Message

International Day of Solidarity with the Palestinian People

On this auspicious occasion to commemorate the International Day of Solidarity with the Palestinian people, I reaffirm Sri Lanka's steadfast solidarity with the Government and people of Palestine.

For more than seven decades, there has been a long struggle to find a just and peaceful solution to the situation in Palestine.

Sri Lanka while continuing to support the sovereign, independent State of Palestine, calls on the international community and all parties concerned to make renewed efforts to achieve a lasting solution, including through the early implementation of the United Nations General Assembly resolutions on a two-state solution based on the 1967 borders.

On behalf of the Government and people of Sri Lanka, I take the opportunity on this felicitous instance, to extend sincere best wishes to the Government and people of Palestine.

Ranil Wickremesinghe

President of the Democratic Socialist Republic of Sri Lanka
