H.E. Mr. Cheikh Niang

Chairman,

Committee on the Exercise of the

Inalienable Rights of the Palestinian People

United Nations

Dear Brother,

On behalf of our Government of Reconciliation and National Unity, of the Nicaraguan Families, and on our behalf, allow us to express our Condolences and Solidarity to the Palestinian People, subjected to the most brutal genocide by the Imperialists of the Earth.

Today, on the Commemoration of the International Day of Solidarity with the Palestinian People, the crimes against humanity that continue to be committed against

Children, Youth, Women, Men, and the Elderly, condemning this barbarism is our duty, demanding the immediate withdrawal and cessation of the bombardments by the Israeli Army and the imperialist forces headed by the North American Governors.

In the midst of these hard and unjust moments faced by the Heroic Palestinian People, this Day represents the essence of Unity, Solidarity, Brotherhood and Company that the International Community and the Peoples of the World must demonstrate and express to one of the most just causes of all times, the historic Palestinian cause.

The People and Government of Nicaragua, which in its history was tireless for our National Liberation, we recognize and know that the Palestinian People will be victorious in the struggle to ensure respect and effective exercise of the legitimate Right to their Freedom of Self-Determination, National Sovereignty and Territorial Integrity of the State of Palestine, recognizing the borders prior to June 4, 1967, with East Jerusalem as its Capital.

From our Nicaragua, Always Blessed and Always Free, we send a Fraternal Message of Solidarity, of Hope and with much Strength to the brave Palestinian People, reaffirming our conviction that, the longed Peace and Stability in the Middle East, will only be achieved, with the Full Materialization of a State of Palestine, by recognizing and upholding the Inalienable Rights of the Palestinian People, in accordance with the relevant United Nations Resolutions and the yearnings of the Peace Loving Peoples.

May the Peace, Mercy and Blessings of God be with you and the Noble People of Palestine.
