Chairman of the Committee on the  
Exercise of the Inalienable Rights of the  
Palestinian People

I have the pleasure to extend my congratulations and best wishes on the International Day of Solidarity with the Palestinian People. On behalf of the people and Government of the Islamic Republic of Afghanistan, I wish to reaffirm our longstanding commitment to the full realization of the human rights of our sisters and brothers in Palestine, including their right to self-determination. In that regard, I would like to reiterate our support to the establishment of an independent Palestinian State with Al-Quds Al-Sharif as its capital. As a Vice-Chair of the Committee on the Exercise of the Inalienable Rights of the Palestinian People, Afghanistan remains committed to continue to work actively towards achieving this noble goal.
