SPECIAL COMMITTEE ON PALESTINE

COMMUNICATION FROM THE GOVERNMENT OF PALESTINE
ON THE "STATISTICAL ABSTRACT OF PALESTINE"

The following letter has been received from the Government of Palestine on the "Statistical Abstract of Palestine".

NOTE: Copies of the "Statistical Abstract of Palestine, 1944-45" have been circulated to the members of the Committee.

Government of Palestine
Chief Secretary's Office
Jerusalem
17th June, 1947.

Sir, -

In the course of the informal meeting of yesterday afternoon at which Sir Henry Gurney gave to your Committee a brief description of the constitutional framework of the Government of Palestine and explanations as to where certain factual material can be found in the volumes of written evidence which were formally furnished to the Committee by this Government on the previous day, it was requested by the Chairman that figures of the density of population in the various parts of Palestine should be supplied later in writing, since these were not contained in the written evidence. In response to this request I am directed to forward twenty copies of a publication of the Government of Palestine entitled "Statistical Abstract of Palestine, 1944-45" in which, at page 23, the population density figures for the years 1922, 1931 and 1944 are given by sub-districts.

I am,

Sir,

Your obedient servant,

(sgd)(D.C. MacGillivray)
for CHIEF SECRETARY

The Principal Secretary,
United Nations Special Committee on Palestine,
Y. M. C. A.,
Jerusalem.
