**Message of solidarity**

**Excellency,**

I wish to extend my congratulations on the occasion of the International Day of Solidarity with Palestinian People.

Kazakhstan recognizes the legitimate right of self-determination for the Palestinian people and strongly supports the creation of an independent State of Palestine that will peacefully co-exist with Israel within the 1967 borders. We consider that the two-state solution is the only viable option for lasting peace which meets the interests of the whole world community.

We stand for resolving the Palestinian issue on the basis of international law, relevant UN Security Council resolutions, and other mechanisms and initiatives, such as the Road Map for Peace, the Arab Peace Initiative, the Madrid Principles, and the “land-for-peace” formula.

Kazakhstan commends the Committee on the Exercise of the Inalienable Rights of the Palestinian People in its efforts to protect the rights and freedoms of the Palestinians.

Please accept the assurances of my highest consideration and esteem.
