**MESSAGE OF THE BRAZILIAN GOVERNMENT ON THE OCCASION OF THE  
INTERNATIONAL DAY OF SOLIDARITY WITH THE PALESTINIAN PEOPLE  
29 NOVEMBER 2020**

As we celebrate the International Day of Solidarity with the Palestinian People, Brazil reiterates its full support for a negotiated solution to the conflict, with Israel and Palestine living side by side in peace and security, in accordance with international law and the relevant UN resolutions.

For its part, Brazil has stepped up its cooperation with the United Nations Relief and Works Agency for Palestine Refugees in the Near East. As a member of UNRWA's Advisory Commission, Brazil reaffirms its willingness to cooperate with the Agency, in accordance with its capabilities. Earlier in the year, we have announced a donation to UNRWA's Coronavirus Emergency Appeal in support of their actions to contain the spread of COVID-19.

Brazil encourages all parties involved to seek a constructive political environment conducive to a return to meaningful negotiations. These may require engaging in creative diplomatic efforts, in order to achieve a just and comprehensive settlement.
