crucial measure of stability in the region,

Recalling its resolutions 2252 (ES-V) of 4 July 1967 and 2341 B (XXII) of 19 December 1967 and all subsequent related resolutions, recalling also Security Council resolutions [237 \(1967\)](#) of 14 June 1967 and [259 \(1968\)](#) of 27 September 1968, stressing the necessity of an accelerated return of displaced persons, and calling for compliance with the mechanism agreed upon by the parties in article XII of the Declaration of Principles on Interim Self-Government Arrangements of 13 September 1993³ on the return of displaced persons,

Deeply concerned about the extremely critical financial situation of the Agency, caused by the structural underfunding of the Agency, as well as by rising needs and expenditures resulting from the deterioration of the socioeconomic and humanitarian conditions and the conflicts and rising instability in the region and their significant negative impact on the ability of the Agency to deliver essential services to the Palestine refugees, including its emergency, recovery, reconstruction and development programmes in all fields of operation,

Taking note of the report of the Secretary-General on the operations of the United Nations Relief and Works Agency for Palestine Refugees in the Near East,⁴ submitted pursuant to resolution [71/93](#) of 6 December 2016, and the request contained therein for broad consultations to explore all ways and means, including through voluntary and assessed contributions, to ensure that the Agency's funding is sufficient, predictable and sustained for the duration of its mandate, and considering the recommendations contained in the report,

Taking note also of the report of 31 May 2020 of the Commissioner-General, submitted pursuant to paragraph 57 of the report of the Secretary-General and in

follow-up to the update to the special report of 3 August 2015 of the Commissioner-General,⁵ submitted pursuant to paragraph 21 of General Assembly resolution 302 (IV), regarding the severe financial crisis of the Agency and the negative implications for the continued delivery of core Agency programmes to the Palestine refugees in all fields of operation,

Expressing appreciation for the efforts of donors and host countries to respond to the Agency's unprecedented financial crisis, including through generous, additional contributions and, where possible, continued increases in voluntary contributions, while acknowledging the steadfast support of all other donors to the Agency,

Welcoming the contributions made to the Agency's emergency appeals, including for the Gaza Strip and for the Syrian Arab Republic, and calling urgently upon the international community to continue its support, since needs persist and these appeals remain severely underfunded,

Noting that contributions have not been predictable enough or sufficient to meet growing needs and remedy the persistent shortfalls, which have, since 2018, been exacerbated by the suspension of the single largest voluntary contribution to the Agency, undermining the Agency's operations and efforts to promote human development and meet Palestine refugees' basic needs, and stressing the need for further efforts to comprehensively address the recurrent funding shortfalls affecting the Agency's operations,

Recognizing the Agency's extensive efforts to rapidly develop innovative and diversified ways to address its financial shortfall and mobilize resources, including through the expansion of the donor base and partnerships with international financial institutions, the private sector and civil society, including through special digital campaigns,

Commending the Agency for the measures taken to address the financial crisis, despite difficult operational circumstances, including through the implementation of the medium-term strategy for 2016–2021 and various internal measures to contain expenditures, reduce operational and administrative costs, maximize the use of resources and reduce the funding shortfalls, and expressing profound concern that, despite such measures, the Agency's programme budget, which is funded primarily by voluntary contributions from Member States and intergovernmental organizations, faces persistent shortfalls that continue to threaten the delivery of the Agency's core programmes of assistance to the Palestine refugees,

Encouraging the Agency to sustain those reform efforts, while also taking all possible measures to protect and improve the quality of access to and the delivery of core programmes of assistance,

Recalling its resolution 65/272 of 18 April 2011, in which it requested the Secretary-General to continue to support the institutional strengthening of the Agency,

Stressing the need to support the Agency's capacity to uphold its mandate and to avert the serious humanitarian, political and security risks that would result from any interruption or suspension of its vital work,

Recognizing that the recurring and growing financial shortfalls directly affecting the sustainability of the Agency's operations need to be remedied by examining new funding modalities designed to put the Agency on a stable financial footing to enable

Bearing in mind the 2030 Agenda for Sustainable Development,⁷ including the pledge that no one will be left behind, emphasizing that the Sustainable Development Goals apply to all, including refugees, and commending the efforts of the Agency's programmes to promote 10 of the 17 Goals, as indicated in the report of the Secretary-General,

Welcoming the joint efforts of host countries and donors to mobilize support for the Agency, including through extraordinary ministerial meetings, inter alia, the extraordinary ministerial conference held in Rome on 15 March 2018, the ministerial meeting convened at United Nations Headquarters in New York on 26 September 2019 and the extraordinary virtual ministerial pledging conference convened on 23 June 2020, hosted by Jordan and Sweden, aimed at urgently addressing the Agency's funding shortfall and the need for predictable multi-year funding, expanding donor support for the Agency and reaffirming support for its mandate,

Welcoming also the establishment, pursuant to the recommendations made by the Secretary-General in his report on the operations of the Agency, by the Organization of Islamic Cooperation at the forty-sixth session of its Council of Foreign Ministers, held in Abu Dhabi in March 2019, of a waqf fund at the Islamic Development Bank to support Palestine refugees through enhanced support to the Agency,

Recalling Articles 100, 104 and 105 of the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations,⁸

Recalling also the Convention on the Safety of United Nations and Associated Personnel,⁹

