

Update: Escalation of hostilities - Gaza May 2021

Between 10 and 20 May 2021, the Gaza Strip witnessed another significant hostility in which many buildings were destroyed and thousands of people were internally displaced. According to the information verified by Shelter Cluster based on figures from MoPWH, MoSD, UNRWA and other cluster partners at height of the conflict over 117,000 individuals fled their homes due to the intensive air strikes and the destruction of the houses including 77,000 were seeking safe places at UNRWA schools and the remaining were at host community and informal shelters. Additionally, the Israeli air strikes in Gaza left 1,384 destroyed housing units and 876 housing units have severely damaged and approximately 57,000 housing units with different levels of damage. **This dashboard summarizes the needs, responses and gaps in shelter**