Recalling further its resolutions [74/116](#) of 16 December 2019 on the safety and security of humanitarian personnel and protection of United Nations personnel and [74/118](#) of 16 December 2019 on the strengthening of the coordination of emergency humanitarian assistance of the United Nations, calling upon, inter alia, all States to ensure respect for and the protection of all humanitarian personnel and United Nations and associated personnel, to respect the principles of humanity, neutrality, impartiality and independence for the provision of humanitarian assistance and to respect and ensure respect for the inviolability of United Nations premises,

Affirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹⁰ to the Palestinian territory occupied since 1967, including East Jerusalem,

Aware of the continuing needs of the Palestine refugees in all fields of operation, namely Jordan, Lebanon, the Syrian Arab Republic and the Occupied Palestinian Territory,

Gravely concerned about the extremely difficult socioeconomic conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the recurrent military operations, continuing prolonged Israeli closures, the construction of settlements and the wall, evictions, the demolition of homes and livelihood properties causing forced transfers of civilians, and the severe economic and movement restrictions that in effect amount to a blockade, which have deepened unemployment and poverty rates among the refugees, with potentially lasting, long-term negative effects, while taking note of developments with regard to the situation of access there,

Concerned about plans and measures to interfere with or obstruct the operations of the Agency, including in East Jerusalem, contrary to international law and the Convention on the Safety of United Nations and Associated Personnel, and reiterating the need for the Agency to fully implement its mandate in support of Palestine refugees without interference, including in the Occupied Palestinian Territory, including East Jerusalem,

Commending the health-care staff of the Agency for their dedication in responding to the profound stresses caused to the health system by the high number of Palestinian civilian casualties in the recent period in the Gaza Strip,

Commending also the important role played by the Agency throughout its areas of operations to help to prevent and contain the spread of the coronavirus disease (COVID-19),

Recalling also its resolution [ES-10/18](#) of 16 January 2009 and Security Council resolution [1860 \(2009\)](#) of 8 January 2009, as well as the Agreement on Movement and Access of 15 November 2005,

Expressing concern about the continuing classroom shortage, including in the Gaza Strip, and the consequent negative impact on the right to education of refugee children,

Stressing the urgent need for the advancement of reconstruction in the Gaza Strip, including by ensuring the timely facilitation of construction projects, including extensive shelter repair, and the need for the accelerated implementation of other urgent United Nations-led civilian reconstruction activities, and calling upon Israel to ensure the expedited and unimpeded import of all necessary construction materials into the Gaza Strip and to reduce the burdensome cost of importation of Agency supplies, while taking note of the continued implementation of the tripartite agreement facilitated by the United Nations,

Urging the full disbursement of pledges made at the Cairo International Conference on Palestine: Reconstructing Gaza, held on 12 October 2014, for ensuring the provision of the necessary humanitarian assistance and accelerating the reconstruction, rehabilitation and recovery process,

Stressing that the situation in the Gaza Strip is unsustainable and that a durable ceasefire agreement must lead to a fundamental improvement in the living conditions of the Palestinian people in the Gaza Strip, including through the sustained and

regular opening of crossing points, and must ensure the safety and well-being of civilians on both sides,

Affirming the need to support the Palestinian Government in its assumption of full government responsibilities in both the West Bank and the Gaza Strip, in all fields, as well as through its presence at Gaza's crossing points,

Expressing deep concern at the critical situation of Palestine refugees in the Syrian Arab Republic and at the impact of the crisis on the Agency's installations and its ability to deliver its services, and regretting profoundly the loss of life and widespread displacement among refugees and the killing of staff members of the Agency in the crisis since 2012,

Emphasizing the continuing need for assistance to Palestine refugees in the Syrian Arab Republic as well as those who have fled to neighbouring countries, and emphasizing the necessity of ensuring open borders for Palestine refugees fleeing the crisis in the Syrian Arab Republic, consistent with the principles of non-discrimination and non-refoulement under international law, and recalling in this regard the statement by the President of the Security Council of 2 October 2013¹¹ and the New York Declaration for Refugees and Migrants,

Aware of the valuable work done by the Agency in providing protection to the Palestinian people, in particular Palestine refugees, and recalling the need for the protection of all civilians in situations of armed conflict,

Deploring the endangerment of the safety of the Agency's staff and the damage and destruction caused to the facilities and properties of the Agency during the period covered by the report of the Commissioner-General, and stressing the need to maintain the neutrality and safeguard the inviolability of United Nations premises, installations and equipment at all times,

Deploring also the breaches of the inviolability of United Nations premises, the failure to accord the property and assets of the Organization immunity from any form of interference, incursions or misuse, the failure to protect United Nations personnel, premises and property and any disruption caused to Agency operations by such violations,

Deploring further all attacks affecting United Nations installations, including Agency schools sheltering displaced civilians, and all other breaches of the inviolability of United Nations premises, including during the conflict in the Gaza Strip in July and August 2014, as reported in the summary by the Secretary-General of the report of the Board of Inquiry¹² and by the independent commission of inquiry established pursuant to Human Rights Council resolution S-21/1,¹³ and stressing the imperative of ensuring accountability,

Aware of the agreement between the Agency and the Government of Israel,

Taking note of the agreement reached on 24 June 1994, embodied in an exchange of letters between the Agency and the Palestine Liberation Organization,¹⁵

1. *Reaffirms* that the effective functioning of the United Nations Relief and Works Agency for Palestine Refugees in the Near East remains essential in all fields of operation;
